New Ideas/Suggestions/ Personal Thoughts and Recommendations:

NASFAA Board Meeting

Marian Dill and I attended the National Board Meeting on November 13-14, 2017 in Washington, DC. NASFAA is working with SWASFAA and RMASFAA on two
initiatives: 1) membership billing and alignment (if you are a member of the region, you are also a member of NASFAA and vice versa and 2) website hosting. NASFAA received a grant from the Lumina Foundation to conduct an analysis of the potential effects of a one-time FAFSA. There will not be an increase in NASFAA dues for 2018-19. The Forward 50 Grant received by NASFAA is intended to get a broader institutional voice to address reforming access and success efforts, which will include a large member engagement. There will be a diversity toolkit developed by NASFAA for regions and states to use. Additionally, NASFAA Board members met with key Department of Education Officials, Jeff Appel and Craig Munier, to discuss verification, data information sharing, Pell schedules, and regulatory reform. This was a very informative meeting.

**Regional Presidents Meeting**

A meeting of Regional Presidents, NASFAA National Chairs, and NASFAA staff was held at NASFAA on January 17-18, 2018 in Washington, DC. This meeting has been historically held during the fall. The meeting began with media preparation for a session the was held with three reporters to discuss standardized award letters, verification, and campus-based aid (One Grant, One Loan). Additional topics discussed were R2T4 and Cost of Attendance. It was a great opportunity to tell the financial aid story and share student experiences with reporters.

The Senior Advisor for Executive Outreach of Federal Student Aid, Dr. Charles Patterson, discussed FAFSA data sharing, high levels of verification, and data breaches. Dr. Patterson works with college Presidents to share Federal Student Aid information and is developing a document specifically for new Presidents. There are 6,000 institutions receiving Title IV aid. Dr. Patterson indicated that there are significant changes that will be released soon to streamline the financial aid process.

The topics submitted and addressed by Regional Presidents were establishing regional calls/exchanges, membership and conference contracts, identifying candidates to run for positions, credential training via webinars, and joint RFPs. Blogs serve as a great tool for communicating with members. I have shared several blogging documents and examples with the Communications and Outreach and Electronic Services Chairpersons. A sample conference proposal for RMASFAA is attached that may be used for Site Selection Chairpersons for the states and the regional association.

NASFAA indicated that there will be changes to the cost of authorized events that will be effective April, 2019 for purchasing credentials. Free testing vouchers will be discontinued. Associations may subsidize the cost of credential testing. The proposed authorized event pricing is attached. In April, 2018, there will be a $300 increase in the standard option (10 events), which is what SASFAA traditionally purchases for Summer
New Aid Officers Training, Pre-Conferences, webinars, and other training sessions. Several Regional Presidents indicated that their associations do not use authorized events for New Aid training because the material is not designed for new professionals. One region is developing an annual training manual. An association email account must be established for authorized events (i.e. sasfaa@gmail.com). The association will control who receives tests. NASFAA will create an account for each association and authorized events will be added through the NASFAA store. For additional details, please view the authorized events handout attached.

A diversity committee will be developed that will be comprised of regional diversity chairs. The Global Issues Chairperson of SASFAA, Joan Bailey was recommended to serve on NASFAA’s diversity committee. The Regional Presidents were asked if their associations wish to participate in an interregional exchange for 2018-19. Upon receiving a confirmation from President-Elect Erslan, SASFAA reported a response of yes. NASFAA is considering updating the Code of Conduct to include Social Media.

Annual Conference

We are very excited about the 2018 Annual Conference. The conference committee led by Runan Pendergrast has done an amazing job. Currently, there are 337 registrants, we are hoping that we will achieve our targeted budget goal of 375. We are 38 registrants away from our goal. We have assisted a few members by allowing them to include the membership dues with the conference registration payment. The hotel room block has been attained. Special thanks to the Executive Board for agreeing to waive the late fee charges for members due to severe weather storms that struck our region.

Hosting the conference in a great location such as Arlington, VA provides many advantages and a few disadvantages. We are able to maximize the local talent and resources in the DC metro area event for presenters, garner support from NASFAA in the event of a federal shutdown, and meet with legislative officials. Bill Spiers, Legislative Chair, has established a model for future conferences near the DC area by connecting twenty conference registrants with legislative representatives. Expressions of thanks and gratitude are extended to NASFAA for offering to assist SASFAA with sessions if needed. The cost of food, beverages, and WiFi are higher at this location, however, we have received support from the hotel that will allow us to retain the high quality of services that we deliver to our members.

