REPORTS

Conference – Amy Berrier:

Amy reviewed her written report.  She indicated that a great pre-conference meeting was held on February 14, 2014.  There were 523 registrants for the conference, 141 first time attendees, and 51 unpaid participants.  For the New Aid Officer’s Pre-Conference Workshop, there were 24 registrants.  Board members were invited to attend the meet and greet on Monday night.  Special guests Patrick House, Justin Draeger, and Amanda Sharp will be present for the conference.  Wood Mason will be unable to attend the conference.  The State President-Elects Workshop will be held on Sunday.  There is more meeting space at the Hyatt then we had in Atlanta on last year.  At least seventy-five percent of the conference sessions will be presented by school representatives and all session topics submitted by the membership were honored.

Action Item: Runan Pendergrast made a motion for Amy Berrier to purchase alcoholic beverages for the vendor reception.  Greg Windham seconded the motion.  The motion passed unanimously.

Sponsorship – Janet Nowicki:

Janet reviewed her written report.  There were five priority training sponsors with one new sponsor, Loan Look and thirty-three standard level with two new vendors, J. Hugh and Earle Fellows Memorial Fund and Socle Education.  There were 38 paid vendors, many purchased double booths and paid additional funds for priority space or view.  We have received $104,000, after discounts the anticipated projected income is $101,000.  There were 95 vendor representatives who will receive a tote bag with goodies as a thank you.  Board members were encouraged to attend the Vendor Appreciation Reception.  There is an extra incentive, a booth decoration contest.  Attendees will vote for the best booth and a drawing will be held for participants who voted.  The registration site and Florida’s hospitality area are on the same floor as the vendors.

Site Selection – Tracy Misner:
Tracy reviewed her written report. Limitation with space in Atlanta influenced the decision to assess space in Jacksonville in advance. It is important to re-visit the property in Memphis to ensure adequate space is available especially for vendors.

President – Zita Barree:
Zita reviewed her written report. The comprehensive GAP Goals sheet was sent to all board members to complete the last column of the spreadsheet by April 1, 2014. The GAP committee will meet in April. If there is any feedback regarding the GAP Goals process, please share feedback with President Barree. Board members were requested to provide an annual written summary report which will be included in the President’s Annual Report. Sandra Neel will chair the long range planning committee. Mary Givhan is the SASFAA representative for NASFAA awards. The handbook may be an item for SASFAA to submit for a NASFAA award after it has been evaluated. NASFAA changed the board structure and stopped supporting inter-regional visits. A meeting with the regional presidents was held on January 17, 2014 in Washington, DC. Based on the information exchanged at the meeting, SASFAA is in great financial shape in comparison with a few others; similar issues are getting volunteers and getting people to run for office. A summary report of the meeting will be prepared. NASFAA is also seeking ways to partner with regional associations on services, an example is accounting services. A report will be presented at the June board meeting of possible joint service opportunities. NASFAA is seeking ways to work with regional associations to strengthen its association and is interested in credentialing for boot camps and training sessions. They were surprised of the number of attendees who did not seek credentialing after training workshops. NASFAA is seeking to expand the NASFAA Leadership Conference in 2015 to allow for additional participants to attend either at their own cost or the school’s cost. The NASFAA Leadership Conference is intended to promote leadership beyond members who are already on a board. Money has been lost on the leadership conference and they are seeking ways to recuperate some of the expenses. NASFAA covered the hotel and meals for the Regional Presidents meeting and the association is responsible for the travel. Regional presidents are hosting a monthly conference call which has been very helpful. NASFAA reduced the size of the board from three to two representatives. Under the old structure, the President-Elect would have served as an observer on the NASFAA board and would have been allowed an opportunity to build a relationship with the President-Elects. It was suggested to NASFAA to either have the President-Elects participate or both the President and the President-Elects attend the Regional Presidents meeting. The next NASFAA Board meeting will be held on March 24-25, 2014 in Annapolis, MD. NASFAA board members read the book “Road to Relevance” which encourages you to apply what you do best and focus on those activities. Ron Day, Brent Tenner, Lisanne Masterson and Jeff Dennis are SASFAA representatives for NASFAA. Heather Boutell was recently elected to serve as a Representative at Large for NASFAA. President Barree will visit six states during the spring, a SASFAA update will be provided and sessions will be conducted for some states.

President-Elect – Nathan Basford:
Nathan reviewed his written report. He extended thanks for cards received due to the loss of his brother and mother. He made a recommendation for the bylaws committee to change the parliamentarian to the immediate past president instead of the President Elect. Chris Tolson will serve as the Conference Chair for 2015. SASFAA President Elect Workshop was held on Sunday and the State Presidents will participate in the training session. Merle Isgett with ERS Contact Center Solutions will present during the SASFAA President-Elect Workshop on commitment, dedication, teamwork and working with groups. The long range planning, parliamentary procedures and budget and finance updates were shared during the workshop. Additionally, calendar items were covered. The President-Elect indicated that he wishes to complete the operational calendar before July 1, 2014, which will include the State Presidents notebook. He attended the NCASFAA conference and will attend the NASFAA Leadership Conference in March, TASFAA Conference, GAP meeting May 14-16, 2014 and Transition Meeting on June 8-9, 2014.

Past President – Jeff Dennis:
Jeff was absent. President Barree discussed Jeff’s written report. A new process was put in place for voting which was used in South Carolina. President Barree tested voting twice, she was unable to vote twice. Angie Black has spent a lot of time researching the options. Election buddy is the program that is used for voting on this year. There will be awards presented during the conference on Tuesday night. The NASFAA Regional Leadership Award will be presented to Heather Boutell during the luncheon on Monday.

**Secretary – Sharon Oliver:**

Sharon reviewed her written report. She expressed thanks to the board members for submitting their board reports in a timely manner. She also encouraged the State Presidents, as well as, President-Elects to share calendar updates.

The Bylaws Committee report was presented by Sharon. Cathy Crawley indicated that Past Presidents should serve on the SASFAA Board instead of the Presidents because the Presidents are very busy serving as state presidents. The State Presidents are learning a lot about SASFAA and their states at the same time. After getting through the Presidency, there would be more time to commit to the SASFAA Board. Another suggestion was to allow the Presidents and President-Elects or President-Elects to serve on the SASFAA board. The Long Range Planning Chairperson Sandra Neel should explore these options. President Barree reminded the State Presidents that they have the option as Presidents to send a substitute voting representative to the board meetings. A Leadership Training Workshop should be held to cultivate the leaders in our state. SASFAA should work more on the leadership efforts. Also, State Presidents should consider meeting on the Friday before SASFAA board meetings are held.

**Action Item:** Nathan Basford made a motion to change Bylaws Article V-Finance, Section 4 from the books of the Association shall be financial reviewed to the books of the Association shall be financially reviewed. Katie Harrison seconded the motion. The motion passed unanimously.

**Action Item:** Runan Pendergrast made a motion to delete from Bylaws Article VII-Duties of Officers, Section 3, The president-elect shall serve as the alternate SASFAA representative to the Board of Directors of NASFAA. Greg Windham seconded the motion. The motion passed unanimously.

**Action Item:** Rachel Cavenaugh made a motion to remove “one of” from Bylaws Article VII-Duties of Officers, Section 4. Jeff Gerkin seconded the motion. The motion passed unanimously.

**Action Item:** Katie Harrison made a motion to add State Presidents after chief executive officers to Bylaws Article X-Executive Board, Section 2. Runan Pendergrast seconded the motion. The motion passed unanimously.

The Board approved changes to the Bylaws that must be voted on by the membership in 2015.

*The Board was excused for a break and will reconvene at 10:38 a.m.*  
*The Board reconvened at 11:00 a.m.*

**Treasurer – Amy Moser:**

Amy reviewed her written report. All of the bills are paid and some were paid in advance because of the $3,500 line of credit limit for the credit card. A charge for the conference was $4,000. Consideration should be given to increasing the credit card limits. A hold was placed on the Conference Chair credit card in error. There were few cancellations, 75% refunds are performed, refunds will not be given after the conference begins. The tax refund from the state of NC has been filed, awaiting the refund. Nancy Garmroth received a 1099 from Paypal of
$144,000. The tax code changed which requires Paypal to send out 1099s. Paypal should be set up with SASFAA EIN and not the Treasurer’s SSN. Reimbursements have been submitted in a timely manner.

