The evaluation process is a little unique and different. AnswerQwik will be used for evaluating all sessions, general and concurrent sessions. A poll number and password must be entered for each session. The poll number will be different for each session including repeated sessions. The password is sasfaa. On Wednesday, an overall evaluation will be sent to all registrants. Angie Black has done a great job with the conference website. She has also built the New Aid Officer’s website.

**Legislative Relations, Amy Berrier**

Amy reviewed her written report (See Attachment A)

Discussion: Amy indicated that legislative issues change quite frequently. She is going to Capitol Hill on February 21, 2013. A joint Capitol Hill visit will be held with sixty (60) representatives, ten (10) representatives are from SASFAA. There are eighteen (18) congressional representatives on the committee from the SASFAA region. There are eighteen (18) appointments scheduled. Philip has been kept in the loop, as he will serve as the legislative chair on next year. There are two conference calls weekly. There will be a NASFAA Federation call at the end of January. A sequester is scheduled to go in effect on March 1, 2013. Sequester cuts were not considered when tentative campus based allocations were released. Several calls were received from school representatives stating that there was a reduction in their tentative campus based funds. Continuing resolution expires on March 1, 2013. Pell schedules were released in January. Pell is funded for 2013-14. Another key issue, student loan interest rates are set to increase on July 1, 2013. Congress passed the American Taxpayer Relief Act on February 4, 2013. The President signed the debt ceiling bill. Selective service requirements may change. All states are representative except Alabama for the Capitol Hill visit. Sharon Williams confirmed that she did not miss a request for nominating an Alabama representative.

**President, Jeff Dennis**

Jeff reviewed his written report (See Attachment A)

On Sunday evening, Sharon and Nancy will be asked to present minutes and the treasurer’s report. State Presidents who have achieved their state goals will be acknowledged. Dewey will recognize vendors and sponsors during lunch on Monday. A NASFAA board meeting has not been held since our last board meeting. A thank you card was received from the recipient of the SASFAA President Scholarship who attends Bellarmine University.

**President-Elect, Zita Barree**

Zita reviewed her written report (See Attachment A)

Discussion: President-Elect Barree visited Phoeniz, AZ for the Western Association of Student Financial Aid Administrators (WASFAA) meeting. She completed a SASFAA Nine News Article highlighting the visit. The highlight of the visit was placed on WASFAA’s blog and it appeared in NASFAA’s News. Amy Berrier and Christy Jones will be promoting next year’s conference. President-Elect Barree will need to fill the Florida slot on the conference committee. The State President’s Elect workshop will be conducted by President-Elect Barree on tomorrow. It will begin at 10:00 a.m. on Sunday. Several current State Presidents will participate. Lisanne Masterson will conduct a policies and procedure training. Philip Hawkins will serve as the Legislative Relations Chair. Terri Parchment will be the Budget and Finance Chair. In March, President-Elect Barree will attend the NASFAA Leadership Conference.

**Past President, Brad Barnett**

Brad reviewed his written report (See Attachment A)

Discussion: The Electronic Services Chair, Jane Moore, is not attending the conference. We do not know the results of the election process. Wild Apricot does not have a voting system. Preparing for the election process on February 1, 2013 was quite difficult. Jeff tested the site and discovered issues. The only way to gain access to the site for voting is through email. Jane was asked by President Dennis to develop a solution to address conference walk-ins who desire to vote. A link to vote was added to SASFAA’s website. A reminder to vote was sent by Past-President Barnett to the membership. An email was sent to Jane alerting her that double voting may be possible. Dewey indicated that he was not sure if he voted because there was no confirmation acknowledgement. Marian, Margaret and Zita shared information regarding Wild Apricot with President Dennis. The Treasurer, Nancy Garmroth, wanted to ensure that members who paid late would be able to vote. She was advised that there was an automatic transfer to update the membership status. The Past-President and Electronic Services Chairperson have worked with the decision that we made to move from ATAC to a new provider. The Electronic Services Chairperson has been very responsive. Dewey indicated the integrity of the election needs to be scrutinized. We need to come up with a plan B. The board has concerns regarding unintended flaws in the election process. The election process must be done again and open for adequate time to allow members who are not at the conference to vote.
President Dennis dismissed the group for a break at 10:30 a.m.  
President Dennis reconvened meeting at 10:50 a.m.

Past President, Brad Barnett (Cont.)

Jane stated that she changed the voting to allow the same computer to be used.  She changed it back to the original version by resetting the file which will allow everyone to vote again.

Vice President, Mike Reynolds

Mike reviewed his written report (See Attachment A)

Discussion:  The New Aid Office’s Workshop will be held in June 16-21, 2013 at Auburn University.  The Vice President will hold a 3:00 p.m. meeting on tomorrow with instructors to discuss the onsite meeting.  There will not be a New Aid Officer’s session at the annual conference.  This is a test to see if not hosting the New Aid during the annual conference will increase the summer new aid officer’s workshop attendance.  State Presidents and board members were asked to send ideas to Vice President Reynolds of the type and quality of instructors for new aid officer’s workshop.  He stated that there should be representatives from all sectors.  The State Presidents will know if the instructors are good presenters.  Vice President Reynolds desire a list or template of the qualities for instructors and business partners which may be helpful for the next Vice President.  The New Aid Officer’s Workshop has not been held in the state of AL since 1989.  Vice President Reynolds would like the New Aid Officer’s Workshop rotated by state.  He is aware that it may be inconvenient at times for certain states.  He suggested that the board and state presidents be encouraged to identify perks, if they would like the workshop held in their state.  President Dennis stated the New Aid Officer’s Workshop registration process will create two invoices for $640 registration and $35 membership dues.  In prior years, one invoice has been created (membership and registration combined).  In ATAC, it looks like a single payment to the school, however, there are backend processing to update the membership.  President Dennis recommended that Vice President Reynolds discuss this further with specific board members.