A few conference highlights are below:

- Selected New Aid Officer Participants and Mentees to serve as moderators
- Invited New Aid Officer’s to the Vendor Reception
SASFAA scholarship recipients’ videos displayed throughout the conference

Pre-Conference Online Donations for the charity

Incorporated Hill Visits with the Annual Conference

Charity selected is the Possibilities Project (an organization that supports foster care youth who are 18 or above)

SASFAA Making A Difference Scholarship

Many thanks to the State Presidents for accepting the charge to view the applicants for the SASFAA Making A Difference Scholarship. The State Presidents will identify the top three candidates. The videos for these candidates will be displayed during the conference. We will poll SASFAA members on their first, second, and third chose at the conclusion of the conference. It has been a rewarding experience to offer scholarship support to a student. I appreciate the Executive Board for endorsing the opportunity. I wish to share the following quote from one of the applicants, “thanks to you and the SASFAA for making such a scholarship available.” SASFAA’s Making A Difference Scholarship demonstrates our commitment to the students that we serve and support.

As of January 30, 2018, there are 14 applicants representing 6 states: AL (1), GA (2), NC (3), SC (6), TN (1), and VA (1). The majority of the applicants are freshmen - seven. There are four sophomores, two juniors, and one senior. The Scholarship timelines are below:

1/31 Deadline for Scholarships
2/1 Sharon sends applicants with link to videos to Scholarship Committee Members
2/5 Scholarship Committee Rank Applicants
2/11 –14 Three Videos will be Selected to Show to Members
2/14 Members choose the #1 Video, SASFAA Making A Difference Scholarship recipient

It is exciting for SASFAA to support deserving students!

Budget and Finance

There will be a Budget and Finance meeting on Friday, February 9, 2018 at 3:00 p.m. In attendance will be the Treasurer, Budget and Finance Chairperson, Past-President, President-Elect (may join by conference call), and President. The key items to be
discussed will be a budget request from the conference committee chairperson, timely monthly statements, and resolving the deficit of $1,129.43 in the Treasurer's Line.

Support

The enormous support that I have received on this year from Marian Dill, the Executive Board, regional presidents, and SASFAA members have helped me tremendously. Our organization thrives on the loyalty and support rendered by its members. We have great presenters for the conference, volunteers to support the organization, and leaders who will continue to advance our organization to greatness. Thanks to everyone for their continuous support.

Summary of Changes to the NU Authorized Event Voucher Program
As of 1/3/18

All proposed changes will occur after the development and implementation of NASFAA’s new online store at the end of 2018 or 2019.

• To streamline the purchasing process, NASFAA would like the state and regional associations to create an association specific email address (i.e. rmasfau@gmail.com). NASFAA will use these email addresses to set up unique records in the membership database, and a unique user access group for the website.
  o Logged in to the website using one of these accounts, a state or regional representative will be able to purchase the Authorized Event Materials online.
  o Materials will be sent to the association specific email address.
  o In a future version of the website, state and regional representatives will be able to use these accounts to login to the site to download their materials; representatives are responsible for providing the login information to authorized parties only.
  o Users will be able to select a package, pick their allotted topics (based on the package type), and pay online.

• NASFAA will discontinue free test vouchers and provide associations with the option to purchase full testing access for their attendees by topic or by package.
  o As with the training materials, each state or regional event will have a 200-voucher limit.
  o Individuals who participate in Authorized Events training will always be eligible to take a credential test. It will become the choice of the association as to whether or not they want to subsidize the cost of the test.
  o Voucher codes will be event-specific.
  o Voucher codes must be used within 5 days of the event end date or they will expire.
  o Users will visit the NASFAA website to purchase their corresponding exam, using the voucher codes to discount their purchase price. For each individual test taker, the 40-day testing window will begin when the voucher code is entered into the NASFAA online store.
  o By establishing these limits, we will be aligning cohorts of individuals participating in respective training events, keeping all event participants within 5 days of the same testing period.
  o Prior to each event, the associations will contact NASFAA, via a new electronic form, to receive their voucher code. Events must be date specific. Promo codes will be given out by the instructor at the end of the training event.
  o Associations will not be required to upload/submit event rosters to receive promo codes, but will still be requested to do so for monitoring.