**Budget and Finance – Terri Parchment:**

Terri reviewed her written report. Taxes have been filed and all tasks are complete. The Budget and Finance sheet has an asterisk for the total amount of contractual liabilities. There is a variance because the Peabody liability has been added which does not go into effect until 2/19/14 (one year from the date of next year’s conference). The Treasurer review was done on 1/17/14 by Jennifer Priest, Sonja McMullen and Terri Parchment. There were two observations; receipts are needed for all expenses on expense report or credit cards including luggage expenses. A return flight was booked in error which created a $175 change fee. The audit process was very smooth.

Net Operating Income: $171,489.57

Net Income: $171,489.57
Global Issues – Michael O’Grady:

Michael was absent from board meeting, a written report was provided.

Electronic Services – Angela Black (Absent):

Angie was absent from the board meeting. President Barree reviewed her summary report. Angie is exploring the workflow of the Electronic Services role. She has updated membership settings, learned more about Wild Apricot, created the Conference Site, developed the Sponsorship Registration which worked smoothly including comp registrations, separated the new aid officer’s workshop registration process, and implemented a new process for elections. The New Aid Officer’s Workshop will be another registration event. There are two committee members who serve on the Electronic Services Committee, one is working on the site map and the other handle technical issues.

Legislative Relations – Philip Hawkins:
Philip reviewed his written report. The joint Congressional Hill Visits will be held in less than two weeks. There are eight representatives from SASFAA, a total of forty-five participants will meet with forty-five representatives. Three regions, SASFAA, EASFAA, and MASFAA and the Tri-State association will participate. The representatives will have a common document provided by NASFAA. The topics that will be discussed are stressing the importance of Pell Grant, new ideas of Pell Well or Super Pell, stressing streamlining consumer information for administrators, students and parents, campus based funding, creative options for Perkins, timely Reauthorization regarding Need Analysis and Loan Issues.

There will be two legislative sessions held during the annual conference. A pell grant chart for 2014-15 was released sooner than past years. NASFAA has taken on the leadership to stress reauthorization efforts beating the Department of Education. Senator Alexander is exploring regulatory burdens for schools.

**Membership – Marian Dill (Absent):**

Marian was absent from the meeting. President Zita reviewed Marian’s written report. There are 1,186 active members, statistical data by state will be shared. As of January 29, 2014, GASFAA has the most members with other states in this order SC, FL, NC, and TN. A membership survey will be held after the conference that will benefit the long range planning committee. Marian will assist with registration.

**Communications and Outreach – Vickie Adams (Absent):**

Vickie was absent from the meeting, a written report was provided.

**Technology Assessment & Integration – Sarah Dowd:**

Sarah reviewed her written report. The Technology, Assessment and Integration Committee met through technology provided by Dana Kelly. The committee recommended that the Electronic Services Chair should serve a two year term of service or have a transition year whereby the President Elect will place someone on the committee. The rationale for increasing the term is the Electronic Services Chair is responsible for managing all aspects of Wild Apricot. It was suggested that the President and President-Elect work together on selecting the candidate, consider a co-chair or chair-elect. Concerns were raised of extra expenses which may be incurred with adding a co-chair. Angie Black will continue in her role on next year. The President-Elect should identify someone in that position to shadow the Electronic Services Committee member. This position should follow the same model as the Conference Chair. Sarah Dowd will bring specific P & P changes to the June board meeting. A P & P change will be recommended to grant permission for the Electronic Services Chair, with the approval of the President, access to updating documents.

The website updates should be made by the Electronic Services and Conference Chairs. Emails should be sent through the communications and outreach committee. The committee tried to come up with a solution for SASFAA Nine News, the listserv and website. Suggestions should be emailed to Sarah Dowd regarding how you want information to look, should it be posted somewhere, delivered to the membership, etc. One suggestion has been instead of random emails consider a digest format similar to NASFAA news and send it out once a week. SASFAA Nine News has not been used in a systematic way and anyone can sign up, you are not required to be an active member. Amanda Sharp chaired the SASFAA Nine News on last year and indicated that it was not working the way it was intended to work. Facebook has been managed by Amy Berrier. It has grown from 402 likes to 518. Items have been posted to Facebook by Nathan and Zita. It is great for photos, pictures were posted from last year’s New Aid Officers Workshop and the annual conference. The membership survey prepared by the Membership Chairperson should include questions to address these issues. There are gray areas. President Barree indicated that feedback should be given to Sarah Dowd and we should survey the membership. The Electronic Services Chair indicated having a transition year will take care of the issues with Wild Apricot. The body needs to consider if electronic services should be outsourced. Membership is not attached to registration for identifying who are active or inactive members. Paypal payments are manually entered. The
main issue is personnel and staffing for managing electronic services. If SASFAA chooses to outsource, it will be costly. Voting is outside the package. SASFAA may wish to look into forums instead of a listserv, similar to blackboard for posting messages.

The Board was dismissed for lunch at 12:00 noon
The Board reconvened for the meeting at 1:08 p.m.

Vice-President – Tabatha McAllister:

Tabatha reviewed her written report. Jacksonville State University bid was the lowest, however, the distance from the airport is 75 to 102 miles which is the reason this site was not selected. The three sites for consideration are University of South Carolina Upstate, North Carolina Central University and Winston-Salem State University. The estimated cost is based on 125 participants for five nights. USC Upstate is a smaller campus with all major rooms in a close proximity, a micro-fridge is included with apartment style living quarters. It has been held at North Carolina Central University. It is a beautiful campus, the residence hall does not have a microwave or refrigerator. Winston-Salem State University will require a lot of walking, new facilities and apartment style living quarters. The budget is $60,000 for the New Aid Officers Workshop. On last year $95,000 was spent for the New Aid Officers Workshop and $59,000 on the year before. The charge per participant is $675. According to President Barree’s summary of expenses for 2012-13, there was $73,128 (the budgeted amounts of $60,000 New Aid Officers, $14,000 Retreat for New Aid Officers). The confirmed expenses are $73,128. The committee recommended USC Upstate due to cost.

Action Item: The Vice President, Tabatha McAllister, made a motion to enter into a contract with the University of South Carolina Upstate for the New Aid Officers Summer Workshop for 2014. The motion passed unanimously.

Final contracts will need to be sent to Zita Barree and Tracy Misner. Selection of the New Aid Instructors were made by soliciting recommendations from the membership and State Presidents. The classroom size will be 20 to 25 participants with two instructors. Kamesia Ewing (NC) and Brenda Burke (VA) are pending instructors and Brenda Paganelli (VA) is being recommended as a business partner. There will be representatives from each state except MS, if all anticipated instructors participate. All instructors must be approved by the board. A concern was raised with one male instructor, seeking diversity. Instructors who have served as alternates have been called to serve. Clarification was requested regarding if two years is the maximum timeframe for New Aid Officers instructors to serve. Per the P & P, an instructor can serve more than two years. There were concerns raised regarding ensuring that instructors are able to teach the material. Additional instructors for New Aid Officer’s Workshop are Jody Darby (GA), Phillip Hawkins (GA), Cedric Trigg (KY), and Victoria Owens (KY).

Action Item: Wayne Kruger moved that the list of NAOW instructors be approved with the additional alternates recommended on today and the instructors may be selected to serve as an instructor or alternate. Cathy Crawley seconded the motion. The motion passed with one abstention.

State Presidents’ Reports:

Virginia – Ashley Reich:

Ashley reviewed her written report. VASFAA’s Non-Spring Conference Workshop has changed to the University of Mary Washington on March 5, 2014. The spring conference will be held on May 19-21, 2014 in Richmond, VA.