PAST PRESIDENT REPORT CONT’D

A conference call will be held with the Past-President and Electronic Services Chairperson to discuss the voting process.  The Past-President will announce a new election on Monday.  President-Elect Barree indicated that people will be voting while the board has made a decision to void the current ballots.  It was suggested that voting be turned off based on technical issues and an email the membership when voting re-opens.  Everyone will be required to vote again.  A suggestion was made to use the company that we are using for session evaluations for voting.  The poll can be real time, on demand or longer.  The cost was $500 for four days for the evaluations.  The then (10) days will serve as advance notice which means a second advance notice is not required.  The Site Selection Chairperson, Tracy Misner, suggested that we shut down voting, notify the candidates and turn it over to the Past-President.

ACTION ITEM: Margaret Murphy moved that the board close the election and discard all votes due to technical issues experienced with the electronic process.  The candidates and membership at large shall be notified.  The Nominations and elections committee will announce the opening of a new election and remind the membership that all members need to recast their ballot.  Motion Seconded by Nathan Basford.  The motion was unanimously approved.

Secretary, Sharon Oliver

Sharon reviewed her written report (See Attachment A)

Discussion:  Board members were thanked for submitting timely board reports.  A call for updates to the SASFAA operational calendar was requested.  As requested by the board, a separate training calendar has been developed by Jane Moore.  The Secretary will submit the annual business meeting minutes to the listserv through Jane Moore and a message to Amanda Sharp indicating that the minutes have been posted.

Treasurer, Nancy Garmroth

Nancy reviewed her written report (See Attachment A)

Discussion:  Membership dues are over 100% of budget, 1,046 paid members does not include New Aid.  Dewey has done a fabulous job, income for advertising is $100,875.  Paul will likely be over the revenue by $26,000.  Miscellaneous income represents taxes paid in North Carolina.  Investment changes have been beneficial, between capital gains and dividends $700 was earned in two months.  A small refund of $423 will be received from the board meeting in Concord, NC.  The balance sheet represents the CDs, interest rate and maturity date.

Marian reviewed her written report (See Attachment A)

Discussion: Proposed language for GFM 6.4 recommendation from the committee.

ACTION ITEM: Nancy Garmroth moved that we increase the annual meeting income by $20,000 and increase Annual meeting program expenses by $15,000 to $145,000 and Online payment Processing Fees by $5,000 to $8,500. Motion was seconded by Margaret Murphy. The motion was unanimously approved.

Site Selection, Tracy Misner
Tracy reviewed her written report (See Attachment A)
Discussion: The Department of Education Officers shared that there are three state meetings during the same week which makes it difficult for the trainers. Vendor/sponsors competition during that week must be juggled. State Presidents need to coordinate the dates for their conferences to avoid conflicts. State President-Elects should begin planning at this time. It was suggested that the President-Elect share this concern during the State President-Elects Workshop. The Department of Education will send representatives from other regions when overbooking occurs. The date state conferences are held has been an ongoing issue. Our next annual conference will be held at the Hyatt in Jacksonville, FL. The contract was negotiated by a third party agency. Amy Berrier, Conference Chair, needs to visit as soon as possible to ensure the we have adequate space. There were 475 members the last time we attended.

**Action Item:** Nancy Garmroth moved that online payment processing fees (225) be reduced by $1,000 and increase Site Selection (207) by $1,000. Motion Seconded by Nathaniel Basford. The motion was unanimously approved.

President Dennis suspended the meeting for lunch at 12:10 p.m.
President Dennis reconvened the meeting at 12:54 p.m.

**Sponsorship, Dewey Knight**
Dewey reviewed his written report (See Attachment A)

Discussion: There are 39 Exhibiting Sponsors, 11 New sponsors, 1 Non-Exhibiting Sponsor (Ed South). The total revenue is $105,875. It has increased from last year which was $79,125. There were approximately 40 to 45 inquiries which yielded 11 new sponsors. Registration is not very vendor/sponsor friendly. Please attend the Vendor/Sponsor session at 5:30 p.m. on Monday. The first time sponsors took advantage of the 25% discount and have continued to come back each year. There were 5 or 6 new sponsors on last year. Email blasts outreach are getting very aggressive, therefore, we need to work with vendors/sponsors on etiquette. All sponsors request a list of registrants.

**Membership, Deborah Clark**
Deborah reviewed her written report (See Attachment A)

Discussion: The Membership Chairperson is responsible for coordinating the membership during registration. A lot of time has been spent guiding members through the process to apply for membership. On this year, there were 40 to 50 requests for assistance compared with 10 on last year. Name badge holders and ribbons were ordered through the same company. A school printed the name badges. First time attendees are over 200, there were 100 ribbons ordered. A star will be placed on the badges to identify first time attendees. There were 98 new attendees on last year. The Membership Chairperson has been responding to inquiries from sponsors. She has provided membership lists with emails and conference attendees to sponsors.