- New Topic: 18-19 NASFAA U Schedule -
  Academic Calendars and non-traditional programs (4 weeks)
  14-20 Self Study Guide
There are a number of activities that the President Elect will participate in throughout the year. Listed below are updates on goals that have been worked on so far through the 2018-19 year.

**Inter-Regional Exchange Program – SASFAA Welcomes Ken Kocer**

Ken Kocer, current RMASFAA President and Director of Financial Aid Mount Marty College in Yankton, SD will be attending our board meeting and entire conference here in Alexandria, VA. He will actually be doing a presentation with April Tretter from Bellarmine University, one of the NASFAAU credentialing sessions. Please give Ken a warm SASFAA welcome during his visit with us that week. This is something that we hope to continue next year for the new President Elect.

**President Elect Workshop -**

The workshop is finalized. Special Presenters for the President Elect Workshop will include two former SASFAA Presidents as well as two former NASFAA Chairs, Ron Day, Lisanne Masterson and Janet Dodson. The President Elect is very excited about the workshop, provide some very good information for the state President Elects as well as just getting to know all of the nine SASFAA State President Elects during the entire conference.

**Modifications to SASFAA Volunteer Form - SASFAA Goal #7**

The President Elect is working with the Electronic Services Chair to access and review the form for enhancements, hopeful to have a recommendation at the February board meeting or shortly following the conference so that in spring, the volunteer form will be available to complete for the 2018-19 year.

**NAOW Review Taskforce – SASFAA Goal #13**

The survey was completed in early January and over 70 people responded. Please see the responses below. Celena has received the information as well for her review and planning for NAOW this summer. A copy of the survey results is also being given to each of the taskforce members.

Q9. What other information would you like to see offered in the curriculum?

- more about student loans including alternative loans
- The information provided is great and useful information. I think less needs to be spent on the teaching to the tests.
| More on customer service, dealing with difficult students and difficult situations |
| Instructor did not seem like she wanted to be there. |
| I think some Banner, or other processing system, information would be nice. |
| I would like more information on how to counsel students face-to-face, especially when dealing with difficult situations such as professional judgments and dependency overrides. |
| System training (examples: edconnect, COD, NSLDS) |
| More real-life examples and scenarios. |
| Several of these questions do not apply to former instructors. All questions seem to be written to be answered by a participant. |
| More hands-on training |
| More examples |
| Nothing that I can think of now. The Workshop is very intense and provides a wealth of knowledge. |
| Work life balance |
| Less playing game more learning. I didn’t feel I got the learning experience I needed. I had to self-teach after the workshop finished. Professors only cared about the memories/experience than the learning. |
| Information appears to be broad enough for daily use |
| I think the NASFAA credentialing material is a great learning guide. School examples and discussion is critical for learning insights and understanding how to apply the material. |
| I would like more role playing real world examples. Thank you! |
| Please give us the ability to take the credentialing exams further after the current dates of expiration! We went from studying together to missing the ability to take our credential exams. |
| As asked earlier, more institutional examples to see how difference scenarios should be handled. Not all “textbook” examples are what we see in the office. |
| I think the curriculum is VERY comprehensive if not overwhelming. Having real examples to utilize and not just provide theory would be better. |
| I would have liked the course offered at a different time of the year, as FA offices are usually swamped during the summer and I could not complete any credentialing. |
| more technical curriculum. maybe even a breakout with someone with technology background to explain how the processes work with some of the different software packages |
| emotional intelligence |
| More information regarding best practices |
| Using the credentialing material as a source is good but the classroom sessions need to be more interactive and maybe not detailed orientated. For example, with c codes you could discuss the general ways documentation is used to document and address them and then focus on the most common c code examples instead of trying to cover every example. |
| Theory to practice. Credentialed Courses are fine but it appears people are only learning to take the test. |

GAP –
In accordance with the P&P, a mid-year review was conducted by email. This email reminder was sent on 1/18/18 to all elected officers and chairpersons of the 2017-2018 board. The email contained the list of 2017-2018 goals, a link to the LRP, and a request to respond to President Oliver or myself by COB, Friday 1/26/18 if anyone had a concern about being able to accomplish their assigned goals. At the time the report was written, no one requested help.

