Successfully Navigating the Multi-Generational Workplace
“Managing multigenerational workforces is an art in itself. Young workers want to make a quick impact, the middle generation needs to believe in the mission, and older employees don’t like ambivalence. Your move.”

Objectives

• Identifying Multi-Generational Cohorts
• Recognizing generational characteristics
• Understanding the values of each generation
• Evaluating communication styles
• Managing conflict within generations
• Benefiting from differences
Identifying Multi-Generational Cohorts
Multi-Generational Cohorts defined...

“An indefinable group that shares the same birth years, age location, and significant life events at critical developmental stages of their lives.”