**2020 Committee, Em McNair**
Em reviewed her written report (See Attachment A)

Discussion: There are 20 easels available for the art work. Spelman College, Emory University and a school from Florida will provide artwork. The 2020 Committee has been renamed.

**Communications and Outreach, Amanda Sharp**
Amanda reviewed her written report (See Attachment A)

Discussion: Reminders are sent each month to board members requesting articles for SASFAA Nine News. President Dennis would like to know if the blogs are doing what we attended. Are we not using the blogs or are we not pushing it enough? To send anything to the listserv it must be submitted by Jane. SASFAA replicated RMASFAA with the blog option. Deborah Byers, RMASFAA’s President, indicated that they are trying to get people to visit the blog. The listserv is more heavily used at RMASFAA. The Communications and Outreach Chairperson encouraged officers and committee chairs to submit articles.

**Electronic Services, Jane Moore**
Jane was absent from the meeting, a written report was provided (See Attachment A)

Discussion of SASFAA Officers and comped rooms Sunday thru Tuesday of the Annual Conference - Clarify the P & P if necessary.

President Dennis brought to the Board’s attention the discussion of comped rooms for the SASFAA elected officers on Sunday, Monday, and Tuesday nights at the SASFAA Annual Conference. President Dennis discussed the current and prior Policies and Procedures regarding this issue. A SASFAA Task Force (Jeff Dennis, Dewey Knight, and Marian Dill) examined this issue. This task force was charged with making recommendations of how SASFAA could reduce expenses due to budget issues. The Task Force discussed whether or not the officers should be comped rooms on Sunday, Monday, and Tuesday at the Annual Conference. This task force indicated that there was nothing in the Policies and Procedures and that all the officers would receive complimentary rooms. Before the conference attendance started decreasing, the attendance was large enough that the Association received enough comp rooms being given to the Association so that we could cover the elected officers. As the years have gone by, the number of comped rooms have decreased due to decrease in attendance at the Annual Conference. If we did not have enough comp nights, the charges were going to the budget instead. Officers would be grandfather in who were elected before 2010. Dewey Knight discussed the history of how travel has been defined in the past.

President Elect Zita Barree will prepare the language and present three separate motions at the June business meeting to address the following concerns:

- Vendor/Sponsor (all nights) that SASFAA cover rooms for the conference
- Four (4) Elected Officers (include all officers), rooms for Sunday, Monday and Tuesday and Registration for all Elected Officers
- Should other Committee Chairs, i.e. membership chair, who contribute to the success of the conference be included

Discuss vendors and membership and contact person signing up other individuals for conference. Wild Apricot requires membership to register for conference. (Dewey)

Vendor/Sponsor Chairperson Issues with Wild Apricot for sponsorship
- Automated system with ATAC, however with ATAC you must be a member to register as a sponsor. The same problem exist with Wild Apricot
- P &P does not state that you must be a member to exhibit
- People will register and desire to take advantage of the 2 to 4 comp registrations
- Member registration gate
- Prevent people without a membership application
- Vendors are set up as an event
- Treasurer and Vendor Sponsor chair need guidance -- can you register without being a member
- Membership application must be on file
- The person who complete the registration is generally not the person who actually attends the conference

Other Wild Apricot Comments
- TN uses quick books to track vendor/sponsor
- TN and VA are not using Wild Apricot for conference registration, anyone of the two comps will need to pay
- The registration can not be done this way again per Dewey
- RMASFAA charge institutional membership, not individual membership, conference registration is higher for non-members, one person is a voting member from each institution, primary destination representative from each institution
- The decision to switch to Wild Apricot was based on a reduction in cost. Nancy indicated that she did not have any problems with ATAC. The website does not look good, a number of items are outdated. She will not be able to spend the time that was invested in the last month a second time. She is not sure where we would be if Angie Black did not work on the website. Wild Apricot is cheaper because you are responsible for the work. The data is not good in Wild Apricot, excessive hours were spent on processing a refund. Wild Apricot is located in Canada, why are supporting a company outside of the US?
- Zita suggested developing a adhoc committee to work on the communications/website
- The amount that we are saving is $3,100.
- Ashley Reich from VA can serve as a resource for Wild Apricot
- Ballotbin.com sounds more like an election process than polldaddy.com

The President recommended that Ashley Reich and Zita Barree discuss Wild Apricot further.

Do we want to continue with Mike Dunn and Blankenship for the Federal 990 return preparation
Engagement letter received from Mike Dunn and Blankenship, cost approximately $4,000, the price may increase because we will need to go to a longer form.

ACTION: Zita Baree moved that we continue with Mike Dunn and Blankenship for filing the Federal 990 return. Motion Seconded by Nathan Basford. The motion was unanimously approved.

Have State Presidents send me state news to include in NASFAA BOD report by February 28th
State Presidents must send state updates to President Dennis for the NASFAA Board of Directors report by March 1, 2013.

President Dennis moved to an Executive Session at 4:44 p.m.
President Dennis adjourned the meeting at 4:56 p.m.
President’s Report
Jeff Dennis

Summary of Activities

GAP 1 (11-12): The President and President-Elect should determine when a review of the Board should be done and document in what year the Board composition and term limits were reviewed.

Activity: The size of the board was reduced in 2011-2012. I have kept the same composition as the 2011-2012 year.

GAP 2 (11-12): The President must take the Long Range Plan, Policy and Procedures and the Governance and Planning Committee’s recommendations in establishing the goals and objectives for the year while adding personal goals that are approved by the Board of Directors. The goals should be given to each Board member immediately following the Transition Meeting to list the activities planned to meet their established goals and objectives.