Georgia – Cathy Crawley:
Cathy reviewed her written report. Contracts have not been signed for 2015 and 2016, however, locations will be shared when contracts have been signed. Nancy Ferguson is over leadership development. A pre-conference workshop will be held by nomination submitted by Directors. The Legislative Chairperson has been really active, this is a unique group as none of them work at schools. The seasoned legislative professionals will meet with the Education Committee for the State Capitol for a bipartisan visit to make them more aware of what we do. There will be eight (8) students who will participate who are graduates and some are in professional roles.

**Mississippi – Greg Windham:**

Greg reviewed his written report. A Financial Aid 101 workshop will be held on March 24-27, 2014. On last year, there were approximately 22 to 25 participants who attended the workshop. A great fall training session was held. Conference dates have been submitted for Biloxi and Philadelphia, MS. The MASFAA Conference will be held on May 14-16, 2014 in Natchez, MS.

**Tennessee – Jeff Gerkin:**

Jeff reviewed his written report. TASFAA is working on contracts for 2015-16. They are preparing multiple contracts at the same hotel for two years to lock in conference rates. They do not have a fall conference instead a fall training session is held. On last year, most of the participants had five years of experience who attended the fall training session. The participants were not new aid, neither seasoned professionals. Ashley Reich will attend the spring conference. Financial Aid Awareness month is in February as claimed by the Governor.

**South Carolina – Katie Harrison:**

Katie reviewed her written report. SCASFAA investments have grown. Nancy Garmroth was appointed as the Financial Planning Committee Chair. From September to January, the investments earned $2,700. February is College Goal month. The primary event will be held on February 22, 2014. The Conference will be held in Myrtle Beach, SC. A pre-conference leadership session will be conducted by Lisanne Masterson. The Department of Education representative Mike Roberts is retiring, another DOE representative will attend the conference. There are two offices without a dual slate for SCASFAA’s election.

**Alabama – Kevin Ammons:**

Kevin Ammons reviewed his written report. College Goal Sunday was held on February 1, 2014. There were five members who assisted with College Goal Sunday. The conference will be held on April 22-25, 2014 at The Battle House Renaissance Mobile Hotel & Spa.

**North Carolina – Rachel Cavenaugh:**

Rachel reviewed her written report. The fall conference was held in Cherokee, NC on November 4-6, 2013. The spring conference will be held at the Holiday Inn Sunspree on April 14-16, 2014. Rachel will be presenting two sessions during SASFAA’s conference. Bridget Ellis presented a slate of officers.

**Kentucky – Runan Pendergrast:**

Runan reviewed her written report. Katie Conrad accepted a position outside of the state of Kentucky in December. On December 10, 2013, the KASFAA Executive Board appointed a former KASFAA President, Runan Pendergrast to fill the vacant position. A bylaws change was required. KASFAA board members felt that it would be better to select a Past-President to serve instead of the President-Elect. There are twenty-five sites for College Goal Sunday. Financial aid awareness was held in January, the Governor signed the proclamation. The state ran out of state grants in January. The theme for the spring conference is KASFAA Proud-The Heros Within. It is a challenge to get people to run for office, hoping for a dual slate of officers on next year. Kentucky is extremely proud of Heather Boutell who has been elected as NASFAA’s Representative-at-Large.
Florida – Wayne Kruger:

Wayne reviewed his written report. A clock hour workshop will be held after SASFAA. There are 120 attendees for the workshop, participants registered for the workshop are from as far as Colorado. The annual conference will be held on May 26-30, 2014 at St. Petersburg Vinoy. Florida is becoming expensive. Wayne will be conducting three sessions during SASFAA’s annual conference. He is serving on the Department of Education Negotiated Rulemaking (Neg Reg) Task Force. There are six topics that will be addressed including Cash Management, clock/credit hour and credit hour conversion.

Unfinished Business:

State Presidents’ Group Project:

The State President’s book is not finished. The Presidents are working on the SASFAA and NASFAA updates. It will be finalized by the transition meeting. The book will benefit the President-Elects.

SASFAA Hospitality at 2014 NASFAA Conference:

Brent Tener is the conference chair for NASFAA. President Barree received an email from Karen Hauser at Vanderbilt indicating that NASFAA representatives toured the Music City Center. There will be no cost for use of the hospitality room, outside food and beverages are not allowed. President Barree is trying to determine the amount to spend for this initiative, if items must be purchased through the Music City Center. A meeting will be held with Brent Tener and Jeff Gerkin. This has not always been done at other NASFAA Conferences. The hospitality room will be available for local folks and SASFAA folks.

The Board was dismissed for a break at 2:42 p.m.
The Board reconvened for the meeting at 2:58 p.m.

SASFAA Hospitality at 2014 NASFAA Conference (Cont.):

President Barree will need to provide the welcome and gifts at the NASFAA meeting. The transition meeting will be held between now and NASFAA, each state President should bring 25 items for the basket to the transition meeting. The gift should be something nominal and particular to your state.

Status of Honorary Membership & Past Presidents:

A Past Presidents Luncheon will be held during the conference. There are quite a few Past Presidents who are considered honorary members with no contact information. This should be passed on to the next membership chair to resolve. SASFAA Past Presidents should be given honorary membership when they are no longer active members. It is difficult to determine when to give the honorary membership and how to maintain contact data for Past Presidents. This is an ongoing project.

New Business:

Do We Want to Continue with Mike Dunn and Blankenship for the Federal 990 Preparation?

Mike Dunn has been used for a number of years. President Barree requested an estimate from a representative at her church. It appears as if we were paying a lot. The financial information filed for the 990 was shared and the estimated cost was approximately $1,500. We paid $4,200 on last year. There were additional questions raised by the representative, such as how ready were our records? SASFAA financial data is maintained in Quickbooks and Mike Dunn was given access to Quickbooks. We have an engagement letter from Mike Dunn. President Barree suggested that we should obtain an additional proposal. Past-President Dennis felt that the amount was a little high for what we were getting done and agreed it is something that SASFAA should explore further. There
are 30 standard questions which are not complicated. A request will be submitted to other accounting firms that work with non-profits and a report will be provided at the June board meeting. To obtain a discount, it may be helpful to consider requesting a rate for multiple associations. FASFAA paid $4,000 on last year.

**State President Updates to Zita by February 24th for NASFAA Board Report**

For the NASFAA meeting which will be held in March, President Barree would like to include updates from the states. The State Presidents updates are due on February 24, 2014.

**Policy & Procedure Manual Review**

President Barree will email individuals to review specific sections of the P & P and will bring them to the June board meeting. An updated P & P will allow President-Elect Basford to begin with a clean P & P manual.

**Dissolution of SASFAA Assets**

Miriam Dill stated a laptop, miscellaneous software and hardware may need to be dissolved. Per the P & P it is up to the board. The Guide to Financial Management has more specific details. President Barree along with the Membership and Budget and Finance Chairs will decide how to handle these items.

**Feedback Needed on NASFAA’s Proposed Revisions to the Statement of Ethical Principles and the Code of Conduct**

NASFAA is soliciting feedback by February 18, 2014 on the Statement of Ethical Principles and the Code of Conduct. President Barree printed the current and proposed changes. They are combining it differently, striving for transparency and clarity. The Code of Conduct changes: Included in Part D, no amount of cash gift or de minimis amount. Concerns were raised regarding this statement because students and families sometimes give items in recognition of excellent services. The Code of Conduct changes will include more specific items that should be included on the award notification, billable, non-billable, renewal requirements, etc. The changes will be adopted during the March meeting, please inform NASFAA of your feedback.

The NASFAA Regional Leadership Nomination is due on February 28, 2014. The board entered into closed session to select a nominee for SASFAA at 3:36 p.m.

**Nominee for NASFAA Regional Leadership Award**

SASFAA will nominate a representative for the NASFAA Regional Leadership Award.

The meeting was adjourned after the closed session at 3:49 p.m.

Summary of Activities

GAP 10.1 (11-12): Create SASFAA Kits on committee structure, programs, services, activities etc. Ensure members know how to volunteer and use every volunteer on a committee or project.

