Several SASFAA accomplishments were highlighted such as provided training to all members, ensured that SASFAA was fiscally sound, encouraged new members to volunteer, and reached out to the state presidents about what members are seeking from SASFAA.

**Past President – Jeff Dennis:**

There were two changes to the policies and procedures manual dealing with 6.0 long range planning. The recommended changes to eliminate appendix B and add add it has been revised through 2011.

**Current**

**6.10 Long-Range Planning**

On a five-year cycle the long-range planning committee assesses future goals and objectives to ensure continued viability and effectiveness of the Association in fulfilling its mission. Additionally, the committee will:

- a. develop a strategic plan for continued leadership and fiscal integrity;
- b. review annual year-end reports to assess committee and Board effectiveness in meeting goals and objectives and to ensure consistency with the mission of the Association;
- c. make recommendations for changing or expanding services, activities and roles of the Association;
- d. make observations regarding Association trends;
- e. gather relevant data and information from the membership, Board, member state associations and other relevant organizations and associations to identify potential internal or external threats to the Association; and
- f. review and assess the Association’s mission statement for change on a periodic basis.

To ensure continued assessment the governance and strategic planning committee performs an annual review of the long-range plan. The association’s long-range plan (adopted in February 1996 and revised in June 2006) is referenced in Appendix B of this Manual.

#### **6.10 Long-Range Planning**

On a five-year cycle the long-range planning committee assesses future goals and objectives to ensure continued viability and effectiveness of the Association in fulfilling its mission. Additionally, the committee will:

- a. develop a strategic plan for continued leadership and fiscal integrity;
- b. review annual year-end reports to assess committee and Board effectiveness in meeting goals and objectives and to ensure consistency with the mission of the Association;
- c. make recommendations for changing or expanding services, activities and roles of the Association;
- d. make observations regarding Association trends;
- e. gather relevant data and information from the membership, Board, member state associations and other relevant organizations and associations to identify potential internal or external threats to the Association; and
- f. review and assess the Association's mission statement for change on a periodic basis.

To ensure continued assessment the governance and strategic planning committee performs an annual review of the long-range plan. The association's long-range plan was adopted in February 1996, revised in June 2006, revised again in June 2011.

***Action Item: Past President, Jeff Dennis, made a motion to accept the proposed changes to Section 6.0 of the Policies and Procedures manual. The motion was seconded by Jeff Jerkin. The motion passed unanimously.***

SASFAA Governance and Strategic Planning committee review the goals and objectives spreadsheet for each officer, committee chair and input from the state presidents. State Presidents information primarily benefits incoming State Presidents. The committee view the long range planning document and policies and procedures to prepare the GAP report. The GAP report should be read because it is used for SASFAA operations.

A recommendation was made to change the format of board reports because to eliminate duplicate responses. The GAP process will be documented by Brad Barnett and Zita Barree. Additional information may be added to the GAP spreadsheet to reduce the reports. Policies and procedures should not be included in the GAP spreadsheet. SC State President, Ken Cole, will assist with enhancing the GAP spreadsheet. Board members should only include in board reports items with activities instead of reporting all items. Sandy Neel will chair the long range planning committee.

***Action Item: Jeff Dennis made a motion to approve the GAP Report. The motion passed unanimously.***

A \$2,000 check was given to the Past-President to support a needy student. The Past-President served on the SASFAA board for six (6) years.

### **Vice-President – Tabatha McAllister:**

SASFAA New Aid Officers' Workshop (NAOW) begins on Friday, June 13, 2014. The Vice President regrets that the leadership conference and management institute were not provided. There was a pre-conference held before the annual conference. There are 110 participants budgeted for the NAOW, currently there are 98 registrants. Forty of the participants have less than one year experience. Faculty representatives are prepared for the workshop, one instructor experienced a personal tragedy but will be able to participate. The Vice President shared putting the information out to the membership for instructors was extremely helpful. An additional business partner has been recommended, Ray Jones. David Bartnicki will serve as the federal trainer for the NAOW, instead of Greg Martin.

***Action Item: Vice President Tabatha McAllister made a motion to add Ray Jones as a committee member. The motion passed unanimously.***

### **Secretary – Sharon Oliver:**

Expressions of thanks were extended to the board members for their support and timely submission of requested documents.

### **Treasurer – Amy Moser:**

Treasurer's report is attached for review.

### **Communications and Outreach – Vickie Adams:**

The Communications and Outreach Chairperson indicated that she enjoyed serving as the chair of this committee and she worked diligently to release the SASFAA Nine News articles.

#### **Conference – Amy Berrier:**

Chairperson Berrier reported the conference budget was \$149,000, the amount expended as of June 3, 2014 was under \$130,000. There will be a few additional conference expenses. There were 528 registrations, 19 pre-con, 12 day registrations at \$150 each for \$1,800, \$125,000 registration income. A grant for \$3,720 was received from the hotel for spending a specific amount of money, \$7,500 was applied to room charges for officers and committee chair budgets, A/V charges were \$12,136.05, food and beverage \$90,628.96, total hotel bill was \$110,258.48. Based on the evaluations, SASFAA got talent was great.

#### **Electronic Services – Angela Black:**

Chairperson Black worked on sponsorship, banners, and new aid workshop. There were minor issues with Wild Apricot which caused delays with emails. A server issue for Wild Apricot caused emails to be sent twice, no action was needed to address duplicate emails. The site map is the last major website change needed. The goal is to complete the site by June 30<sup>th</sup> which includes moving the P & P and other pertinent items in a location where members can easily find documents. The main items have been moved. There are documents in two places. The operational calendar for electronic services will be presented to the executive board. Several changes will be needed to address the leadership change and set up membership for 2014-15. The website will be upgraded on June 28, 2014. Electronic services supports website updates, new aid conference, elections, membership, treasurer, etc. Jeff Dennis solicited feedback regarding Election Buddy. Chairperson Black indicated she will designate a committee member to work specifically with the election. The biggest challenge for the election process is that ballots are emailed, which resulted in three members ballots sent to junk mail. Election Buddy was easy and legitimate, members could only vote once. Katie Harrison indicated that this is the best option when you are unable to incorporate it in your website.

#### **Global Issues – Michael O’Grady:**

The diversity committee began in Virginia through an initiative led by Helga Greenfield. Although the committee name has changed, the issues are not always ethnic, other issues include mental, LGBT, and veterans. Blogs, newspaper articles, and speakers must consider diversity when disseminating information. Chairperson O’Grady suggested that SASFAA should create a veterans task force for retired financial aid professionals called FAME (Financial Aid Mentors Emeritus).

#### **Legislative Relations – Philip Hawkins:**

During the Hill visits held two weeks after the annual conference in February, close to fifty (50) congressional and senate representatives were visited. Marian Dill was extended an invitation to the Hill to discuss the reauthorization of higher education. Chairperson Hawkins recommended that SASFAA fund one representative from each state to attend the Hill visits. NASFAA has a pipeline program and the expenses are covered by NASFAA.