In collaboration with Site Selection Chair, Vice President, and President Oliver, the GAP committee meeting will be held at the Embassy Suites – Lake Buena Vista on May 17 and 18. This is the same location as the Enrollment Management Institute. The purpose is to minimize any penalties SASFAA would pay due to not meeting the prior contractual commitment.

2. Year-end report should be finalized by Friday, April 13, 2018 and uploaded to the whiteboard to give GAP committee members time for review and assessment.
3. All documents needed for assessment should be provided to the GAP Chair no later than Friday, April 1, 2018:
   a. Updated financials.

   c. Reports should be uploaded to whiteboard.
   d. Any updated guides should be provided.

Motion/Action Item(s):
In accordance with P&P 9.2.2 the following individuals are submitted as nominees for honorary membership.

Lisa Turner - After several decades of working in financial aid, Lisa Turner retired in July 2017 from James Madison University. At the time of her retirement, she was the Financial Aid Director at James Madison University. Lisa never sought the spotlight, but that didn’t stop her from being heavily involved in the financial aid profession. She has served as VASFAA President, on the NASFAA Board, and on multiple association committees at all levels, including Conference Chair for SASFAA. Not only was she a tireless “behind the scenes” worker for the associations, but she was a master at empowering others and helping them to reach their full potential. Here are a few comments the JMU office staff had to offer about Lisa:

- “You make me feel valued as an employee because you listen to me when I’m speaking, you take the time for small talk, and you acknowledge me outside of the office. Thanks for that!!”
- “Thanks for taking a chance with me. You’ve continually encouraged my growth, even when I didn’t necessarily earn it.”
- “Thank you for believing in me. Your ability to see the best in us, to let us shine, and to stand behind us is what makes you an amazing person. Thank you.”
- “You are a special kind of leader. While your expectations are high, you never seem to forget that we have value even when we fall short. Thank you!”
- “Such a remarkable role model to me. Supports my ideas/plans and encourages the best out of people.”

Lisa, and her contributions, will be missed, but we wish her the best on her well-deserved retirement.

Shelley Park – worked at Eastern Kentucky University for 36 years in the offices of Admissions, Scholarships, Financial Assistance and finally Retention and Graduation. For many of those years Shelley served Eastern Kentucky University as Director of Student Financial Assistance from 2001 -2015. Shelley has always been an active member of KASFAA, SASFAA and NASFAA. With regards to her work in SASFAA, Shelley has served on the SASFAA Board as the Kentucky (KASFAA) State President and one year as the SASFAA Conference Chair. She has served on numerous SASFAA Committees throughout the years and for several years she served on both SASFAA Legislative and Conference committees. For those of us who know Shelley, she is a wonderful person and is always finding ways to help someone in need. Thank you Shelley for your dedicated service to EKU, their students, KASFAA, SASFAA and NASFAA!

Special Awards-There are some special award nominations which will be considered in executive session.

Policy & Procedure: Changes/Recommendations:
Item 1: As requested in the October board meeting, the following suggested update is being presented to the board for consideration.

Section 5.1 - General Expectations of Board Members
This section does not currently address critical documents that should be signed at the beginning of a new fiscal year. It is for this reason the following addition to the existing language is suggested.

Existing Language
It is expected that Board members will:

a. Attend all Board meetings and stay until the end of the meeting. All Board members unable to attend should notify the president as soon as possible;
b. serve as leaders in the financial aid profession and set an example for other members of the Association and for external constituencies;
c. Recognize and uphold all fiduciary responsibility vested in the Board.
d. Provide a report at each Board meeting outlining the activities and/or issues of each Board member’s area of responsibility. An electronic copy of the report should be provided to the SASFAA Secretary for inclusion in the written minutes.
e. Adhere to the policies and procedures adopted by the Association and provide suggestions for change when appropriate.
f. Be an active participant in decisions made by the Board on behalf of the members.