Activity: I distributed the goals and objectives immediately after the June 2012 transition meeting. All Officers and Committee Chairs have submitted their goals and objectives.

GAP 5 (11-12): The President needs to provide the GAP committee with a comprehensive listing of all SASFAA Board and Committee members with demographic information that includes sector type, ethnicity, gender and years of experience.

Activity: This will be completed later in the year.

GAP 7 (11-12): SASFAA should submit projects for NASFAA award consideration at least every two years.

Activity: Nothing is currently on the horizon for the 2012-2013 year.

GAP 12 (11-12): Create SASFAA Kits on committee structure, programs, services, activities etc. Ensure members know how to volunteer and use every volunteer on a committee or project.

Activity: I have not created a SASFAA kit but did promote volunteering in 2012-2013 through the registration process of the 2012 Annual Conference and through email communication through the list serv.

GAP 18 (11-12): Every effort should be given to invite and plan interactions and discussions with higher education associations such as SACUBO, SACRAO and COHEO.

Activity: I have had interaction with the Past-President of SACRAO unofficially discussing budgeting, make-up of their executive board and number of meetings they have. The NACUBO Chair is scheduled to attend the 2013 Annual Conference.

LRP 1.2.1 & 1.2.2 & 1.2.3: The advice and assistance provided to the Board of Directors by committee chairs are such that the goals of the Association are readily accomplished, future leadership is developed, and board activities remain fiscally responsible.

Activity: The goals have been distributed to the committee chairs. Future leadership is occurring through committee membership and the programs of the committees. We are remaining fiscally responsible through the budget process. There are five returning committee chairs and 4 new committee chairs. Of the committee chairs, we have diversification by racial, gender, and sectors.

LRP 1.4.1: Members who possess leadership aspirations and capabilities will be identified and developed for significant involvement within the Association.

Activity: This will occur through committee membership service. It will also occur through the executive board mentoring the NAOW attendees from the 2012 NAOW.

LRP 1.6.2: Policies and procedures are accurate and complete in order to provide consistent Associational direction.

Activity: This was done extensively in 2011-2012. It will be continued as needed in 2012-2013.

LRP 2.1.2: Facilitate alliances between and among various sectors and members of the financial aid community.

Activity: I or my representative will be attending state association meetings during the 2012-2013 year. I will also be attending the NASFAA board meetings as well as the annual conference.
President’s Report (cont.)
Jeff Dennis

LRP 2.1.4 & 2.1.7: Disseminate quality information to enhance communications among members in a timely and cost-efficient manner.

Activity: We are using SASFAA Nine News and the list serv to accomplish this goal. I have not created a SASFAA kit but did promote volunteering in 2012-2013 through the registration process of the 2012 Annual Conference and through email communication through the list serv.

LRP 3.1.6: The professional growth and competencies of members are addressed by offering workshops, seminars, meetings and other training opportunities.

Activity: The NACUBO chair is scheduled to attend the 2013 Annual Conference.

PP5.2b: Serves as a voting representative to the NASFAA Board of Directors.

Activity: Attended the NASFAA Board meeting in November 2012 in Santa Fe, NM.

PP 5.2g: Represents SASFAA at selected SASFAA affiliated state meetings.

Activity: The president or their designee is scheduled to attend the nine state meetings.

Summary of Activities

GAP 27 (11-12): Every effort should be made to insure that either the treasurer or Budget and Finance Chair have board experience in their position. (When a new Treasurer is elected the Budget and Finance Chair should be in their second year of service). Nominations and Elections will attempt to present a dual slate for the office of Treasurer, at a minimum, soliciting candidates who have served as Treasurer within their state association.

Activity: The slate of candidates being presented for the February 2013 elections includes two Treasurer candidates who have been Treasurer for their state associations. It will be the responsibility of the President-Elect to select the Budget and Finance Chair. The current Budget and Finance Chair is on the slate for the Vice President position. She has served multiple years as the Budget and Finance Chair and is moving on to other opportunities. Therefore, there will be a new Treasurer and Budget and Finance Chair in 2013-14.

GAP 6 (11-12): Efforts should be made to identify and track past Leadership Symposiums participants to determine leadership positions held. Brent Tener has volunteered to assist in gathering names of past participants.

Activity: Past President Brent Tener is responsible for this and has communicated that he is working on it.

LRP 1.3.1, LRP 1.3.2, LRP 1.3.3, and LRP 1.3.4: Committees should be of sufficient size and number and represent the diversity of the membership to accomplish the goals of the Association and to develop future leadership while being fiscally responsible.

Activity: No additional information to report since the November report.

LRP 1.3.5: Meet face-to-face at the June 2012 Transition Meeting, and conduct all other meetings by e-mail and/or conference call.

Activity: No additional information to report since the November report.

PP 5.7a: Presents a slate of candidates in accordance with the election schedule or calendar for president-elect, secretary, treasurer and vice president to the Board.

Activity:
- Election information for the dual slate of candidates was posted to the SASFAA website on 1/8/13.
- Messages were sent to the SASFAA listserv about the election process on 1/8/13, and 1/23/13. Another message will be sent to the listserv on 1/31/13 reminding members elections will open on 2/1/13.
- Articles were posted to SASFAA Nine News about elections on 12/14/12 and 1/16/13.