The Board was excused for a break at 10:26 a.m. and will reconvene at 10:45 a.m.

The Board reconvened at 10:49 a.m.

The meeting reconvened with introductions of outgoing and incoming board members.

#### **Membership – Marian Dill:**

During the hearing held in Washington, DC, TASFAA and SASFAA were very supportive with responding. Assistance was provided by Ken Cole, Sarah Dowd and Amy Berrier for the membership survey. Retirees wish to pay membership dues. The only memberships available are active and honorary. It was suggested that a comprehensive review be conducted to consider an additional membership category for retirees and financial aid professionals outside of the SASFAA region. Consideration should be given to the impact on all areas such as Electronic Services and the Treasurer. Does not seem as it is a redefinition simply add active or retired out of financial aid (ken Cole). Retirees are able to sign up for the SASFAA Nine News, which does not require active membership. However, retirees will not receive listserv notices. It was recommended that the Membership Committee submit the membership change for approval as a change to the bylaws. The results of the membership survey indicated that members do not want the cost to increase.

#### **Site Selection – Tracy Misner:**

Expressed her appreciate to President Barree, Secretary and Treasurer.

#### **Sponsorship – Janet Nowicki:**

Chairperson Nowicki indicated the sponsorship goal was achieved, although the process began late. Due to inclement weather, a lot of the sponsors were waiting for their items to arrive. The drayage company was located in Orlando, Florida. A recommendation was made by Chairperson Nowicki to select a local drayage company, if possible. Vendors were very happy. The location of the exhibit hall was great.

The feedback received from vendors was they loved the exhibit hall location, however, they were upset with the flow of traffic. Vendors who paid for priority had very low numbers visit the booths, the traffic was very low. Breaks were near the priority area with very low traffic. The booth decorating contest was an incentive to increase participation, unsure what else to do to get the traffic to be heavier. The people who are younger with five years or less experience in the professional are electronically savvy who likely communicate through text messages. Ellucian had a large volume of participants in their exhibit hall. It is possible the traffic is low because the

attendees may be middle or lower level professionals who are unable to make decisions or new professionals who are not connected. Also, vendors may be avoided because the services offered schools may not be able to afford. Low traffic in the exhibit hall was a problem at some of the state conferences and others did not have an issue. Florida host Vendor Bingo and gift baskets in the vendor area, hosting events around the vendor area is helpful. Chairperson Nowicki stated that if this is a trend, we are going to lose more vendors especially the new sponsorship representatives. It will be hard to get new sponsors to repeat without participation. In Memphis, TN, we may bring in SWASFAA vendors, which is not an issue for vendors they come from anywhere.

Chairperson Nowicki recommended changes to the policies and procedures manual for section 6.16. She suggested using sponsor for all areas and removing vendor and exhibit. In addition, the electronic method that is used today instead of mailing documents should be changed, added breaks in the break area and deleted repeated lines.

The categories should be changed from three to two, priority and standard. There is no incentive to go beyond Package B because other scheduled professional activities are not worth an additional \$1,000. Chairperson Nowicki recommended tweaking Package A by adding other items such as the management institute or mid-levels.

Sponsorship volunteers will be asked for ideas for sponsors and participation. Chairperson Nowicki does not wish to make any decisions on changing the package amounts until July. She would like to get input from the volunteers who are resource partners. Adding additional items to package A may increase revenue, example added additional displays in the ballroom or exhibit area. Advertisement in the new aid notebook must be included.

### **Unfinished Business:**

Unfinished Business:

### **Proposals to Consider for the Federal 990 preparation**

A discussion was held about companies for the federal 990 tax preparation. Terri Parchment indicated that Clifton proposal bid is \$800 to \$900 to prepare SASFAA's 990. Keeter's bid was from \$1,200 to \$1,500, very informative bid process. Blankenship bid, Mike Dunn was \$3,500. Zita received information for Mike Dunn who is currently the preparer of the 990. He said he was spending lots of detailed time that several SASFAA Board Members did not think was potentially necessary. This should be postponed to get some input from people before making this decision. Several board members spoke up about their experiences with Mike Dunn. Others also said they are comfortable with making a decision to remain with Mike Dunn's company, the quote received from Blankenship.

*Action Item: Jeff Dennis made a motion that SASFAA continue the relationship/partnership with the Blankenship CPA Group. Runan Pendergrast seconded the motion. The motion passed unanimously.*

### **State Presidents' group project**

Wayne Kruger stated the State Presidents' group project is not complete. The current Presidents will pass along the document to the incoming State Presidents to continue.

### **SASFAA Hospitality at 2014 NASFAA Conference**

There will be limited suite space available at the Omni hosted by TASFAA and SASFAA. There will also be hospitality at the Music City Center. That property will not let anything be brought in from the outside. Since we are unable to bring in items from the outside, it would be fairly costly for us to provide anything to each conference attendee. President Barree wanted to make sure that the rest of the Board agreed that we should use the space in the Music City Center for space for people to relax.

**New Business:**

**P & P items to review**

There are a few P & P Changes that President Barree will pass along to President-Elect Basford for clean-up.

**SASFAA Credit Card Limits**

***Action Item: President-Election Basford made a motion that the credit card limit be increased to \$5,000. Wayne Kruger seconded the motion. Discussion took place around the motion. Motion carried unanimously.***

Summary of Activities

GAP 10.1 (11-12): Create SASFAA Kits on committee structure, programs, services, activities etc. Ensure members know how to volunteer and use every volunteer on a committee or project.

Activity: No activity for this time period – see reference to SASFAA Kits in GAP 10.1 (12-13) below.

GAP 18 (11-12): Every effort should be given to invite and plan interactions and discussions with higher education associations such as SACUBO, SACRAO and COHEO.

Activity: No activity for this time period

GAP 2.1 (12-13): The President and President-Elect should determine when a review of the elected officers of the Board should be done and document in what year the Board composition and term limits were reviewed. This should be accomplished during 13-14.

Activity: The President-Elect and I discussed the composition of the Board and agreed that consideration should be made to changing the term of the Vice President from one year to two years to allow for more planning time and continuity.

GAP 3.1 (12-13): The President must take the Long Range Plan, Policy and Procedures and the Governance and Planning Committee's recommendations in establishing the goals and objectives for the year while adding personal goals that are approved by the Board of Directors. The goals should be given to each Board member immediately following the Transition Meeting to list the activities planned to meet their established goals and objectives

Activity: No activity for this time period.

GAP 4.2 (11-12): The President needs to provide the GAP committee with a comprehensive listing of all SASFAA Board and Committee members with demographic information that includes sector type, ethnicity, gender and years of experience. It is the responsibilities of the committee chairs to have each of the committee members complete this document.

Activity: A final version of the Board and Committee members' spreadsheet was provided to the GAP committee chair (Past President) prior to their meeting in mid-May.