Activity: No activity for this time period – see reference to SASFAA Kits in GAP 10.1 (12-13) below.

GAP 18 (11-12): Every effort should be given to invite and plan interactions and discussions with higher education associations such as SACUBO, SACRAO and COHEO.

Activity: No activity for this time period

GAP 2.1 (12-13): The President and President-Elect should determine when a review of the elected officers of the Board should be done and document in what year the Board composition and term limits were reviewed. This should be accomplished during 13-14.

Activity: No activity for this time period but the President and President-Elect will be discussing this goal during the Annual Conference in February 2014.

GAP 3.1 (12-13): The President must take the Long Range Plan, Policy and Procedures and the Governance and Planning Committee’s recommendations in establishing the goals and objectives for the year while adding personal goals that are approved by the Board of Directors. The goals should be given to each Board member immediately following the Transition Meeting to list the activities planned to meet their established goals and objectives

Activity: I distributed the goals and objectives at the beginning of July and requested that each board member return their activities for each goal by July 22, 2013. I received the final updated spreadsheet from a committee on October 10th. I updated the complete spreadsheet of all goals, objectives and activities and distributed a copy by e-mail to all Board members the week of October 21. Another copy was sent during the week of January 27 in preparation for the February Board meeting.

GAP 4.2 (11-12): The President needs to provide the GAP committee with a comprehensive listing of all SASFAA Board and Committee members with demographic information that includes sector type, ethnicity, gender and years of experience. It is the responsibilities of the committee chairs to have each of the committee members complete this document.

Activity: A spreadsheet with all Board and committee members (to include all needed GAP demographic information) as of October 23rd was provided by e-mail to all Board members for review and feedback to be provided prior to the November 2 – 3 Board meeting. All updates from November Board meeting were made and another copy of the spreadsheet was shared with all Board members for a final review prior to the February Board meeting. A finalized version of the spreadsheet will be provided to the GAP committee prior to their meeting in the spring.

GAP 5.1 (12-13): SASFAA should submit projects for NASFAA award consideration at least every two years. 12-13 is the second year in the cycle.

Activity: Basic information about the NASFAA award process was shared with the Board at the November meeting. The last NASFAA award won by SASFAA was in 2012 – Service to Colleagues or Constituencies: Associations Collaborating for Advocacy on the Hill. More specific application information will be shared with the Board at the February Board meeting but given the criteria outlined (projects had to be initiated, implemented and evaluated within the last two years), it looks like this goal will need to be moved to the 2014-15 year. It is possible that the resource manual/guide that the State Presidents are working on could be a project for consideration next year.

GAP 7.2 (12-13): The President should include a Major Section/Subsection Goal on the Goals Spreadsheet for each Board member to review their section of the P & P and report if any changes are needed.

Activity: This was included as a separate objective in the goals and objectives spreadsheets that were distributed to board members in early July. I have also done a thorough review of the P & P Manual and have sent updates to the Secretary for the list of SASFAA
President Report (Cont.)
Zita Barree

Distinguished Service Award recipients, the NASFAA Leadership Award for 2012, NASFAA State Awards for SASFAA States (Florida’s Gold Star Award this year for its program for clock-hour schools), and for some minor typos on several pages.

GAP 10.1 (12-13): Consider removing the second sentence in Objective 10.6 that refers to the creation of the “SASFAA Kits” when developing the next Long Range Plan.

Activity: No activity for this time period

LRP 3.1: Assess the purpose and need for each committee when making committee chair/liaison appointments.

Activity: This was done. An ad-hoc committee, Technology Assessment & Integration, was created to take a more global look at all of SASFAA’s communications with particular attention to the web site, functionality of Wild Apricot and policies and procedures.

LRP 3.3: Consider whether all committee chairs should be in attendance at all Board of Directors meetings, keeping in mind the need to develop future leadership for the Association yet maintaining the ability to conduct business at reasonable cost.

Activity: All committee chairs will be included in all Board meetings during the 2013-14 year.

LRP 3.4: Select an appropriate mix of returning and new committee chairs to ensure that continuity of Association business and the development of future leadership.

Activity: There are six new committee chairs (two served on the board last year as state presidents) and four returning committee chairs. Although two committee chairs resigned their positions prior to the November Board meeting, their replacements kept the mix between returning and new the same at six new chairs and four returning.

LRP 3.5: Ensure that committee chair appointments, to the extent possible, reflect inclusiveness.

Activity: Diversity was sought for committee chair appointments but unfortunately due to multiple people declining chair appointment offers, it was not initially achieved this year. When the original Sponsorship chair resigned his position, though, he was replaced with Janet Nowicki who does represent diversity. The Board as a whole still does reflect inclusiveness, though.

LRP 5.1: Identify and finance, when financially feasible, one individual annually, other than the President-Elect or Treasurer, to attend the NASFAA Leadership Conference if never attended previously.

Activity: No funds were available when the current year budget was built.

LRP 5.2: Finance, when financially feasible and when needed, the SASFAA portion of the NASFAA inter-regional visitation program.

Activity: NASFAA has recently announced that due to transition plan to smaller Board size, this year there will be no inter-regional visits.

LRP 5.3: Provide recognition of state and regional leaders.

Activity: Heather Boutell, Bellarmine University, was awarded NASFAA’s Regional Leadership Award at the 2013 NASFAA Conference in Las Vegas. It will be awarded to her at the SASFAA 2014 Annual Conference and Heather also recently was elected to the NASFAA Board as a Representative-at-Large for a two-year term.

LRP 5.4: Establish a SASFAA leadership workshop, held biannually for developing state member officers and leaders which may be held at a state conference or the SASFAA annual conference. Efforts should be undertaken to track the effectiveness of the leadership workshop in leading to individuals holding leadership positions within the Association or its member-state associations.

Activity: The Vice President is working on this goal with an estimated timeframe for the workshop sometime in the spring.

LRP 7.2: Require that officers and committee chairs review and update policies and procedures under their purview.

Activity: See response to GAP 7.2 (12-13) at beginning of report.
LRP 9.2: Serve as a link with and between various sectors of the Association, and as a link between the state associations and the National Association of Student Financial Aid Administrators.

Activity: I attended the first ever NASFAA Regional Presidents Meeting on January 17th in Washington, DC at the NASFAA office and will provide an update to the membership regarding the topics discussed during the meeting prior to our February Board meeting.

LRP 10.3: Provide the SASFAA president’s annual report to the membership in accordance with Section 1, Article 7 of the By-Laws.

Activity: No activity for this time period

LRP 10.6: Develop a volunteer process and communicate it clearly. Consider creating “SASFAA Kits” on committee structure, programs, service, etc.

Activity: A volunteer form was posted to the SASFAA web site in mid-March and two Nine News articles were written to solicit volunteers (with cross posts going out on the listserv) and each state president-elect was also asked to share the information within their respective states. A final count of volunteers will be provided after all committee members are approved. See reference to SASFAA Kits in GAP 10.1 (12-13).

PP 5.2b: Represent SASFAA as an observer at the Board meetings of the National Association of Student Financial Aid Administrators, Inc. (NASFAA).

Activity: I attended my first NASFAA Board meeting as an observer last November 11 – 12, 2013. I sent an e-mail to the SASFAA listserv on 12/20/13 with an update of the meeting. My next scheduled NASFAA Board meeting is March 24 – 25 in Annapolis, MD.

PP 5.2g: Attend state conferences and provide a SASFAA Update, as well as sessions if asked.

Activity: The schedule for attendance at state conferences was distributed at the August Board meeting. I am looking forward to my visits to South Carolina in March; North Carolina and Alabama in April; and then Mississippi, my home state of Virginia and Florida in May.
President-Elect Report
Nathan Basford

Summary of Activities

GAP 3: The President-Elect should be involved in the GAP Committee conversations and meetings prior to taking the office of President. This will help in developing the goals and objectives for the year and in assessing the Board’s attainment of the Long Range Plan.