On 1/19/13 the candidates were e-mailed the following by the Past President:

Happy New Year everyone!

I’m sure you saw the e-mail below that was sent to the SASFAA listserv yesterday. Please don’t hesitate to let me know if you have any questions. Otherwise, there are a few things I need to share a few things with you before the elections.

1. If you are not currently a SASFAA member, you must become a member before the Elections go live on February 1st. I believe you are all members already. I’m just covering my basis in case you aren’t.
2. The election process has changed a bit this year. The polls will open February 1st and close at 5pm on February 10th. There will be no voting during the conference.
3. Due some personal commitments, I will not be arriving to the conference until late in the evening on February 10th. I will likely miss the opening session and President’s Reception. The current tentative conference agenda has the election results being announced Sunday night, but that is being moved to the Monday luncheon.
4. Please take some time to review the P&P to see what is covered for you as far as travel and such if you are elected. I have attached the most up-to-date copy of the document. You can also find this at [http://www.sasfaa.org/Default.aspx?pageId=1351204](http://www.sasfaa.org/Default.aspx?pageId=1351204).
5. The President-Elect will be going to the NASFAA Leadership Conference in March. If elected, please plan to attend even if you attended the Conference in the past few years. This is where you will meet the people you will serve on the NASFAA Board of Directors with and the State Presidents that will serve on your Board. It is a great bonding experience and it is also important for SASFAA to be represented.

If you guys have any questions or concerns, please feel free to contact me via email or at 540-568-2894.
Past President’s Report (cont.)

Brad Barnett

I am excited for each of you as I know whatever the outcome SASFAA will be served well! Good luck in the elections and thank you once again for agreeing to run!

PP 5.7b: Solicits nominations for Association awards and presents the awards committee recommendations to the Board.

Activity: At the November 2012 Board Meeting the candidate presented for consideration of the SASFAA Distinguished Service Award was approved. The individual will receive the award at the February 2013 Annual Conference.

PP 5.7d: Serves as a SASFAA voting representative to the Board of Directors of NASFAA.

Activity: This is being done.

PP 5.7e: Serves as Chair of the Governance and Planning Committee, and submits the annual GAP Report for board approval in June.

Activity: The GAP Committee is and approved. A face-to-face meeting has been scheduled for April 30th – May 1st to prepare this year’s GAP report. The committee is comprised of the Chair (Past President), two first year members, two second year members, and the President-Elect serving as an observer.

PP 6.0b: Submit articles to the Communication and Outreach Chair and/or Electronic Services Chair information for the website and SASFAA Nine News.

Activity: Articles were submitted to the Communication and Outreach Chair for posting to SASFAA Nine News according to the established schedule.

PP 6.0c: Prepare and submit reports to the secretary and make reports and submit action items at Board meetings.

Activity: This will be done throughout the year.

PP 6.0d: Submit by April 1 an end-of-the-year (GAP) report to assess the committee's effectiveness in reaching its goals/objectives and make recommendations for future activities.

Activity: This will not be done by April 1st and it is recommended that this goal be changed as April 1st is not a realistic timeframe to gather the GAP information and create the report. This will be completed at the April 30th – May 1st GAP Meeting that has been scheduled for this year.

PP 6.0e: Comply with budget parameters and approve expenditures and requests of reimbursement in accordance with guidelines outlined in the Guide to Financial Management.

Activity: This will be done.

PP 6.0g: Forward to their successors all pertinent records and reports by August 1 and in the event of a committee chair’s resignation or removal from office, all records must be submitted to the successor or to the Association secretary, as appropriate, within 30 days.

Activity: This will be done.

PP 6.13.1(a): Prior to the Fall Board meeting, the nominations and elections committee must determine who will be recommended as candidates for offices for the coming year. To obtain recommendations from the membership, the committee must solicit nominations in advance of this meeting. Solicitation may occur via SASFAA Nine News, listserv, separate mailing, or email to the active membership. Each state should be encouraged to solicit nominations from its membership.

Activity: The committee has been successful in developing a dual slate to present to the Board at the November 2012 Board Meeting. This slate was approved and includes a diverse group of candidates for the offices of President-Elect, and Vice President. A request for nominations was sent to the SASFAA membership on 7/16/12 and 9/19/12 via the SASFAA Listserv. An article was also posted to SASFAA Nine News on 7/16/12. The committee only received two nominations as a result of these solicitations.
PP 6.13.1(b): The chair sets the date and time for the full meeting of the committee. At the discretion of the chair, this meeting can be via conference call or in person. Normally the meeting is conducted prior to the November Board meeting and avoids conflicts with state association meetings.

Activity: No additional information to report since the November report.

PP 6.13.1(d): The chair shall prepare and present to the Board a written report that includes the proposed slate, the rules adopted by the committee, members present at the committee meeting, and recommendations for consideration for future committee meetings. This is typically reported at the November Board meeting. The slate must be presented to the Board before being presented to the membership.

Activity: This was accomplished at the November 2012 Board Meeting.

PP 6.13.1(c): The chair shall receive and submit candidates’ biographical information and other pertinent data. The suggested format includes Name, Institution and/or Organization, Work Experience, Education, Professional Involvement/Activities and Candidate Statement. This information shall be submitted to the Electronic Services chair to be posted on the website.

Activity: This was done and posted to the Election Site of the SASFAA website on 1/8/13.