GAP 5.1 (12-13): SASFAA should submit projects for NASFAA award consideration at least every two years. 12-13 is the second year in the cycle.

Activity: No activity for this time period.

GAP 7.2 (12-13): The President should include a Major Section/Subsection Goal on the Goals Spreadsheet for each Board member to review their section of the P & P and report if any changes are needed.

Activity: I did a thorough review of the P & P Manual and have asked several individuals to bring proposed changes to the June Board meeting.

GAP 10.1 (12-13): Consider removing the second sentence in Objective 10.6 that refers to the creation of the "SASFAA Kits" when developing the next Long Range Plan.

Activity: No activity for this time period

LRP 3.1: Assess the purpose and need for each committee when making committee chair/liaison appointments.

Activity: No activity for this time period.

LRP 3.3: Consider whether all committee chairs should be in attendance at all Board of Directors meetings, keeping in mind the need to develop future leadership for the Association yet maintaining the ability to conduct business at reasonable cost.

Activity: All committee chairs were invited to all Board meetings during the 2013-14 year.

**President Report (Cont.)**  
**Zita Barree**

LRP 3.4: Select an appropriate mix of returning and new committee chairs to ensure that continuity of Association business and the development of future leadership.

Activity: No activity for this time period.

LRP 3.5: Ensure that committee chair appointments, to the extent possible, reflect inclusiveness.

Activity: No activity for this time period.

LRP 5.1: Identify and finance, when financially feasible, one individual annually, other than the President-Elect or Treasurer, to attend the NASFAA Leadership Conference if never attended previously.

Activity: No funds were available when the current year budget was built.

LRP 5.2: Finance, when financially feasible and when needed, the SASFAA portion of the NASFAA inter-regional visitation program.

Activity: NASFAA announced that due to transition plan to smaller Board size, this year there will be no inter-regional visits.

LRP 5.3: Provide recognition of state and regional leaders.

Activity: No activity for this time period.

LRP 5.4: Establish a SASFAA leadership workshop, held biannually for developing state member officers and leaders which may be held at a state conference or the SASFAA annual conference. Efforts should be undertaken to track the effectiveness of the leadership workshop in leading to individuals holding leadership positions within the Association or its member-state associations.

Activity: This did not occur.

LRP 7.2: Require that officers and committee chairs review and update policies and procedures under their purview.

Activity: See response to GAP 7.2 (12-13) at beginning of report.

LRP 9.2: Serve as a link with and between various sectors of the Association, and as a link between the state associations and the National Association of Student Financial Aid Administrators.

2014 Travel Log article in SASFAA Nine News (4/21/14)

March 2014 NASFAA Board Meeting

Final thoughts:

It has been a wonderful year in SASFAA and I have felt very blessed to be able to serve as President. I want to thank everyone for all of their hard work and dedication. My year-end SASFAA Annual Report will be posted to the SASFAA website prior to July 1 and will contain a summary of all the accomplishments this year, as well as my gratitude towards all of the volunteers who made the year so successful. SASFAA is in great hands next year with Nathan Basford serving as your President and I will do whatever I can to support him and the Board.

“Cultivate the habit of being grateful for every good thing that comes to you, and to give thanks continuously. And because all things have contributed to your advancement, you should include all things in your gratitude.” —  
Ralph Waldo Emerson

**President-Elect Report**  
**Nathan Basford**

**Summary of Activities**

GAP 3: The President-Elect should be involved in the GAP Committee conversations and meetings prior to taking the office of President. This will help in developing the goals and objectives for the year and in assessing the Board's attainment of the Long Range Plan.

Activity: Attended the GAP committee meeting in Central SC. May 14-16<sup>th</sup>. Immediate Past-president Jeff Dennis, Past-President Brad Barnett, Past-president Sandy Neel, and Carolyn Sparks were present. Sylvia Jones was unable to be at the meeting but provided her input via email. The meeting was very productive and we will hear update from Jeff Dennis.

PP 5.3a: Serves as parliamentarian to the Board.

Activity: Continue to serve as parliamentarian at board meetings.

Recommendation: Immediate Past-President serves as Parliamentarian. The person has had the previous two years to serve and on the board and see how meetings are conducted. (This would require a By-laws change) This will be task for 2014-15 executive board to review and move forward on.

PP 5.3e: Conducts an orientation session at the annual conference for state presidents-elect.

Activity: Event was a success. All nine in-coming state presidents were able to attend. Thanks to all for participating in this event.

We had a guest speaker Merle L. Isgett, from Enterprise Recovery Systems (ERS) who spoke on the importance of commitment, dedication, and team work. The current state president's presented on Words of Wisdom (great presentation by all) Sandy Neel provided information and the importance of Long Range Planning, Terri Parchment provided a session on the association finances & budget and Tabatha McAllister provided a recap on parliamentary procedures.

PP 5.3g: Begins initial planning for the next annual conference and for the promotion of the event.

Activity: Have been in communication with Ms. Chris Tolson, Campbellsville University, KY, who is our SASFAA Conference Chair for 2014-2015. She and I are working on selecting committee members for 2014-2015.

PP 5.3h: Committees should be of sufficient size and number and represent the diversity of the membership to accomplish the goals of the Association and to develop future leadership while being fiscally responsible.

Activity: Continue to encourage diversity; encourage future leadership by offering sessions at the annual conference as well as reach out to each state in the SASFAA region. I will ensure that the executive board and committee chairs reach out to encourage diversity and inclusiveness.

PP 5.3i: Fiscal integrity will be ensured.

Activity: During travels this year I continued to be fiscally responsible, thus driving to some locations which was cost effective compared to flying out of Tallahassee, FL.

ZB#1: Update and publish the SASFAA Operational Calendar

Activity: Sent out the draft of the operational calendar to all executive board members to review and add comments, suggestions, and changes. Was hoping to have ready to present by the annual conference; however with so many folks being busy this year with office obligations I have only received four recommendations.

This task has not been completed; however President Barree and I will work during the coming months to have this completed hopefully by the first executive board meeting in July.

**President-Elect Report (Cont.)**

Closing Thoughts:

Thanks to all of you for your commitment this year. Your dedication and support is very much appreciated. I appreciate the opportunity that I have been given to work with each of you. Together we have made a difference!

As the year ends sometimes we may feel that we have not done all that has been expected of us; but when we stop and think we really have been successful. We have:

**6.10 Long-Range Planning**

On a five-year cycle the long-range planning committee assesses future goals and objectives to ensure continued viability and effectiveness of the Association in fulfilling its mission. Additionally, the committee will:

- a. develop a strategic plan for continued leadership and fiscal integrity;
- b. review annual year-end reports to assess committee and Board effectiveness in meeting goals and objectives and to ensure consistency with the mission of the Association;
- c. make recommendations for changing or expanding services, activities and roles of the Association;
- d. make observations regarding Association trends;
- e. gather relevant data and information from the membership, Board, member state associations and other relevant organizations and associations to identify potential internal or external threats to the Association; and
- f. review and assess the Association's mission statement for change on a periodic basis.