Activity: Will be serving as observer on the 2013-14 GAP Committee. Meeting is scheduled for May 14th-16th. The meeting will be held at our Immediate Past Presidents School.

PP 5.3a: Serves as parliamentarian to the Board.
Activity: No actions for this time period

Recommendation: Immediate Past-President serves as Parliamentarian. The person has had the previous two years to serve and on the board and see how meetings are conducted. (This would require a By-laws change)

PP 5.3e: Conducts an orientation session at the annual conference for state presidents-elect.
Activity: Agenda will be presented during board report.

PP 5.3g: Begins initial planning for the next annual conference and for the promotion of the event.
Activity: Have been in communication with Ms. Chris Tolson, Campbellsville University, KY, who is our SASFAA Conference Chair for 2014-2015. She and I are working on selecting committee members for 2014-2015 and are planning to hold a transition meeting at the 2014 conference in Jacksonville, Fl.

PP 5.3h: Committees should be of sufficient size and number and represent the diversity of the membership to accomplish the goals of the Association and to develop future leadership while being fiscally responsible.
Activity: Continue to encourage diversity; encourage future leadership by offering sessions at the annual conference as well as reach out to each state in the SASFAA region. I will ensure that the executive board and committee chairs reach out to encourage diversity and inclusiveness.

PP 5.3i: Fiscal integrity will be ensured.
Activity: No activity for this time period.

ZB#1: Update and publish the SASFAA Operational Calendar
Activity: Sent out the draft of the operational calendar to all executive board members to review and add comments, suggestions, and changes. Was hoping to have ready to present by the annual conference; however with so many folks being busy this year with office obligations I have only received four recommendations. I encourage each of you that have not submitted your changes to please review and provide to me as soon as possible. I would like to have the draft ready to present via a conference call before July 1.

Other Activity:
- Attended the North Carolina Fall Conference October 8-11th. A great conference and the hospitality was very much appreciated.
- Will be attending the NASFAA Leadership Conference/Workshop March 9-11th in Washington D.C. NASFAA has offered to pay the registration fee since they have moved the board orientation out of the summer board meeting to Washington DC office, so that they can (1) Retain two full days for board business and (2) allow Regional Presidents to attend the Leadership & Legislative conference and (3) become acquainted with the NASFAA central office and staff.
- Attending the Tennessee conference in Franklin Tennessee April 7 & 8th. Will be presenting SASFAA update on behalf of President Barree, and presenting at least one session during the conference.

This will help in developing the goals and objectives for the year and in assessing the Board’s attainment of the Long Range Plan.

(No Board Report Submitted for February)
Summary of Activities

GAP 4.2: The President needs to provide the GAP committee with a comprehensive listing of all SASFAA Board and Committee members with demographic information that includes sector type, ethnicity, gender and years of experience. It is the responsibilities of the committee chairs to have each of the committee members complete this document.

Activity: Extended an invitation to all volunteers who demonstrated an interest to serve on the bylaws committee. The recommended committee members are diverse.

GAP 1.1: The Secretary recommends that if the By-Laws Committee identifies changes that are typos, then the committee should send a request to the President for approval and the changes are immediately updated. The changes should be shared as information at the next board meeting.

Activity: The By-Laws Committee members have been requested to review the bylaws and recommended changes will be discussed on Monday, February 10, 2014.

GAP 7.1: Section 1.3 (Updating the Manual) of the P & P Manual should be reviewed to ensure the language requires the SASFAA Secretary to update the P & P after each Board approved change and send the new version to the Electronic Services Chair for posting to the SASFAA website.

Activity: P & P changes have been updated and forwarded to the Electronic Services Chair for board meetings held in August and November.

GAP 7.2: The President should include a Major Section/Subsection Goal on the Goals Spreadsheet for each Board member to review their section of the P & P and report if any changes are needed.

Activity: The Secretary has reviewed the goals for 2013-14. There are no changes needed.

GAP 8.1: Although the secretary is responsible for maintaining SASFAA documents, they should also be readily available to the membership on the SASFAA website and in an obvious place.

Activity: The Board meeting minutes have been posted to SASFAA’s website for August 2-4, 2013, September 18, 2013, October 14, 2013 and November 1-3, 2013.

LRP 1.1.: Review annually to ensure that the By-Laws continue to further the mission of the Association.

Activity: The By-Laws Committee members have been requested to review the bylaws and recommended changes will be discussed on Monday, February 10, 2014.

LRP 4.1: Appoint committee members, to the extent possible, to reflect a practice of inclusiveness.

Activity: Extended an invitation to all volunteers who demonstrated an interest to serve on the bylaws committee. The recommended committee members are diverse.

LRP 4.3: Ensure that committees, unless otherwise specified in the By-Laws or by policy, function with the fewest number of members sufficient to accomplish the goals of that committee.

Activity: Extended an invitation to all volunteers who demonstrated an interest to serve on the bylaws committee. The recommended committee members are diverse.

LRP 4.4: Ensure that the committee chair, with approval of the Board of Directors, makes every effort to identify an appropriate mix of returning and new members to assure the continuity of committee business and development of future leadership.

Activity: Extended an invitation to all volunteers who demonstrated an interest to serve on the bylaws committee. The recommended committee members are diverse. There are new and returning members recommended to serve on the Bylaws committee.

LRP 4.5: Pursue alternatives to on-site meetings whenever possible to keep costs at the most reasonable level. Such alternatives include conference calls, electronic mail and arranging committee meetings in conjunction with other meetings where some committee members would normally be in attendance.

Activity: The By-Laws committee members have communicated primarily through electronic mail.
LRP 4.6: Require that each committee provides a written annual summary of its activities so this information may be included in the president’s annual report.

Activity: No activity.

LRP 7.1: Establish a procedure to ensure that the policies and procedures are accurate and complete and that the Association complies with them. The review should include an analysis of the minutes of each Board Meeting to be sure policy/procedures approvals have been incorporated.

Activity: The minutes for the board meetings held on August 2-4, 2013, September 18, 2013, October 14, 2013 and November 1-3, 2013 have been reviewed to ensure that approved changes to the policies and procedures have been incorporated.

**Conference Report**  
Amy Berrier

**GAP 4.2 (11-12):** The President needs to provide the GAP committee with a comprehensive listing of all SASFAA Board and Committee members with demographic information that includes sector type, ethnicity, gender and years of experience. It is the responsibilities of the committee chairs to have each of the committee members complete this document.

**Activity:** I worked directly with the President to select committee members from each state while being aware of sector type, ethnicity, gender, and years of experience. I also worked with the President to select the Local Arrangements Chair. The conference committee members were approved by the Board in August 2013.

**GAP 12.1 (11-12):** Priority should be given to determine the training and professional development needs of members, recognizing categorical distinctions among members such as experience, institutional type, constituencies served and level of responsibility. Specific questions should be considered on all events survey/evaluations as well as a listserv solicitation for training needs.

**Activity:** The agenda has been finalized and made available to the membership. All requests by the membership have been met. The conference committee has also made sure that all sectors and individuals will have something to attend each time slot.

**GAP 12.2 (11-12):** There needs to be survey instrument coordination with current conference chair and future conference chair in order to gather current conference evaluations, membership and professional development surveys, and consideration of current issues and educational trends and the perceived need of members. It is crucial evaluations are distributed timely after each conference and training/workshop event.

**Activity:** The committee has selected Survey Monkey as its evaluation tool. Ken Cole, SC Rep on the Conference Committee, will be responsible for creating the evaluation and reporting on the results. Once the results are available, I will make them available to the Board.

**GAP 12.3 (11-12):** It has been proven under past conference leadership onsite meetings should be limited to maximum of one two night meeting with the location being at the conference hotel. All other business should take place via conference calls and emails. Each conference chair should pay close attention to budget cutting activity. It should not be assumed the entire conference committee needs to arrive Friday afternoon. Well-planned conferences should only need to bring in the committee members as their onsite tasks are needed to minimize cost to the organization.

**Activity:** Only one in person meeting was needed. All other business has been taken care of by email, conference calls, and WebEx sessions courtesy of Nelnet.