PP 6.13.3(a): The past president (chair) shall submit the recommendation of candidates to the Board in advance of the annual conference to allow notification to the membership at least thirty (30) days prior to the opening of electronic voting.

Activity: This was done.

PP 6.13.3(b): The general election shall commence ten (10) calendar days prior to the initial business meeting and close at 3 pm (local time) on the last full day of the conference. The slate of candidates will be presented during the opening session. Each candidate is then introduced.

Activity: At the November 2012 Board Meeting the Board approved the following change to the February 2013 election process:

- Open the polls prior to the conference and cut off voting prior to the beginning of the conference (5:00pm on Sunday of the conference, which is the Opening Session)
- Announce the newly elected officers earlier in the conference rather than at the last event. We will continue with no speeches and have all of the candidate biographical information on the SASFAA website.

Before approving any other changes past February 2013, the Board requested a survey be conducted to see what the membership wants to occur in the future election processes. As a result, a survey will be added to the February 2013 ballot. The results will be used by the board to determine how to proceed beginning with February 2014 election process. Here are the possible outcomes depending on Board action:

- If the Board does nothing after the survey, then beginning with the February 2014 election SASFAA will go back to was done in the years just before 2013
- The Board can decide to make the current change to February 2013 permanent
- The Board can decide to have a new process beginning in February 2014

The survey will include the following:

Introduction:
The board is evaluating the process of how voting occurs for SASFAA officers. Several years ago a decision was made to eliminate candidate speeches that occurred during the conference opening session. There were many reasons for this, one of which is that as soon as electronic voting was implemented the votes cast during the conference had no bearing on the outcome of the elections. Since the electronic voting polls open 10 days prior to the conference, the majority of votes were cast prior to the beginning of the conference. Partly due to this reason, the board decided to close the voting polls prior to the beginning of the February 2013 conference. Moving forward, the board would like your input in the process before making a decision on how to proceed following this year's elections. Your answers to the questions below will be very helpful as the board continues these discussions.

- Would you like to see the voting process for SASFAA officers continue in future years the way it was done this year? (yes or no)
- Would you like to see the voting process go back to opening 10 days before the conference and closing on the last full day of the conference? (yes or no)
- There would be no candidate speeches under this scenario. (yes or no)
- Would you like to see candidate speeches brought back during the opening session?
Past President’s Report (cont.)
Brad Barnett

• If candidate speeches are brought back, what option would like to see occur for the voting process? (select one)
  o Open the voting polls after speeches are conducted during the opening session; giving everyone at the conference the opportunity to hear a candidate before casting a vote. Close the polls the afternoon prior to the closing session. This means polls would be open for approximately 2 ½ days. Any SASFAA member, at the conference or not, could vote electronically during this period.
  o Open the voting polls 10 days before the conference and close them the last full day of the event. This is reverting back to the process several years ago. Voting records during that time show the candidate speeches had no impact on the outcome of the elections because the majority of votes were cast before the conference began.

The February 2013 ballot also includes the by-law change below:

Current:
Article II – Principal Office
The principal office of the Association, a nonprofit corporation incorporated under the laws of the State of Georgia, shall be in Snellville, Georgia.

Proposed:
Article II – Principal Office
The principal office of the Association, a nonprofit corporation, shall be incorporated under the laws of the State of Georgia, shall be in Snellville, Georgia.

PP 6.13.3(c): The nominations and elections chair shall report the results of the election at a business session following completion of voting. Prior to that time, however, the president and each candidate will be contacted and informed of the election results.

Activity: This will be done during the Monday luncheon. On 1/29/13, the Past President e-mailed the candidates the following information:

Good afternoon candidates. The election process will begin Friday and the conference will be here before we know it. Polls will close at 5:00pm on Sunday the 10th, which is the beginning of the opening session. Unfortunately, I will not be able to arrive at the conference until mid-night (or later) on Sunday, so I will miss the opening session. I am scheduled to announce the results of the election at the Monday luncheon. I would like the opportunity to let each one of you know the results prior to the luncheon, which means I will need to call you sometime Monday morning to give you a heads up. Can you please do the following?
  • Give me a cell phone number where I can reach you sometime Monday prior to the luncheon. If you are not available to answer the phone when I call I will leave a message on your voicemail.
  • Once I tell you the results, please keep them completely confidential, as we don’t want word leaking out until they are announced at the luncheon.

PP 6.2(a): Solicit nominations for outstanding, significant and meritorious contributions to the advancement of student financial aid.

Activity: No additional information to report since the November report.

PP 6.2(b): Make award recommendations to the Board.

Activity: This was done at the November 2012 Board Meeting.

PP 6.2(c): Provide an appropriate plaque to be presented to the recipient(s) at the annual conference, including honorary membership when the recipient ceases to meet membership eligibility requirements.

Activity: This was done. Wells Trophy in North Carolina was used for the plaques.

PP 6.7(a): Review monitor and evaluate each committee’s annual goals as they relate to the long range plan and goals and objectives as approved by the Board of Directors.

Activity: The GAP Committee will review the progress made on these goals at the end of the year GAP meeting.
Past President’s Report (cont.)
Brad Barnett

PP 6.7(c): Ensure that the incoming Board of Directors has addressed recommendations as written in the GAP report as part of the annual planning cycle.

Activity: No additional information to report since the November report.

Discussion
PP 6.0d says to “Submit by April 1 an end-of-the-year (GAP) report to assess the committee’s effectiveness in reaching its goals/objectives and make recommendations for future activities.”