To ensure continued assessment the governance and strategic planning committee performs an annual review of the long-range plan. The association's long-range plan (adopted in February 1996 and revised in June 2006) is referenced in Appendix B of this Manual.

**Appendix B**

**The following documents are maintained by the SASFAA Secretary and can be found on the SASFAA website at**

**Summary of Goals for 2013-2014**

GAP 26 (11-12) Continue to use an outside account firm

Activity: An outside firm was used to file the 990 form with the IRS. This is complete.

GAP 30 (11-12) A committee should be appointed to determine if it is possible to synch banking records and QuickBooks to avoid duplicate data entries.

Activity: The product at BB&T does not prefill the details of the deposits or check transactions that are required by SASFAA. The Treasurer keys in every person covered by one check. If an institution sends one check for 7 staff to attend a conference, there are 7 line items for that one check. The same applies to membership, New Aid Officers, or any other training event. It would be more steps for the Treasurer to use the synching function.

GAP 31 (11-12) & LRP 4.1.5 Efforts should be made to ensure that reserves total 100% of the one year operating budget and contractual obligations should always be less than the total reserves.

Activity: As of December 31, 2012 SASFAA's assets totaled \$831,523.12. The 2013-2014 budget is: \$380,125 and the total contractual obligation is currently at \$154,843.00.

GAP 32 (11-12) Stress to the entire board the responsibility and importance of working within an established budget.

Activity: During the August board meeting, the Budget and Finance Chair reminded all board members of their fiduciary responsibilities and encourage everyone to stay within their respective budgets as well as to submit the necessary documentation in a timely manner.

LRP 1.3.1, 1.3.2, 1.3.3 & 1.3.4 Committees should be of sufficient size and number and represent the diversity of the membership to accomplish the goals of the Association and to develop future leaders while being fiscally responsible.

Activity: The committee members consist of new and returning members, former treasurers and presidents as well as representing various states.

Terri Parchment – TSAC (TN) Chairperson  
Jennifer Priest – Transylvania University (KY)  
Bill Spiers – Tallahassee Community College (FL)  
Sonja McMullen – Sallie Mae (TN)

LRP 4.1.3 & PP 6.3-c Fiscal integrity will be ensured. Review the SASFAA Guide to Financial Management annually to ensure the continuity of sound financial practices.

Activity: There were no changes to be presented to the board.

PP 6.3 (f) Fiscal integrity will be ensured. The B&F Chair will recommend budget adjustments as appropriate to stay within the budget guidelines

**Budget and Finance (Cont.)**  
**Terri Parchment**

PP6.3 (i) The future financial stability of the Association is provided through careful and regular planning and evaluation. The B&F Chair will work with the treasurer to ensure that all financial reports including tax returns are filed by the established deadline.

Activity: Treasurer submitted all of the necessary reports to Mike Dunn – SASFAA’s accountant. He prepared the report and it was submitted to the President for signature and was filed by the established deadline.

(No Report for June)

**Conference Report**  
**Amy Berrier**

**Summary of Activities:**

**GAP 4.2 (11-12):** The President needs to provide the GAP committee with a comprehensive listing of all SASFAA Board and Committee members with demographic information that includes sector type, ethnicity, gender and years of experience. It is the responsibilities of the committee chairs to have each of the committee members complete this document.

**Activity:** I worked directly with the President to select committee members from each state while being aware of sector type, ethnicity, gender, and years of experience. I also worked with the President to select the Local Arrangements Chair. The conference committee members were approved by the Board in August 2013.

**GAP 12.1 (11-12):** Priority should be given to determine the training and professional development needs of members, recognizing categorical distinctions among members such as experience, institutional type, constituencies served and level of responsibility. Specific questions should be considered on all events survey/evaluations as well as a listserv solicitation for training needs.

**Activity:** All session requests by the membership have been met. The conference committee made sure that all sectors and individuals had something to attend each time slot.

**GAP 12.2 (11-12):** There needs to be survey instrument coordination with current conference chair and future conference chair in order to gather current conference evaluations, membership and professional development surveys, and consideration of current issues and educational trends and the perceived need of members. It is crucial evaluations are distributed timely after each conference and training/workshop event.

**Activity:** The committee selected Survey Monkey as its evaluation tool. These results have already been made available to the Board.

**GAP 12.3 (11-12):** It has been proven under past conference leadership onsite meetings should be limited to maximum of one two night meeting with the location being at the conference hotel. All other business should take place via conference calls and emails. Each conference chair should pay close attention to budget cutting activity. It should not be assumed the entire conference committee needs to arrive Friday afternoon. Well-planned conferences should only need to bring in the committee members as their onsite tasks are needed to minimize cost to the organization.

**Activity:** Only one in person meeting was needed. All other business has been taken care of by email, conference calls, and WebEx sessions courtesy of Nelnet.

**GAP 12.4 (11-12):** Priority should continue to be placed on providing sessions/training understanding the legislative process and ways to gain confidence when communicating with legislative officials. Efforts should continue to include topics on public policy and operations as well as competencies in management and human relations

**Activity:** The agenda contained two sessions being offered by the Legislative Relations Committee.

**GAP 12.6 (11-12):** The conference committee should consider adding an event or time free from sessions to encourage networking.

**Activity:** The Conference Committee has included time on Monday and Tuesday nights for members to be able to network. On Monday night we are having our Bingo/New Member & First Time Attendee Meet 'n' Greet. We ask that all board members participate to make everyone feel welcome. On Tuesday night after the banquet we are having SASFAA's Got Talent and a DJ. We hope that everyone will participate and we are working with the entertainment committee to make everyone feel included.

**GAP 12.7 (11-12):** It is highly recommended that the membership is solicited at a minimum to gather conference topics and sessions

**Activity:** Task already completed.

**GAP 12.8 (11-12):** It is recommended that SASFAA solicit additional revenue by offering pre-conference opportunities for the exhibitors/sponsors using rooms reserved for SASFAA and SASFAA charging the exhibitor/sponsor to use the room

**Conference Report (Cont.)**  
**Amy Berrier**

**Activity:** As of right now, there is not any additional space available already blocked by SASFAA. If any opportunities become available, I will work directly with the Vendor/Sponsor Chair on options for exhibitors/sponsors. Update – there have been no requests made by vendors.

**GAP 12.9 (11-12):** Review prior year training to identify level and/or sectors for which training should be offered and not assuming certain pre-conference workshops be offered annually.

**Activity:** There was a pre-conference New Aid Officers Workshop offered at the conference.

**GAP 7.2 (12-13):** The President should include a Major Section/Subsection Goal on the Goals Spreadsheet for each Board member to review their section of the P & P and report if any changes are needed.

**Activity:** I do not see any needed changes at this time.

**GAP 12.11 (12-13):** The conference committee should promote the "job board" available during the conference, and in the pre-conference materials let the membership know it will be available for conference attendees to post jobs free of charge at the event.