**GAP 12.4 (11-12):** Priority should continue to be placed on providing sessions/training understanding the legislative process and ways to gain confidence when communicating with legislative officials. Efforts should continue to include topics on public policy and operations as well as competencies in management and human relations.

**Activity:** The agenda contains two sessions being offered by the Legislative Relations Committee.

**GAP 12.6 (11-12):** The conference committee should consider adding an event or time free from sessions to encourage networking.

**Activity:** The Conference Committee has included time on Monday and Tuesday nights for members to be able to network. On Monday night we are having our Bingo/New Member & First Time Attendee Meet ‘n’ Greet. We ask that all board members participate to make everyone feel welcome. On Tuesday night after the banquet we are having SASFAA’s Got Talent and a DJ. We hope that everyone will participate and we are working with the entertainment committee to make everyone feel included.

**GAP 12.7 (11-12):** It is highly recommended that the membership is solicited at a minimum to gather conference topics and sessions.

**Activity:** Task already completed.

**GAP 12.8 (11-12):** It is recommended that SASFAA solicit additional revenue by offering pre-conference opportunities for the exhibitors/sponsors using rooms reserved for SASFAA and SASFAA charging the exhibitor/sponsor to use the room.
Activity: As of right now, there is not any additional space available already blocked by SASFAA. If any opportunities become available, I will work directly with the Vendor/Sponsor Chair on options for exhibitors/sponsors. Update – there have been no requests made by vendors.

GAP 12.9 (11-12): Review prior year training to identify level and/or sectors for which training should be offered and not assuming certain pre-conference workshops be offered annually.

Activity: There will be a pre-conference New Aid Officers Workshop offered at the conference.

GAP 7.2 (12-13): The President should include a Major Section/Subsection Goal on the Goals Spreadsheet for each Board member to review their section of the P & P and report if any changes are needed.

Activity: I do not see any needed changes at this time.

GAP 12.11 (12-13): The conference committee should promote the "job board" available during the conference, and in the pre-conference materials let the membership know it will be available for conference attendees to post jobs free of charge at the event.

Activity: The conference committee will add this to our list of things to take care of at the conference. Several members missed the job board during 2012-2013.

LRP 4.1: Appoint committee members, to the extent possible, to reflect a practice of inclusiveness.

Activity: I worked directly with the President to select committee members from each state while being aware of sector type, ethnicity, gender, and years of experience. I also worked with the President to select the Local Arrangements Chair. The conference committee members were approved by the Board in August 2013.

LRP 4.2: Ensure that committees with broadly-defined responsibilities such as legislative relations, professional development, and annual conference include at least one representative from each state in the region. Discuss appointments with the current state presidents at the time of selection.

Activity: I worked directly with the President to select committee members from each state while being aware of sector type, ethnicity, gender, and years of experience. I also worked with the President to select the Local Arrangements Chair. The conference committee members were approved by the Board in August 2013.

LRP 4.3: Ensure that committees, unless otherwise specified in the By-Laws or by policy, function with the fewest number of members sufficient to accomplish the goals of that committee.

Activity: I worked directly with President to select a committee member from each state. I also have included the appropriate ex-officio members on the committee already selected by the President as committee chairs.

LRP 4.4: Ensure that the committee chair, with approval of the Board of Directors, makes every effort to identify an appropriate mix of returning and new members to assure the continuity of committee business and development of future leadership.

Activity: I worked directly with the President to select committee members from each state while being aware of sector type, ethnicity, gender, and years of experience. There was also careful consideration to insure that there was a good mix of new and returning committee members on the conference committee. The committee members were approved by the Board in August 2013.

LRP 4.5: Pursue alternatives to on-site meetings whenever possible to keep costs at the most reasonable level. Such alternatives include conference calls, electronic mail and arranging committee meetings in conjunction with other meetings where some committee members would normally be in attendance.

Activity: All other business has been conducted via conference call and email. Only one on site meeting was needed.
LRP 5.5: Provide a forum at the SASFAA conference for recognition of any state project(s) submitted to NASFAA.

Activity: This will be included at the conference depending on the outcome of any state awards at NASFAA in July 2013.

LRP 9.1: Work with all sectors of the region’s financial aid community to ensure representation and participation in all Association programs and activities.

Activity: Task completed.

LRP 12.2: Continue to develop and offer an annual conference which integrates observations gathered from conference evaluations, membership and professional development surveys, and consideration of current issues and educational trends and the perceived need of members.

Activity: This information has been kept in mind when completing the conference agenda.

LRP 12.3: Provide such a conference which incorporates cost-saving measures to encourage participation, emphasizes content, and is self-supported.

Activity: The conference committee has kept this in mind when planning the conference agenda.

LRP 12.4: Provide a varied conference agenda incorporating legislative, regulatory, public policy and operational topics, as well as, competencies in management and human relations.

Activity: The conference committee kept this in mind when planning the conference agenda.

PP 6.0a: Develop goals and objectives in keeping with committee/liaison charges, the bylaws, the mission statement and long-range plan and in consideration of the recommendations of the governance and planning committee.

PP 6.16(h): Contract with a drayage company and design an exhibitor floor plan for the conference.

The floor plan was created and revisions made according to the number of vendors.

PP 6.16(i): Electronically mail special instructions regarding exhibit space and storage of materials to exhibitors in advance of the conference.

Activity: GEMS provided SASFAA with a Service Manual which was distributed to all sponsors.

PP 6.16(j): Coordinate all vendor and sponsor activities and benefits.

ZB #7: Work to resolve any remaining issues with Wild Apricot and the Sponsorship process, particularly as it relates to the conference registration process.

Activity: Work with the Electronic Services Chair to prevent any future issues with the Sponsorship process through the SASFAA website as well as with the Treasurer to review comp registrations and payments due. Constantly requested sponsors to register for the conference with an explanation of the comp process the Treasurer and I were going to utilize to zero out their charges. Sent emails at least twice a week until all designated comps were registered.

Discussion

Drayage Services have been secured through Gilbert Exposition Management Services (GEMS) of Orlando, Florida. Their Service Manual was distributed to all sponsors.

Encore AV form from the Hyatt was distributed to all sponsors for their AV and Electrical needs.

The space for the exhibitors has been identified and the floor plan was revised and finalized.

The Entrance Unit information was provided to GEMS. The Registration Booth information was provided to GEMS.

SASFAA website has been updated with sponsorship and exhibitor information for the 2014 Annual Conference.

Solicitation for sponsorship and advertising yielded 35 sponsors. Five of the 35 are first time vendors for SASFAA. (See attached spreadsheet.)

Survey of previous sponsors who elected not to renew their sponsorship for 2013-2014 yielded the following results: Information distributed too late since committed to other regions/states, some going to NASFAA instead since it is in Nashville, several said it was simply due to budget restraints, a couple said we didn’t yield any business for them after vending last year.

Issue of Hyatt vs GEMS electrical order form-for future reference for site selection contract.

Issue of charges by hotel for inserts/flyers-for future reference for site selection contract.

On January 17, 2014 members of the Budget and Finance Committee completed a financial review of the SASFAA records for fiscal year July 1, 2012 through June 30, 2013. The following is a summary of the review.

Budget and Finance Committee Members:

Terri Parchment: Budget and Finance Committee Chair
Committee Members: Sonja McMullen
Jennifer Priest
Bill Spiers - absent

General Overview

Primary areas included in the review were extracted from the financial requirements outlined in the SASFAA Policies and Procedures Manual and the Guide to Financial Management with the latter document serving as the primary source for financial requirements. Specific exceptions noted as a result of the review are outlined below.

The committee commends the treasurer for an outstanding job of complying with the policies and procedures of the association and for maintaining the Association’s records in excellent condition and in an orderly manner which was easy to follow and understand. It was noted that board group meals contained a listing of board members and guests. There were notations of payment for the guest attendees. It was further noted that credit card statements or other reimbursement requests were corrected and proper documentation was requested prior to payment. The treasurer’s attention to detail was noted on numerous occasions and request forms were corrected prior to payment. The treasurer’s efficiency made the review much more manageable.