Proposed Additional Language
Section 5.1

g. Sign and comply with all critical board documents. Critical board documents are listed below and contained in Appendix D of the P&P manual:
   • Confidentially Acknowledgement
   • Conflict of Interest Form
   • Standing Rules of Engagement & Protocols

The purpose of these documents is to alert Board members of their duties, responsibilities and expectations associated with their service on the board.

The documents are provided as an addendum to this report.

Item 2: Nominations and Election P&P Section 6.13
During the 2017 transition meeting, extensive changes of section 6.13 were presented by the then Past-President, Amy Berrier. These updates were tabled at that time with the understanding that the 17-18 board would consider the presented changes. Because nominations and elections are important to the integrity of the organization, we want to ensure these have been properly vetted and considered. Also, the 2018 election will be in progress during the February meeting. It is for these reasons that the suggested changes will be presented to the board at a later date. My goal is to send the proposed changes shortly after the 2018 conference to provide adequate time for proper vetting. Then the proposed changes can be considered for vote during the June board meeting.

Item 3: Record Retention
Also held over from the 2016-17 year was the enhancement and clarification of critical organization documents and the associated retention time frames. In collaboration with the Budget & Finance Chairperson, a proposed guidance will be provided to the board with adequate time for proper vetting. Then the proposed changes can be presented for vote during the June board meeting.

New Ideas/Suggestions/ Personal Thoughts and Recommendations:
Thank you for the opportunity to serve. I consider it a pleasure and am grateful for the privilege.
Confidentiality Acknowledgement –

Note: This statement was initially adopted during the August 2016 meeting of the SASFAA Executive Board.

During the course of service, SASFAA Board members may learn of information about SASFAA, SASFAA members, and/or other items that should be considered confidential. We believe it is vital to the security and integrity of the Association that Board members use this information only for its intended purposes and protect it from disclosure. This includes discussing any information considered confidential to external parties, past board members or other members of the Association.

If there is a question of whether certain information is considered confidential, Board members should inquire with the SASFAA President. It is the policy of the Association to ensure that confidential information is adequately safeguarded.

The confidentiality policy will be signed yearly by the full SASFAA Board and by specified committee members (as deemed necessary by the SASFAA President). It is intended to alert Board members of the need for discretion at all times and is not intended to inhibit normal business communications. All inquiries from the media should be referred to the SASFAA President.

By entering my name below, I acknowledge that I understand and accept my obligations and responsibilities regarding confidentiality in relation to my duty as a member of the SASFAA Board of Directors and/or a SASFAA committee member (as appropriately designated).

SASFAA Conflict of Interest Policy

Article I
Purpose
The purpose of the conflict of interest policy is to protect this tax-exempt organization’s interest (Southern Association of Student Financial Aid Administrators - SASFAA) when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of SASFAA or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

Article II
Definitions

1. Interested Person
Any SASFAA Board of Director or committee chair, who has a direct or indirect financial interest, as defined below, is an interested person.

2. Financial Interest
A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:
   a. An ownership or investment interest in any entity with which SASFAA has a transaction or arrangement that has a value in excess of $25,000.
   b. A compensation arrangement with SASFAA or with any entity or individual with which SASFAA has a transaction or arrangement that has a value in excess of $25,000.
   c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which SASFAA is negotiating a transaction or arrangement that has a value in excess of $25,000.
   d. Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.
   e. A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the SASFAA Board of Directors (Board of Directors) decides that a conflict of interest exists.

Article III
Procedures

1. Duty to Disclose
In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the Board of Directors considering the proposed transaction or arrangement.
2. **Determining Whether a Conflict of Interest Exists**
After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave Board of Directors meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Board of Directors shall decide if a conflict of interest exists.

3. **Procedures for Addressing the Conflict of Interest**
   a. An interested person may make a presentation at the Board of Directors meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
   b. The chairperson of the Board of Directors, if appropriate, appoints a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
   c. After exercising due diligence, the Board of Directors shall determine whether SASFAA can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
   d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the Board of Directors shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in SASFAA’s best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

4. **Violations of the Conflicts of Interest Policy**
   a. If the Board of Directors has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
   b. If, after hearing the member’s response and after making further investigation as warranted by the circumstances, the Board of Directors determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate corrective action.