**Activity:** The conference committee will add this to our list of things to take care of at the conference. Several members missed the job board during 2012-2013.

**LRP 4.1:** Appoint committee members, to the extent possible, to reflect a practice of inclusiveness.

Given the name change for the committee that was approved by the board this past year, re-assess information contained within the P & P and make recommendations for any changes.

ZB #8 Will visit the use of "Global" in the committee's name. Persistence, access, inclusiveness, multicultural, retention, and non-traditional are seemly more reflective of the diversity nomenclature and fitting to the stated goals and objectives of the committee.

5/14/14 Informal feedback at SASFA on lack of clarity in the "Global Issues" naming convention.

**Summary of Activities**

GAP 6.2 (11-12) Review the most recent membership survey and incorporate any ideas that come forward about membership.

Activity: The most recent survey was conducted in 2009-2010. Ron Day provided the survey and results. This was used as a basis for the 2013-2014 survey. Also at the request of President Barree, Sarah Dowd provided questions about technology preferences which were included.

GAP 6.1 (11-12) and 6.4 (12-13) the membership of the Association should represent the composition of financial aid professionals in the region.

Activity: A survey was conducted to prepare for the Long Range Plan work which will begin during the 2014-2015 year. Kenneth Cole assisted in the dissemination of the survey using the same technology as the conference committee -- Survey Monkey. The survey was open from April 24 – May 9. Emails were sent to active members on April 24, May 1 and May 8 to encourage everyone to respond. There were 337 respondents. The results of the survey were provided to President Barree, President-Elect Basford and President-Elect-Elect Berrier.

GAP 7.2 (12-13) Policies and procedures are accurate and complete in order to provide consistent Associational direction.

Activity: The committee met for a lunch meeting during the annual conference. The committee reviewed the membership categories. Currently the Bylaws (Article IV) and the P&P (4.4) list two classes of membership, active and honorary. The current wording does not clearly allow retirees to participate in association. Some retirees are willing to pay the membership fee in order to continue to receive email updates. They want to stay informed about their SASFAA friends. The committee believes the P&P should be updated to allow their participation.

**The committee makes the following recommendation:**

The P&P 4.4 Membership section should have the following paragraph added as indicated below.

c. Honorary retiree membership – shall be granted to individuals who retire and have been a SASFAA member for at least 10 years. These individuals must pay the annual membership fee and will not have voting privileges. To request *honorary retiree membership* the individual would contact the membership chair and/or submit a membership application. The membership chair in consultation with the president will grant the *honorary retiree membership*. Other retirees with less than 10 years of service can be granted *honorary retiree membership* by a majority vote of the Board.

**Current P&P 4.4b Membership**

b. Honorary membership shall be presented to persons who have performed outstanding service in the field of support and/or administration of student financial aid and who are voted honorary membership by the Board.

Honorary membership cannot be bestowed on anyone who is a practicing financial aid administrator. The Board shall decide if a person's primary responsibility is the administration of financial aid.

All SASFAA past presidents and Distinguished Service recipients who are no longer directly involved in the administration of financial aid shall be automatically granted honorary membership. Unless otherwise eligible, individuals nominated for honorary membership must be approved by a majority vote of the Board.

**{Proposed addition would be added here.}**

LRP 6.1, 6.4, 10.5 & PP 6.0b-d & 6.11 (3 & 8) Disseminate quality information to enhance communications among members in a timely manner.

Activity: A SASFAA Nine article was submitted to Vickie Adams on April 6, 2014 regarding the testimony of Marian Dill at the Senate HELP Committee hearing on student loan reform.

**Membership Committee (Cont.)**  
**Marian Dill**

**LRP 6.7 Provide mentoring opportunities for new members**

Activity: A subcommittee consisting of three membership committee members (Janee Knippenberg, Dana Kelly and Amber Beason) took oversight this project. Additional mentees were added around the time of the conference. Amber Beason coordinated with the new mentees and assigned mentors. To date 126 individuals requested a mentor.

With the assistance of Angie Black, an additional question has been added to the membership application. Individuals will be able to indicate they are interested in being a mentee as well as being a mentor. This should assist the 2014-2015 membership chair in making earlier assignments.

**PP 6.0g. 6.11 (1, 4, 5 and 7) Maintain the records of the Association**

Activity: The membership records of the association are maintained online in Wild Apricot

PP 6.0d Submit by April 1 an end-of-the-year (GAP) report to assess the committee's effectiveness in reaching its goals/objectives and make recommendations for future activities.

Activity: This report was submitted by April 1.

**PP 6.0e Fiscal integrity will be ensured.**

Activity: Due to an insufficient amount of hotel "comped" rooms, the room expense for the membership chair during the conference was charge to the membership line item – as directed by the procedure manual. This unexpected expense was immediately reported to Terri Parchment, Budget and Finance Chair.

**PP6.11(4) Assist the treasurer with on-site registration at the annual conference.**

Activity: Various committee members worked the registration area to assist as needed. It was delightful working with Amy Moser.

**PP 6.11 (5) Provide a list of conference registrants to conference sponsors upon request...**

Activity: No sponsors requested a list of members or registrants. However, an individual from a company who did not sponsor the conference requested an electronic copy of the membership. The company had an active member, but the individual making the request was not an active member. In collaboration with the Sponsorship chair, the request was denied.

**PP 6.11(7) Download the membership list to a personal computer on a periodic basis (twice a year at a minimum) and maintain the most recent copy until the next download occurs.**

Activity: The Wild Apricot database was downloaded on January 27, 2014 and will be downloaded again by June 30, 2014.

**PP 6.16-c:** Prepare and mail solicitations of sponsorship opportunities to potential sponsors.

Activity: Sponsorship opportunities was communicated to all potential sponsors in November 2013 once the transition was made from the outgoing Chair to the new incoming Chair who assumed the responsibilities in November due to the previous Chair accepting a position outside of financial aid.

**PP 6.16(d):** Serve as the liaison to the conference committee for sponsorship needs and effective use of exhibitor spaces.

Activity: The space for the exhibitors was identified and the floor plan was finalized after review and approval by conference chair. All aspects of the exhibit area and sponsorship needs were discussed with the President and Conference Chair.

**PP 6.16-e:** Recognize publicly the contributions of all sponsors.

Activity: See PP 6.16(3). Executed as stated

**Sponsorship Report (Cont.)**  
**Janet Nowicki**

**PP 6.16(f):** Review and recommend, with assistance from the budget and finance chair, the standard advertising rates as well as any discounts offered to sponsors.

Activity: Executed as stated.

**PP 6.16(h):** Contract with a drayage company and design an exhibitor floor plan for the conference.

Activity: Bids from potential drayage companies via RFP process were accepted and reviewed. Gilbert Exposition Management Services (GEMS) of Orlando, Florida was selected to provide drayage services and a revised contract was executed by President Barree. The floor plan was created and revisions made according to the number of vendors. There were 32 Standard Training Sponsors and 5 Priority Training Sponsors. Several of the sponsors paid for double booths and/priority placement.