The committee commends the board for providing MapQuest or other detail of mileage. As well, the committee appreciates the board working within the framework of the established budget.

Scope of the Review

At the recommendation of the 1999 Financial Securities Task Force, the SASFAA Board approved establishing the Finance and Audit Committee, now the Budget and Finance Committee. One responsibility of the Budget and Finance Committee is conducting an annual review of the Treasurer’s records and procedures.

This review covered financial transactions and related documentation occurring from July 1, 2012 through June 30, 2013. Transactions were evaluated to verify that established Association guidelines and reporting requirements were followed. A list representing specific areas covered during the review is provided at the end of this report. While this review is not all-inclusive, it provides the Association management with a snapshot of the current condition of its financial practices and an assessment of the procedures in place that drive financial transactions. The absence of reference to specific practices should not be deemed approval of those practices. Specific recommendations resulting from this review, where appropriate, are included wherever an exception is noted.
Period covered by the review: July 1, 2012 through June 30, 2013
Accounting Software: Quick Books online version
Basis of Accounting: Cash
Treasurer for 12-13: Nancy Garmroth

Reference/Observation/Recommendation:

1) **Reference:** The SASFAA Travel Expense Guidelines require receipts for luggage fees.

**Observation:** During the review it is noted a travel reimbursement form did not contain one receipt for a luggage fee paid at the airport. The requestor indicated that they were not able to print the receipt at the airport and that you cannot go back and print it after the trip. These events were documented with the proper emails to the Treasurer from the board member.

**Recommendation:** Credit Card Users should be diligent to retain the necessary receipts and submit them to the treasurer within the specified timeframe.

2) **Reference:** SASFAA Travel Expense Guidelines

**Observation:** It was noted that a committee member had to pay a $175 airline change fee due to the fact that she incorrectly booked her date to return from her destination. The member tried to check in and the airlines told her she had booked the return flight for the next month. The Treasurer documented this event with emails from the committee member, committee chair, and approval from the President for the fee to be paid and charged to the committee budget line item.

**Recommendation:** Committee chairs are encouraged to stress to their committee members to use caution when booking flights and entering travel dates. Any errors that will cause a penalty should be reviewed and approved/denied by the President.

LRP 4.1  
F Appoint committee members, to the extent possible, to reflect a practice of inclusiveness.

G 1) Will build inclusiveness with all institutional types including 4 yr public, 4 yr private, community colleges and technical colleges and for-profit sectors. 2) Will seek cultural diversity among members that reflects our student demographic.

Activity: Committee complete. Committee members reflect the diversity of SASFAA and are regionally diverse as well.

LRP 4.2  
F Ensure that committees with broadly defined responsibilities such as legislative relations, professional development, and annual conference include at least one representative from each state in the region. Discuss appointments with the current state presidents at the time of selection.

G 1) Will build a depository of state organizations with like-minded directed committees (diversity) and list their goals/objectives/activities. 2) All such committee chairs will be included 3) Benchmarking of best practices will be shared through appropriate communication channels.

Activity: 1) Contacted all state ‘diversity’ or likeminded committee chairs. Created a depository of goals and activities for each state/committee. Will have a conference call with committee chairs to benchmark each state’s activities

2) Contacted financial aid chairs for EASFAA, WASFAA, MASFAA (new committee). I have not made contact with SWASFAA yet.
   MASFAA just added a diversity committee and I will serve as a member and represent SASFAA.

3) Activity 1/14—Reached out to state diversity committees for update on initiatives.

LRP 4.3  
F Ensure that committees, unless otherwise specified in the By-Laws or by policy, function with the fewest number of members sufficient to accomplish the goals of that committee.

G Task-force use will accomplish ad-hoc assignments limiting permanent committee membership

Activity: Taskforce chair established to conduct survey/overview of possible disparities in practices using social media between well-resourced institutions and under-resourced institutions. Meeting with White House HBCU initiative the week of July 29th or August 4th re: the Taskforce.

Activity continued: 9/26/13 –9/27/13 Met with Department of Education officials responsible for “underserved” institutions to work on partnership with SASFAA including conference participation. Attended the White House Initiative for HBCU’s. Challenging issues include PLUS credit check changes, and severe enrollment declines. CDR also present challenge of possible losses of Title IV funds.
Global Issues Report (Cont.)
Michael O’Grady

Activity continued: 11/1/13-01/29/13 Met with Dr. G. Jones, NASFAA, Dr. Barry Simmons, regarding substituting social media study with financial education/literacy study. Recent University of Maryland Study cites defaults impacted by financial literacy variations based on socio-economic and ethnic background.

LRP 4.4    F Ensure that the committee chair, with approval of the Board of Directors, makes every effort to identify an appropriate mix of returning and new members to assure the continuity of committee business and development of future leadership.

G    The committee will build a pipeline of future leadership drawing upon new membership from diverse backgrounds and skill sets.

Activity: Met with Tykesia Myrick from NOVA CC. She has agreed to take a leadership position recruiting other first time members to the committee. This will be her first time participating in SASFAA and comes from a robust background including the for-profit sector, HBCU sector and community college sector. She comes highly recommended by VASFAA/SASFAA/EASFAA colleagues.

Committee is diverse geographically, ethnically, and by institutional size and mission. Francisco Valines has joined and has agreed to present at SASAFAA. Francisco is the financial aid director at Florida International -- the largest Hispanic Serving Intuition (HSI) in the United States.

LRP 4.5    F Pursue alternatives to on-site meetings whenever possible to keep costs at the most reasonable level. Such alternatives include conference calls, electronic mail and arranging committee meetings in conjunction with other meetings where some committee members would normally be in attendance.

G    All meetings will be conference calls, electronic mail or other "green" and financial conscious avenues. In-person meetings will accompany state and regional meetings.

Activity: ON-Going. All meetings to date have been one on one not requiring travel expenditures of significance

Phone meetings with individual state committee chairs (see LRP 4.2 G 1)

LRP 9.1    F Work with all sectors of the region’s financial aid community to ensure representation and participation in all Association programs and activities.

Given the name change for the committee that was approved by the board this past year, re-assess information contained within the P & P and make recommendations for any changes.

ZB #8 Will visit the use of "Global" in the committee's name. Persistence, access, inclusiveness, multicultural, retention, and non- traditional are seemly more reflective of the diversity nomenclature and fitting to the stated goals and objectives of the committee.

Activity: No activity at this time.

Activity – August 2013 – I requested the nine SASFAA state Presidents to recommend either their own state legislative relations chair or another member of their state to serve on the SASFAA Legislative Relations Committee. This should ensure representation from all SASFAA states on legislative advocacy efforts, especially with Congressional representatives from each of the nine SASFAA states.

Activity – February 2014 – I currently have representation from Kentucky.

GAP 11.1 (11-12) – Continue to have joint legislative advocacy with other regions

Activity – August 2013 – I have a conference call scheduled with Justin Draeger and/or Megan McClean from NASFAA to discuss the effectiveness of the combined EASFAA/MASFAA/SASFAA Congressional Hill visits from February 2013. Based on this conversation, plans will develop regarding the specific legislative advocacy activity for the 2013-2014 year.

Activity – November 2013 – EASFAA, MASFAA, and SASFAA held its first conference call on October 11, 2013 to discuss an upcoming “Hill Visit” in 2014. Activity – February 2014 – The EASFAA, MASFAA, and SASFAA “Hill Visits” are scheduled for Thursday, February 27, 2014. So far, six SASFAA representatives are scheduled to be in attendance, representing Virginia, Georgia, North Carolina, and Kentucky.

This new attribute is “live” and working successfully. Additional to regular maintenance of the website, Mitchell has been busy will blog posting submitted by various members of the board.

Amber Singletary, Diversity & Community Action Chair, and her committee have been an active group during this “revitalization” this year. Amber attended the Georgia School Counselor Association conference on Jekyll Island in November hosting a table with various financial aid information brochures available. On January 24th, Amber provided a table at a college fair held in conjunction with Georgia Student Finance Commission’s “College, Yes You Can” event. The committee is busy preparing for a charity function at our annual conference.