**Article IV**

**Records of Proceedings**
The minutes of the Board of Directors shall contain:
   a. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the Board of Director’s decision as to whether a conflict of interest in fact existed.
   b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any
alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

Article V

Compensation

a. A voting member of the Board of Directors who receives compensation, directly or indirectly, from SASFAA for services is precluded from voting on matters pertaining to that member’s compensation.

Article VI

Annual Statements

Each Board of Director or committee chair shall annually sign a statement which affirms such person:
   a. Has received a copy of the conflicts of interest policy,
   b. Has read and understands the policy,
   c. Has agreed to comply with the policy, and
   d. Understands SASFAA is charitable and in order to maintain its federal tax exemption it must engage primarily in activities that accomplish one or more of its tax-exempt purposes.

Article VII

Periodic Reviews

To ensure SASFAA operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:
   a. Whether compensation arrangements and benefits are reasonable, based on competent survey information and the result of arm’s length bargaining.
   b. Whether partnerships, joint ventures, and arrangements with management organizations conform to SASFAA’s written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

Article VIII

Use of Outside Experts

When conducting the periodic reviews as provided for in Article VII, SASFAA may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the Board of Directors of its responsibility for ensuring periodic reviews are conducted.
I hereby acknowledge receiving and reading a copy of this SASFAA Conflict of Interest Policy and agree to properly disclose, as indicated, any potential conflicts as defined in this policy.

1. Conduct 3-4 Webinars
2. Host a SASFAA Enrollment Management Forum
3. Provide 2 Pre-Conference Workshops, including a Mid-Level Workshop
4. Host the 2018 New Aid Officer Workshop, increasing attendance if possible

I. Track and keep P&P changes compiled all year long
   a. I am keeping a running list of changes this year, will document the technical corrections for the GAP committee, and will submit that in my end of year report.
      i. Will need to work with board members that attended the October meeting to ensure that all changes that are updated correctly.

II. Archive prior versions of the Bylaws on the SASFAA website (at least going forward) so that a historical perspective can be maintained.
   a. This process continues, and all future changes will have the date of the change listed.
      Will also put together a guide document on how I organized things so that it might be followed in similar fashion in future years.

While this review is not all-inclusive, it meets all standards of a Financial Review exercise, and provides a snapshot of the current condition of its financial practices and an assessment of the procedures in place that drive financial transactions. The absence of reference to specific practices should not be deemed as an approval of those practices. Specific recommendations resulting from this review, where appropriate, are included wherever an exception is noted.

- There are old outstanding debits showing in the checking account.
- Manual invoices.

**Recommendations:**

- Always enter a subcategory in Quickbooks unless there is not one.
- Reconcile Quickbooks to the Event in Wild Apricot.

Policy Language Recommendations
The SASFAA Budget & Finance Committee met October 27 – 28, 2017, and as part of that review developed the following recommendations to the Executive Board for updating SASFAA governing documents.

**SASFAA Travel Expense Guidelines Recommended Updates**

**MEALS – ALL RECEIPTS REQUIRED – SASFAA DOES NOT PAY PER DIEM**
Modify language in #1:

1. Meal expenses are not to exceed the daily rate of $50.00. SASFAA members are encouraged to keep meal costs within the following parameters for each meal. These limits are not established for individual meals, but guidelines to be used when making meal purchases. For example, a member can spend $7 on breakfast, $17 on lunch, and $26 on dinner, then that’s $50 in total for the day. However, the sum total of all meals for the day will not be reimbursed at a level greater than $50.00.

   Breakfast - $10.00
   Lunch - $15.00
   Dinner - $25.00

   Meal expenses are reimbursable at a rate established by the Board, except in cases where meals are provided to members as a group. In the event group meals are provided by SASFAA, the daily allowance will be reduced by the suggested amount for the meal provided. The exception is a “continental breakfast” will not be counted as a provided meal. For example, if dinner is provided, then the maximum reimbursable limit for that day is $25.00.

Add a #3:

3. All meal receipts must show the detail of the items purchased. Receipts that do not include the itemized detail will not be accepted for reimbursement without the President's approval.

Add a #4:

4. Whenever possible, meal receipts submitted for reimbursement should only include SASFAA reimbursable items. For example, if SASFAA members are traveling with family, whenever possible the family member’s meal should not be on the same receipt that the SASFAA member submits for reimbursement or is paid for with a SASFAA credit card.