**PP 6.16(i):** Electronically mail special instructions regarding exhibit space and storage of materials to exhibitors in advance of the conference.

Activity: GEMS provided SASFAA with a Service Manual which was distributed to all sponsors.

**PP 6.16(j):** Coordinate all vendor and sponsor activities and benefits.

Activity: Executed as stated.

**ZB #7:** Work to resolve any remaining issues with Wild Apricot and the Sponsorship process, particularly as it relates to the conference registration process.

Activity: Worked with the Electronic Services Chair to prevent any future issues with the Sponsorship process through the SASFAA website as well as with the Treasurer to review comp registrations and payments due. Constantly requested sponsors to register for the conference with an explanation of the comp process the Treasurer and chair utilized to zero out their charges. Sent emails at least twice a week until all designated comps were registered.

### **Discussion**

Recommend that whenever possible, use a local Drayage Service. The added costs of utilizing a company that was located 2-3 hours from the conference location made it difficult and cost prohibitive when faced with the impact of the weather on incoming booth supplies for the sponsors and SASFAA.

Continue to coordinate with the hotel AV services to distribute to all sponsors the necessary forms for their AV and Electrical needs. Making sure that the costs by utilizing those same services from the Drayage company is also listed.

The space for the exhibitors needs to be identified ASAP and prospective floor plans included as part of the RFP process.

The Entrance Unit request needs to be included in the RFP with samples from prior year. The same needs to be included for the Registration Booth(s). Along with requests on cost estimates for design, creation and set-up.

SASFAA website was updated with sponsorship and exhibitor information for the 2014 Annual Conference.

Solicitation for sponsorship and advertising yielded 37 sponsors. Five of the 35 were first time vendors for SASFAA.

Solicitation for sponsorship should be initiated as soon as possible. This recommendation is being made due to the response from the informal survey conducted with the 2013-2014 sponsors. Waiting until November was too late for many sponsors who opted out.

Recommendation from sponsors was to ensure that all breaks and if possible all continental breakfasts be held in the vendor area. This would ensure more visibility for them.

Recommend creating some other activity to ensure attendees interact with sponsors. Booth decoration idea was okay, but not great in the numbers who participated.

## 6.16 Sponsorship

A potential sponsor or exhibitor is a company or organization whose activities either supports or is closely related to those of the financial aid community. A sponsor provides resources to be used by SASFAA in accordance with the purposes of the Association. - a. develop materials and brochures for a list of potential contributors sponsors including contact names, email addresses and phone numbers;

**SASFAA Drayage RFP 2015**

**To Whom It May Concern:**

The Southern Association of Student Financial Aid Administrators (SASFAA) is a non-profit organization comprised of over 1,300 financial aid professional members working at colleges and universities within nine southern states – [Alabama](#), [Florida](#), [Georgia](#), [Kentucky](#), [Mississippi](#), [North Carolina](#), [South Carolina](#), [Tennessee](#), and [Virginia](#). As part of our function, we hold training opportunities each year for our membership. One of those opportunities is an Annual Conference which was most recently held in Jacksonville, FL at the Hyatt Regency Jacksonville Riverfront. SASFAA will hold its next Annual Conference in Memphis, TN at The Peabody Memphis on February 21-24, 2015. The hotel is located at 149 Union Ave, Memphis, TN 38103.

This is a request for your organization to provide a proposal for drayage services at this conference and for its exhibitors. Your proposal should include: services available, pricing of each, your experience in providing such services, and five (5) references including contact information for organizations similar to ours for whom you have provided similar services within the last two years. If you have provided similar service for SASFAA in the past, please indicate in what year(s) you did so.

We are expecting 35-40 exhibitors to participate. Booth sizes in the past have been 8' X 8', 8' X 10' or 10' X 10' depending on the facility with some exhibitors requiring two booths. We are currently slated to be in Grand Ballroom sections D/E/F which will include making use of the walkway area usually available between those sections and sections A/B/C for approximately 5700 sq.ft. The floor plan is available on their website: [www.peabodymemphis.com](http://www.peabodymemphis.com). It will take a creative layout for it to work for that many exhibitors. Should you need additional information about the hotel property and our space in their conference area, please contact Ms. Debbie Butterick. You may reach her via email: [debbie.butterick@peabodymemphis.com](mailto:debbie.butterick@peabodymemphis.com), or phone: (901) 529-3677.

Attached is a spreadsheet which we request you utilize in submitting your proposal to me in an electronic format via e-mail to [jdnowicki@gtcc.edu](mailto:jdnowicki@gtcc.edu). A hard copy of the proposal, along with any attachments, should be sent to me at the address below. The deadline for submission of your proposal is ***Monday, June 2, 2014*** as we will have our Executive Board meeting the following week in order to discuss viable RFPs. This will also give the Executive Board members an opportunity to review your proposal and develop any questions they may have. This way I can get responses from you and have them available prior to our next Executive Board meeting at the end of July. We hope to reach a final decision at that meeting.

If you have questions or need additional information, please feel free to contact me. We appreciate your willingness to work with SASFAA so please feel to visit our official website at [www.sasfaa.org](http://www.sasfaa.org) for any additional information you may need in regards to our association.

**Summary of Activities**

GASFAA Executive Board members and their committees continue to dedicate many hours to insure that our annual goals are achieved during 2013-2014. Most of our spring activities have involved preparing for our annual Spring conference.

Susan Smith, President-Elect, and her committee have finalized proposals and signed contracts for our conference sites for the 2015 and 2016. The 2015 conference will be held at the Wyndham Peachtree Conference Center in Peachtree City, GA on May 20-22, 2015. The 2016 conference will be held at Marriott Savannah Riverfront in Savannah, GA on May 18-20, 2016. Susan attended the NASFAA's Leadership Conference in March 2014.

Past-President, Philip Hawkins, and his committee presented the following slate of officers and currently elections are underway. Voting will end on Thursday, May 22 during the conference and the results will be announced at the evening's awards banquet. Additionally, his committee will be presenting three (3) awards which include recognition for two members that are retiring this year by granting Honorary GASFAA Membership and one for the GASFAA Achievement Award for Outstanding Service to Students.