Nancy Ferguson, Leadership Development Chair, and her committee have done a fantastic job communicating with the membership via the listserv this year with monthly leadership-themed articles. Nancy has contacted all institutional Financial Aid Directors to solicit nominations for participants in a free, pre-conference Leadership workshop. Her committee is meeting on February 4th to finalize course content and presenters.

Felicia Ailster, Legislative Affairs Chair, and committee are in the final stages of planning and hosting the first annual “Achieving the Dream Trip” to the Georgia State Capitol to meet with state representatives. Nominations were solicited from the GASFAA membership for students that are currently or have in the past received some type of state aid to finance their education. The selected students will accompany the committee on this visit to share their success stories that may not have been possible without the state aid funds. Additionally, Felicia has committed to participate in the SASFAA Legislative event in late February.

Truitt Franklin, Vendor/Sponsor Coordinator, worked collaboratively with other board members to plan, create, and implement the new on-line Sponsorship form and payment module.
Georgia Student Finance Commission hosted its annual “College, Yes You Can Day” at the State Capitol on Friday, January 24th. Over 250 middle and high school students assembled in the South Wing of the State Capitol to hear remarks from several keynote speakers. Dr. Pat Burd, GSFC Board Chairwoman welcomed the crowd. I, as GASFAA President, discussed the importance of post-secondary education and financing a college education. Concluding the speakers, the Honorable Governor Nathan Deal encouraged the students to play their part in all that Georgia has to offer. The students were then escorted to the Atlanta Freight Depot for information sessions, a college fair and lunch.

Summary of Activities

Greetings everyone, I hope that you have all settled in from the holiday vacations. I also hope that each of you were able to enjoy the time off with your families and reflect on all that we have to be thankful for. Please remember those who have lost loved ones or that have been going through various illnesses. SASFAA is a big family and we all need someone to lean on from time to time.

Our Financial Aid 101 workshop will be held at beautiful Lake Tiak-O’Khata, March 25-27. We had wonderful reviews from last year’s meetings and this year should be nothing less. Brenda Pittman has been working hard to make sure everything is in place. This is a wonderful opportunity for those who have been in our profession for about a year or less. There is lots of knowledge to be learned as well as great food and fellowship. Networking is a key part of the MASFAA structure and this is a great place to start. Space is limited so sign up now before it is too late. All related information can be found on our website.

We had an outstanding Fall training session and it was huge success. We had another great turnout and received valuable information from our resident Fed expert as well as from our own members. Thanks to everyone that attended and helped make it such a success.

Please remember the SASFAA Conference coming up February 16-19.

Also remember the MASFAA Conference will be held in beautiful downtown Natchez, MS, May 14 – 16. Hopefully by then we will have much warmer weather.

Thanks and God Bless

The 2014-15 TASFAA election process will be completed as of the presentation of this report. The election process and selection of candidates went very well as the Nominations Committee had a wide range of members willing to run for office this year, resulting in a nearly full slate of candidates. The approved election slate also resulted in a number of first time candidates, which is an encouraging sign as TASFAA seeks to develop future Association leaders.

The SCASFAA Executive Board met on Friday, January 31st to review the year so far and to discuss future endeavors. Since my last report, and under the guidance of the ad-hoc Financial Planning committee chaired by Nancy Garmroth, SCASFAA has successfully closed out three CDs and has converted those assets to a managed investment account. A number of changes have been approved by the Board and made to the Policies & Procedures Manual to reflect these changes relating to the financial planning of the Association. In just three months, SCASFAA has netted over $2700 in earnings as a result of this significant change in investment strategy.

SCASFAA’s New/Intermediate Aid Officers workshop was held in Columbia on November 4th and 5th, with 39 members in attendance. Vice President Kevin Delp and the Professional Development committee, along with the instructors for the event, did a wonderful job covering a variety of topics for attendees. The feedback was overwhelmingly positive, and select quotes from the evaluation have been posted on the front page of the SCASFAA website.

College Goal events are currently underway, as we have expanded College Goal to a month-long event throughout February. In addition to the primary event on February 22nd, many high schools throughout the state are hosting College Goal activities at their schools throughout the month. College Goal SC is a collaborative effort with the state’s Commission on Higher Education, and SCASFAA is actively working with CHE to identify future partnership opportunities in addition to College Goal.

Moving forward, we are working diligently to plan our Annual Conference, in addition to a Pre-Conference Leadership Symposium geared toward mid-level financial aid professionals. We are changing the format of the conference from previous years and will be holding concurrent sessions on Sunday instead of a general session. In addition, we will be experimenting with a two-luncheon format, holding an awards luncheon on Tuesday instead of a dinner banquet. We are looking forward to a number of special guests, including Zita Barree, Justin Draeger, Amanda Sharp, Rachel Cavenaugh, Lisanne Masterson, and a Department of Education trainer. At this time, SCASFAA has secured a total of seven sponsors/exhibitors who will be joining us, and our Sponsorship Chair, Nikki Merritt, is diligently working to increase and finalize that list of partners.

Our Long Range Planning committee, chaired by Elizabeth Milam, has begun work on revising and streamlining our new five-year strategic plan, which will take effect in 2015. The committee is also building in procedures for more thorough and consistent oversight and implementation of the Long Range Plan in the future.

Past President Sarah Dowd and the Nominations and Elections committee have secured and presented a slate of candidates for office for the 2014-2015 year, which has been accepted by the Executive Board and will be voted on by the membership leading up to and throughout the annual conference. Due to a lack of qualified individuals who have the appropriate level of support from their administration, the committee was not able to present a dual slate for each office. However, the candidates we do have are all capable of great work in their respective offices and will be of valuable service to SCASFAA. The slate follows:

President-Elect: Elizabeth Milam, Clemson University
Kevin Perry, Coastal Carolina University
Vice President: Donna Quick, Columbia College
Carolyn Sparks, Wofford College
Secretary: Kevin Delp, Bob Jones University
Treasurer-Elect: Earl Mayo, SC Tuition Grants Commission
Member at Large: Allison Keck, Greenville Technical College
Rosalind Elliott, University of South Carolina, Columbia

Training:
- Our Clock Hour Workshop will be held this year February 19-21 in the Jacksonville area. Just across the street from the hotel where the SASFAA Conference will be held. We have both David and Wood presenting. At the time of this submission we have 110 attendees with 8 from out of state (two from Colorado).
- We will hold our 5 regional workshops’ for the spring term and expect to have close to 200 in attendance.
- We are working with our State Department of Education to provide a webinar for our members this year using their system. And participated in a state wide line by line FAFSA training.

Executive Board Tasks:
The executive board members will be busy this year working on the following task:

Policy & Procedure: Work has begun on combining both our Policy and Procedure manuals into one so as to make it more functional.

Scholarship: This past fall we had a meeting with our financial advisor to go over our scholarships endowment fund and to discuss options. The results and recommendations from that meeting will be presented to the board this February.

Annual Conference: We have confirmed that Wood Mason and Justin Draeger will be in attendance to our annual conference. This year our annual conference will be held at the beautiful St. Petersburg Vinoy from May 26-30, 2014. We are still working of David Bartnici and others.

Sponsorship: We are already over our 40k goal for this year’s conference with several months to go.

Newsletter: Our fall newsletter went out and was a huge success, we provided it in two formats this fall and will be doing another one this spring.

Membership/Ambassador/Volunteer: no updates

Nominations: We have had a good deal of interest in our open positions, it seems as though we will have a full slate of candidates this year. Our process will begin in earnest after our February meeting in preparation for the elections which will take place the 30 days before our conference.

Outreach: College Goal Sunday planning is well under way. Training for volunteers occurred this week. The Office of Student Financial Assistance has done a great job taking over the main administration of CGS and we foresee great things this year.

Please visit our website; www.fasfaa.org for a listing of executive board members and their contact information, and all other training opportunities within the state of Florida.