AUTO – ALL RECEIPTS REQUIREMENTS

1. On an exception basis, the use of rental vehicles may be necessary to conduct SASFAA business. Prior approval of the President or Treasurer is required, taking into consideration the cost effectiveness of the rental and ensuring that it is beneficial to SASFAA.

Add the following section:

SIGNATURES

All reimbursement forms must be signed by the committee member seeking reimbursement, as well as the committee chair if one exists. In some situations, the SASFAA Policy & Procedure Manual allows, or requires, the President or Treasurer to be the approving authority for expenses or reimbursements. The following formats qualify as a signature:
Committee members seeking reimbursement –
  o The signature must be an original, “wet” signature on the reimbursement form. The form can be scanned and mailed, faxed, or e-mailed to the Treasurer after it is signed by the member.
  o No other format will be acceptable.

Committee Chair (or other approving authority) –
  o The signature can be an original, “wet” signature on the reimbursement form. When this occurs, the reimbursement form will contain two signatures (committee member and approving authority).
  o In place of a signature, the committee chair (or approving authority) can provide approval of the expense or reimbursement via e-mail to the Treasurer. The e-mail must be from the individual's e-mail account associated with his or her SASFAA qualifying employment (i.e., not personal account).

Replace Section 8.2.2 Music Copyright Usage Policy

Copyright laws require music users to get permission from songwriters and composers who can charge a fee before their music is played publicly. This fee allows the artists and others to continue to create music. Public performance and the playing of recorded, copyrighted music requires permission from copyright owners or their licensing agent(s) to prevent SASFAA from infringing on anyone’s rights—risking lawsuit. This even includes the singing of ‘Happy Birthday’ that may occur from time to time—as that song is copyrighted.

To legally cover the Association from copyright infringements and liabilities for the use of live or recorded music, the Treasurer, on behalf of the Association, will submit event/attendee reports and fees as required by the American Society of Composers, Authors, and Publishers (ASCAP) and Broadcast Music, Inc. (BMI). The coverage from both companies is required as each company represents different copyright holders (song writers, artists, producers, etc.).

Fees and Forms:

ASCAP: If the Association’s events reach no more than 1,500 attendees (duplicated), the annual fee is around $125. Should the number reach 1,501, the fee increases to over $400.

BMI: The report for all events in the prior calendar year is filed in January. After receiving the report, BMI will issue an invoice for all events in the prior calendar year. BMI’s fee is a minimum of $155.00. The cost increases on a ‘per attendee’ basis. In total, it’s generally around $200.00 annually.

Modify Section 10.4.2 Liability Coverage

To protect the Association against possible losses due to personal suit, the Association must obtain limited protection under a general liability policy. In some instances, hotels and other meeting facilities require the cost of liability coverage to be borne by the contracting organization. The Board should include this coverage when constructing the operating budget each year.

Additional information concerning liability insurance is contained in Section 5.4 of the SASFAA Guide to Financial Management.

Modify Section 10.6.1(3)

On an exception basis, the use of rental vehicles may be necessary to conduct SASFAA business. Prior approval of the President or Treasurer is required, taking into consideration the cost effectiveness of the rental and ensuring that it is beneficial to SASFAA.

However, the sum total of all meals for the day will not be reimbursed at a level greater than $50.00.

Breakfast - $10.00
Lunch - $15.00
Dinner - $25.00
Meal expenses are reimbursable at a rate established by the Board, except in cases where meals are provided to members as a group. In the event group meals are provided by SASFAA, the daily allowance will be reduced by the suggested amount for the meal provided. The exception is a “continental breakfast” will not be counted as a provided meal. For example, if dinner is provided, then the maximum reimbursable limit for that day is $25.00.

All meal receipts must show the detail of the items purchased. Receipts that do not include the itemized detail will not be accepted for reimbursement without the President’s approval.

Whenever possible, meal receipts submitted for reimbursement should only include SASFAA reimbursable items. Committee Goals for 2017-2018:

Goal 1 – Raise $95,000 is sponsorship in support of SASFAA. As the climate continues to change in the financial aid industry and the push to a single servicer continues, the outcome raises the possibility of a slight reduction on sponsors for 2017-18.