President-Elect

Sarah Baumhoff, Kennesaw State University

Vice President for Professional Development

Pat Barton, Clayton State University

Larry Mitcham, Gordon State College

Vice President for Programs

Felicia Ailster, Georgia Perimeter College

Rebecca Ethredge, Southeastern Technical College

Secretary

Kimberly Morris, Southern Crescent Technical College

Marcia Slade, Shorter University

Treasurer-Elect

Marcia McConnell, Berry College

Amber Singletary, Georgia Southern University

Sarah Baumhoff, Vice President of Programs, and her committee have worked furiously this spring to finalize the annual conference details. The conference will be held at the Macon Marriott Conference Center on May 21<sup>st</sup> – 23<sup>rd</sup>. Macon, Georgia is rich in music history making this year's conference theme appropriate... "Music in the Macon: GASFAA On My Mind". In addition to our own Amy Moser providing the SASFAA update due to scheduling conflicts for Zita and Nathan, Sarah has been successful in hosting many other special guests that will enrich the content of conference training. Some of these include:

Tracy Ireland, President of Georgia Student Finance Commission

Dr. Steven M. Sheeley, Vice President, SACSCOC (Keynote Speaker)

Rick Renshaw, US Department of Education, Training Office Dallas, TX

Amanda Sharp, NASFAA

Cyekeia Lee, National Higher Education Liaison for Homeless Youth

Edly Vliet, US Citizenship & Immigration Services, Department of Homeland Security

Yessyka Santana, Special Agent in Charge, US Department of Education, OIG

Bobby Whatley, Edward Jones Financial Services

Ron Day, NASFAA Past-Chair

Pat Barton, Treasurer, and Jody Darby, Treasurer-Elect have proved to be a dynamic duo this year by establishing definitions of duties of these positions with the Treasurer-Elect position being added during 2013-2014. In addition to their collaborative implementation of on-line payment capability with Mitchell Fagler (Communications & Technology Chair), Jody's aggressive work ethic has attributed to other electronic capabilities this year. He has led the project of creating a separate module for vendor/sponsorship registration and payment as well as a mechanism for members and non-members to make donations to GASFAA for scholarship or general funding. Jody attended the NASFAA Leadership Conference in March 2014.

Pennie Strong, Budget & Finance, and fellow committee member, Doug Tanner, have met with GASFAA's Edward Jones representative to review our investment plan. She has scheduled our representative to present strategies to the Board on May 20, 2014 and invitations were sent to the officer candidates to attend to learn more about our investments. Additionally, our rep will be presenting a concurrent session during the conference regarding personal financing. Pennie will be presenting a budgeting and budget amendment proposal at the May meeting with final discussion and consideration being addressed at the final meeting just prior to transitional meeting in July 2014.

**Georgia Board Report (Cont.)**  
**Cathy Crawley**

Communications & Technology Chair, Mitchell Fagler, has worked collaboratively and been the liaison with ATAC for implementing our many on-line services this year. In addition to Mitchell's technology expertise, he has proved to be the parliamentary expert on the board this year. Thus, from my directive, he has prepared a special report for consideration regarding committee appointments and the nominations process for board review and consideration that will be presented at the May 20, 2014 meeting with final review during the July 2014 transitional meeting.

Amber Singletary, Diversity & Community Action Chair, and her committee have been successful in revitalizing this committee this year. They have been busy in preparation of our annual conference with initiatives to raise money for the GASFAA Memorial Scholarship fund as well as to support a charity event. A Silent Auction has been scheduled with proceeds going to the scholarship fund. As a charity event, Amber has adopted the Georgia Boys & Girls Club of the Macon area by performing a book drive. Cathy Snook, Vice President of Development for BGC, will be attendance at the opening session and will bring BGC children to give a "musical" performance to members (in keeping with the conference theme). Ms. Snook will return on Friday at the closing session for the book presentation. As an incentive to donate books, Amber has advertised a "Books for Jeans" concept. Members bringing books will receive a ribbon for their name tag which allows them to wear jeans on Thursday at the conference.

Nancy Ferguson, Leadership Development Chair, and her committee have organized an invitation only Leadership Development workshop (through a nomination process) which will be held Wednesday A.M. prior to the conference beginning at noon. Invited members were allowed to submit questions to "proven leaders" regarding anything. Questions were submitted to Ron Day (NASFAA Past-Chair), Brad Barnett (SASFAA Past President), and Commanding Officer Mario Mifsud, United State Navy. These leaders' responses will be integrated into the workshop agenda.

Felicia Ailster, Legislative Affairs Chair, participated in the SASFAA Legislative event in late February 2014.

Truitt Franklin, Vendor/Sponsor Coordinator, has been busy this spring communication with our vendor and sponsors exceeding our projected income as of the end of April 2014. He proposed and the board adopted a new structure of support tiers this year. In preparation for member support to our vendors and sponsors, Truitt has planned the popular Vendor Binjo activity at the conference.

The SCASFAA Annual Conference was held March 30 – April 2 at the Sheraton Hotel and Convention Center in Myrtle Beach, with very special SASFAA guests Zita Barree, Rachel Cavanaugh, and Lianne Masterson joining us as guests and session presenters. The conference committee planned a great variety of sessions, which were well attended by our members. Other highlights of the conference included a fun Presidents Reception with a beachfront view, photo booth shenanigans, and even a balloon twisting stilt walker, and a fun Tuesday evening team trivia activity (who knew financial aid administrators were so competitive?) During the conference, SCASFAA bestowed the Fearless Nine Service Award, the highest award available to our members, to Nancy Garmroth, as well as the Distinguished Service Award, which acknowledges the work of non-members, to Justin Draeger. Other award recipients were Kevin Perry and Ken Bernard. Conference Chair Kevin Perry reported final expenses which were roughly \$6000 under budget.

The Professional Development committee also offered a pre-conference leadership symposium geared toward mid-level financial aid administrators. Although there were less than 15 attendees, each of them had very positive reviews and comments, and the workshop was deemed a success. Because of the low numbers in attendance, SCASFAA will continue to evaluate the continued feasibility of offering a pre-conference workshop.

Leading up to and during the annual conference, SCASFAA elected its officers for the upcoming year. The following SCASFAA members were elected to serve during the 2014-2015 year under the leadership of Kenneth Cole, who begins his year as President on July 1<sup>st</sup>:

President-Elect:	Elizabeth Milam, Clemson University	<a href="mailto:milamm@clemson.edu">milamm@clemson.edu</a>
Vice President:	Carolyn Sparks, Wofford College	<a href="mailto:sparkscb@wofford.edu">sparkscb@wofford.edu</a>
Secretary:	Kevin Delp, Bob Jones University	<a href="mailto:kdelp@bjv.edu">kdelp@bjv.edu</a>
Treasurer-Elect:	Earl Mayo, SC Tuition Grants Commission	<a href="mailto:earl@sctuitiongrants.org">earl@sctuitiongrants.org</a>
Member at Large:	Allison Keck, Greenville Tech College	<a href="mailto:allison.keck@gvltec.edu">allison.keck@gvltec.edu</a>

Melanie Gillespie and Katie Harrison will round out the 2014-2015 Executive Board as Treasurer and Past President, respectively.

The investment portfolio approved by the Executive Board continues to produce positive results, with a net gain of over \$3100 since Fall 2013. The overall 2013-2014 expenses for SCASFAA are on track to be well under our planned budget of \$54,900, which means we will not need to tap into the approved contingency allowance. The status of the 2013-2014 budget will be communicated with all members as soon as possible after the end of the fiscal year. In another positive trend, SCASFAA has a total of 402 members this year, an increase over the past several years.