April 1st is a not a reasonable time for this report to be written as the GAP Committee will not meet until the month of April. It is not realistic to expect the committee to meet earlier than April since the SASFAA year ends on June 30th, as that will be evaluating the year with approximately 3 months left in the year. Therefore it is recommended that this date be changed in future years to indicate the report should be written by May 1st.
Vice President’s Report
Michael Reynolds

Priority should be given to determine the training and professional development needs of members, recognizing categorical distinctions among members such as experience, institutional type, constituencies served and level of responsibility. Specific questions should be considered on all events survey/evaluations as well as a listserv solicitation for training needs.

Activities: Currently evaluating future avenues to make sure that all members are receiving adequate training.

Review prior year training to identify level and/or sectors for which training should be offered and not assuming certain pre-conference workshops be offered annually.

Activities: Actually opted not to provide New Aid Workshop at annual meeting to gauge if the numbers will increase for summer workshop. Feel that some managers may think that they can receive the same level of training at the conference as they would in the summer which is definitely not the case.

Written guidelines should be created and provided to state presidents and board members to use to nominate instructors and development partners for the New Aid and Mid-Level Workshops. The information will provide vital information the vice president should use as instructors and development partners are selected and will ensure a diverse committee.

Activities: Soliciting information, polling state presidents and Board Members at the Annual Conference for viable characteristics and qualities of future instructors and business development partners.

It is recommended that an in-person meeting be reinstated for the Professional Development Committee held at the site of the New Aid Officers Workshop to help build rapport and camaraderie among the instructors.

Activities: Meeting prior to SASFAA Conference in Atlanta to set date in March on-site visit.

Serves in a leadership role in the professional development and training activities for the Association.

Activities: Currently working on New Aid Officer Workshop to be held June 16-21 at the campus of Auburn University.

**Discussion**

Some major folders (Finance, Committee, and Executive Board – still researching what else may be gone) were deleted from the “File Management” section of the website. This is the section that houses the images, documents, etc. – anything that set up as a link on the site. Since the system has no capability to log changes/modifications, there is no way to determine who may have deleted these sections. I ask that those who use the site please do not delete anything from the site. Reviewed the Policies & Procedures and do not see any information regarding removal/cleanup of information on the website. This might be something for discussion.
On Monday, January 28, 2013, many GASFAA members participated with the Georgia Student Finance Commission (GSFC) in a “College Yes You Can” day at the state capitol in Atlanta. Over 300 middle school and high school students attended the event. Philip Hawkins, GASFAA President, provided brief remarks to those students alongside Georgia Governor Nathan Deal, GSFC Board Chairman Mid Ramsey, and GSFC President Tim Connell.

On Tuesday, January 29, 2013, the GASFAA Executive Board held its Winter meeting at the campus of Kennesaw State University. Much work is being done on updating our By-Laws, Policies & Procedures, and the five-year Strategic Plan.

Sarah Baumhoff and Gary Mann continue their work as Local Arrangements Chairs for the upcoming SASFAA conference to be held in Atlanta in February 2013.

Philip Hawkins and Lisa Mitchem will be participating in the SASFAA/EASFAA/MASFAA/Tri-State Congressional visits in Washington, DC on February 21, 2013.

Plans continue for the GASFAA Spring Conference to be held at the Athens Classic Center on May 22-24. The working theme is “GASFAA Celebrates 20 Years of HOPE” in recognition of the 20th anniversary of the first Georgia HOPE Scholarship award which was made in the Fall of 1993. SCASFAA’s year is in full swing with committees working hard to provide training and support to all of our constituencies.

The Executive Board will meet February 18th at the Greenville Marriott, our conference hotel. Ellen Green, SCASFAA’s Conference Chair is our host for the meeting.

Following SCASFAA’s mission to promote the advancement of financial assistance programs and provide personal and professional development opportunities that embrace sound principles, practices, and ethics in aid administration, our committees are currently working as follows:

**Consumer Relations** – Carol Parker, Chair, has this year’s College Goal SC event set for February 23rd. The coordinators are disseminating information to high schools, planning their site agendas and preparing for the food and prizes at their locations.

**Communications and List-Serve** – Rosalind Elliott, Chair, has updated SCASFAA’s policies and procedures to reflect our new communication tools and options for members, sponsors and exhibitors. She also continues to manage the SCASFAA Scoop, our blog.

**Electronic Services** – Kevin Delp, Chair is learning the ropes and teaching the Executive Board about Wild Apricot.

**Global Issues** (previously Diversity) – Heather Swaminathan, Chair, has decided to continue in this role and is planning speakers for the annual conference.

**Conference** – Ellen Green, Chair, is busily planning a great conference for April 7-10 in Greenville, SC. ‘Cell Phones for Soldiers’ has been chosen as the charity for this year and members have already been encouraged to begin collecting unused cell phones to donate. The list of speakers currently includes presidents from two SC colleges, in separate sessions.

**Site Selection** – Tamy Garofano, Coordinator, is working on a site for 2015. SCASFAA wishes to cautiously return to planning conferences further in advance, to allow more bargaining power.

Virginia Board Report  
Margaret Murphy

Margaret Murphy, 2012-2013 VASFAA President, travelled to Richmond, Virginia for the State Council on Higher Education in Virginia and College Access Challenge Grant Program meeting at the VirginiaCAN conference regarding the upcoming CACGP applications. CACGP partially funds VASFAA’s Super Saturday efforts.

VASFAA’s Super Saturday event is scheduled for February 9 across the state at 48 sites. Financial aid presentations and assistance with completing the FAFSA will be provided to students of all ages. Paula Craw, Awareness Committee Chair, and the Awareness Committee have been conducting webinars to train site coordinators, presenters and volunteers for the upcoming event.

Members of VASFAA in northern Virginia have volunteered to participate in Congressman Jim Moran’s Making College Affordable: Financing Your Education workshops in February and March.

Margaret Murphy continues to represent VASFAA with the U. S. Department of Education’s Virginia Education Roundtable via conference calls.

The Secondary School Relations Committee under the guidance of Dr. Pam Rambo conducted guidance counselor workshops at 12 sites across the Commonwealth this past fall and January.

The winter board meeting is scheduled for February 1, 2013 in Richmond, Virginia at the Omni. Ashley Reich, President Elect, and the Site Selection Committee will be presenting on the site for the 2014 annual conference. Final preparations for the 2013 Conference will be reviewed as well.

Flu season has devastated many offices across the state but all seem to be on the mend. The Association mourns the loss of Linda H. Woodley, who worked at SCHEV and was a key supporter of VASFAA through the Awareness Committee and CACGP efforts. A remarkable woman, Linda impacted the lives of many across the state through her work with college access.

Looking forward to seeing everyone in Dunwoody, Georgia on February 8!

Margaret Murphy, 2012-2013 VASFAA President
High School Counselor Workshops were held in ten sites around the state October 29 and November 15. Each workshop featured a presentation from ACT, KHEAA and the Office of Employment and Training, in addition to a financial aid presentation with FAFSA information and updates for the 2013-14 year. Attendance was down this year at 308 compared to 370 last year.

KASFAA promoted and sponsored “College Goal Sunday” on January 13, 2013 at seventeen (17) sites throughout the Commonwealth. At this time, the number of volunteers and families served is unknown.

The KASFAA Support Staff Workshop will be held on March 13, 2013 at the KHEAA building in Frankfort, KY. Agenda items include: verification, mini federal update, and loan repayment options.

Voting to fill the offices of President-Elect, Vice President for Training, Treasurer and Four-Year Public Representative are underway. Online voting opened January 28th and will conclude February 6th.

Plans are underway for the KASFAA Spring Conference to be held on April 24-26 at Barren River Lake State Park. The theme is “KASFAA the Great Outdoors”. Kristie Hughes, Rick Wilson and their committee are busy with plans.

President-Elect, Katie Conrad has secured the fall 2013 and spring 2014 conference sites.
The TASFAA Fall Training Series workshops, mentioned in the previous TN President’s report, consisted of three training events held in locations across the state to provide a federal update, State update, and specialized financial aid training in the areas of direct loans and verification. The Training Chair announced that over 200 participants attended the one day workshops. This number is significant in that the majority of attendees are financial aid staff members that do not normally attend the annual TASFAA Conference. Therefore, TASFAA has been able to expand its training efforts to meet the needs of a greater number of the financial aid staff in Tennessee than ever before.

Preparations are well underway for 2013 TASFAA Conference being held at the Cool Springs Marriott in Franklin, TN, April 14-17, 2013, under the coordination of Celena Tulloss, Conference Chair. In light of the overall theme of training this year, the conference theme will be “Taming the Beast”. General session speakers scheduled to present include Ron Day - NASFAA Chair, and a yet to be named, federal presenter. TASFAA also looks forward to hosting Zita Barree - SASFAA President Elect, at the conference.

The 2013-14 TASFAA election process will be completed as of the presentation of this report. The election process and selection of candidates went very well as the Nominations Committee had a wide range of members willing to run for office this year, resulting in a nearly full slate of candidates. This is a welcome change from recent years in which it has been difficult to secure enough members willing to run for office to generate a full slate of candidates. The Association’s effort to cultivate newer members into leadership positions is beginning to show promising results.

Through the coordinated efforts of two TASFAA Committees, Financial Aid Awareness and Governmental Relations, TASFAA is pursuing a proclamation from Tennessee Governor, Bill Haslam, to designate February 2013 as “Financial Aid Awareness Month” in the State of Tennessee.

Ashley Bianchi, TASFAA President Elect will attend the NASFAA Leadership Conference in March 2013.
MASFAA will hold our Financial Aid 101 in Louisville, MS April 9-11. This training event focuses on new financial aid professionals in the state. We will cover a variety of topics including need analysis, verification, and R2T4. We are very excited that we are able to bring back this training event for the first time in several years.

MASFAA received information about two financial aid administrators in Brooklyn, New York who lost everything after Hurricane Sandy. MASFAA members donated funds and we were able to send the two administrators VISA Gift Cards to help our colleagues get needed items just before Christmas.

One of my goals as President of MASFAA is to get MASFAA involved in discussions about state aid programs with our Legislature and IHL Board. I have created the State Legislative Committee. The Committee is made up of Directors and Associate Directors with representatives from public and private 4-year school and community colleges. The Committee will meet January 31st in Jackson, MS to discuss priorities and goals. The Director of the State Office of Financial Aid will work closely with the committee. I’m excited to see what the committee will be able to accomplish. With permission from our President-Elect, the Committee Members have all agreed to serve for a year and a half.

The Conference Committee continues to prepare for the MASFAA Annual Conference May 22-24, 2013 in Tunica, MS at the Gold Strike Casino.