The Executive Board has reviewed a new five-year Long Range Plan and is scheduled to approve the plan, which will provide guidance for the Association through 2019, prior to our upcoming transitional board meeting. The transitional board meeting is scheduled for June 19<sup>th</sup> and 20<sup>th</sup> at the Embassy Suites Greenville Golf Resort and Conference Center, which is the location of our 2015 conference. Following the transitional board meeting, all financial account access and contact information will be transitioned, and the Electronic Services committee will work to prepare Wild Apricot for the transition to the new year beginning July 1<sup>st</sup>.

I appreciate the opportunity to serve SASFAA this year as a state president on the Executive Board and would like to thank Zita Barree for her leadership and the state presidents group for their continuous support and encouragement.

**Summary of Activities**

The Alabama Association of Student Financial Aid Administrators held its annual conference on April 22-25<sup>th</sup> at the historical Battle house Hotel and Spa in Mobile, Alabama. This was a special treat for the association because the past five years we held our annual meetings Guntersville State Park in Lake Guntersville, Alabama. We had 114 register for the conference, 10 attendees for the one training on Wednesday April 23<sup>rd</sup>, 12 one day registrations on Thursday, April 24<sup>th</sup> for a total of 136 participating in AASFAA's training.

During our conference we received training on the following topics:

A Comprehensive Approach to Financial Literacy	Donna Miller
Banner Financial Aid Update	Jim Bradsher
Clock-To-Credit Hour Conversion	David Bartnicki
Federal Update	David Bartnicki
One Thing 100% of Schools Should Care About: Tending to Your Default Rate	Paul Mittelhammer
R2T4	David Bartnicki
Rock and Roll Leadership	Darron Grussendorf

At our conference we received superb training from Dave Bartnicki, who I am glad to see will still be our "fed". I would like to congratulate our newly elected officers for the 2014-2015 year:

John H. Buchanan, Jr. Distinguished Service Award

We awarded the John Buchanan Jr. Award to Ms. Cheryl Newton who has over 22 years in the profession. This is one of the two highest awards given by the association and is named for former Alabama Congressman Buchanan who served with distinction on the House Education Committee during the 1970s and 1980s. This award is presented to an individual or group who may or may not be a member of the association and who is not generally considered a practicing student financial aid administrator in recognition of outstanding and dedicated service in the area of student financial aid over a sustained period of time. The award is intended to recognize outstanding contributions to higher education and student assistance programs in Alabama..

We also awarded Ms. Vicki Adams the M. Cecil Padgett Award. This is one of the two highest awards given by the association and is named for the distinguished financial aid director at Spring Hill College in Mobile for many years. Mr. Padgett passed away in April, 1999. This award is presented to an individual who is a member of the association and who has provided exemplary service in the area of student financial aid over a sustained period of time. The award is intended to recognize outstanding contributions to higher education and student assistance programs in Alabama.

We have already planned our transition meeting for July 10-11 at Jacksonville State University.

I have been honored to serve AASFAA and SASFAA this year.

Kindest Regards,

Kevin

**Summary of Activities**

My goals for this past year were to review and revise the TASFAA Bylaws and policies relating to the areas of Bylaw amendment procedures, nominations and elections of non-school members, and the location and effectiveness of the Annual TASFAA Conference and fall training events. As of the Association Member Business Meeting at the conference in April, all of these goals were addressed.

The annual conference in Nashville was a great success under the leadership of Karen Hauser. We welcomed some very special guests as we were joined by Craig Munier, NASFAA President and Nathan Basford, SASFAA President Elect. Conference attendees totaled 267, which was the highest number of attendees in over 5 years. Although institutional budget constraints are still prevalent within the State, conference and training event participation continues to rise each year.

The TASFAA Transition meeting was held June 2-3, 2014 in Murfreesboro, TN and I have full confidence that next year's Executive Board, under the leadership of Celena Tulloss, will serve the Association well.

Efforts continue to prepare for the upcoming NASFAA conference in June/July 2014 in Nashville, TN.

Several issues are currently on the table at the national and state levels and I continue to make every effort to represent all Tennessee colleges and universities as these issues unfold. A particular legislative issue at the State level is the recently approved implementation of "free tuition" at all Tennessee community colleges. This legislation was developed to support the Tennessee Governor's initiative to increase the number of college graduates in the State. At issue is the cost associated with the proposed legislation, the award amount level revisions of the Tennessee Education Lottery Scholarship program, and the impact it will have in not only increasing community college attendance, but the projected decrease on student enrollments at both private and public four year institutions. The outcome of this legislation will have a definite impact on higher education within the State of Tennessee, which will be felt for years to come.

I am thankful for the opportunity to have again served on the SASFAA Board and for the many friendships that I have made during this time and am looking forward to actually serving in the role of Past President next year.

Jeff Gerkin  
TASFAA President

KASF AA's 2014 Spring Conference was held April 14 – 16 at the Louisville Marriott Downtown Louisville, KY. The conference theme was *KASF AA Proud - The Heroes Within*. Conference Chair, Mayme Clayton, along with her team provided an outstanding Spring Conference. During the conference a check from SASF AA was presented to the WHAS Cascades for Children. A representative from WHAS Cascades for Children, along with Jonah Boutell, Heather Boutell, Nathan Basford, and many KASF AA members were on hand to for a photo opt with the Cascade. On behave of KASF AA and the citizen of the Commonwealth I would like to thank the SASF AA membership for their generosity. The conference concluded with a final Federal Update from David Bartnicki. David was presented a framed KASF AA logo signed by conference attendees. David has been a friend to KASF AA and will be greatly missed by our membership.

Our final board meeting and transition meeting will be held June 12 and 13 in Bardstown, KY. President-Elect Kristi Hughes is working on plans for the meeting.

**Summary of Activities**

Man has the time flown by. It has been a whirlwind of a year but at least we can all say we made it.

Our Financial Aid 101 workshop was held at beautiful Lake Tiak-O'Khata, on March 25-27. We had wonderful reviews from this year's meeting. We were able to fill every slot we had available. I was able to attend/present this year and from everyone I spoke with it was a well-received training.

The MASFAA 2014 Conference was held in beautiful downtown Natchez, MS, on May 14 – 16. We had a very successful conference. Megan Smith and her conference committee did an outstanding job. We had about 95 registered attendees. This was about the same as last year. While the numbers was disappointing we still had a great slate of speakers. I want to personally thank Zita for coming and doing a couple of sessions.

Nicole Patrick, MS University for Women, was elected President-Elect

Alex Washington, Mississippi State University, was elected Vice President

Steven Taranto, University of Mississippi, was elected Treasurer

Laura Diven-Brown, University of Mississippi, was elected as a Director

Congratulations to each of these fine people.

I look forward to turning over the gavel to Carrie Cooper, she will be an outstanding president for Mississippi.

Thanks and God Bless.