Goal 2 – Form a committee made up of vendor/sponsor chairs in the nine SASFAA states to collaborate on meeting the needs of our vendors and to promote involvement to groom others for the position of Sponsorship Chair for SASFAA.

Goal 3 – In collaboration with the sponsorship chairs from the other states within SASFAA, promote and increase interaction with our vendors at the SASFAA conference. The goal for our sponsors to attend such events is to have actual interaction with current and potential clients. Increasing this activity brings value to attendance at the annual conference.

LRP and GAP Goal Activity to date:

Goal 1 – An invitation was sent out to sixty two possible supporters of SASFAA on September 28, 2017. The goal is to raise $95,000 in sponsorship dollars to support SASFAA. To date I have received thirty three confirmations of sponsorship totaling $100,250.00 and one notification for a previous sponsor that they will not be attending/sponsoring this year (Nelnet).

Goal 2 – The Sponsorship Committee is made up of the nine state association sponsorship chairs. The meeting was held in early August to discuss restructuring of the sponsorship levels for SASFAA. Julie Finn, Melanie Gillespie, and Shannon Cross were able to make this meeting. The focus of the meeting was to bring “value” to the levels of sponsorship offered. We evaluated the structure of last year’s packages taking into consideration the packages that were chosen and what items were not purchased in addition to the standard package offering. There were four packages offered and several a-la-carte items offered. Of these offering the following indicates what was selected:

- **Impact Package ($5000)**
  - Three vendors selected this package
- **Advocacy Package ($4000)**
  - One vendor selected this package
- **Action Package ($3500)**
  - One vendor selected this package
- **Exhibit Space ($2500)**
  - Twenty nine vendors selected this package
- **A-La-Carte Options ($500)**
  - Two were selected

With the above information, the committee restructured the packages offered in to three standard offerings that we believed offered value that vendors would be able to justify expenses. We did keep two a-la-cart items of the larger booth space and premium placement ($500 each) and combined the advertisement package in to one option at $600 and added sponsorship of a lunch and learn session at the conference and sponsorship of the Enrollment Management Forum. Currently we have the following vendor commitments:

- **Congressional Level ($5000)**
  - Two vendors have selected this package
- **Legislative Level ($3500)**
  - Two vendors have selected this package
- **Judicial Level ($2500)**
  - One vendor has selected this package
- **Supporters of SASFAA ($1000)**
  - None at this time
- **A-La-Carte Options – from ($750-$500)**
  - One vendor has selected one of these options

The second invitation to prospective supporters of SASFAA will go out on October 12, 2017.
Goal 3 – During our committee meeting and in conversations with other vendors, the task of creating valuable interaction with vendors is a must. In order for our vendors to continue to support us they need to show value in their attendance. Not only is this a task of the individual vendor to get out from behind the booth and interact with the attendees but we also need to encourage attendees to interact with our vendors. Several ideas were presented to increase communication and we decided to go with the one listed below:

- Create a puzzle where attendees have to visit each booth to find out information about that vendor’s products, then receiving a puzzle piece to complete their puzzle. Completed puzzles will be handed in and those names will be put in the hat for four cash prize drawings.

LRP and GAP Goal Activity to date: Opened conference registration and updated conference webpages with updated agenda and charity information. Scheduled two webinars and assisted committees with scheduling conference calls. Posted “Making a Difference” Scholarship information. Committee Goals for 2017-2018:

- Review, update and repost the SASFAA Legislative Guide.
- Create a SASFAA Alert for legislative issues.
- Present a webinar on legislative advocacy.
- Provide a session on legislative advocacy at the annual conference along with an opportunity for hill visits.
- As is appropriate, participate in hill visits with the NASFAA effort.
- Provide written communication from the Board to legislators when consensus exists on issues.
- Have monthly phone calls with the committee.

LRP and GAP Goal Activity to date:

The Legislative Guide is fully revised and published on the SASFAA website. While we had hope to accomplish this fairly quickly when we conducted the full review we found that there were several major changes which resulted in a complete rewrite. Thank you to Ron Gambill, Jan Lassiter, and Dennis Makins for an outstanding job of getting it ready for publication. I have provided several copies for the Boards Review.
The Legislative Webinar was conducted on November 16, 2017. Over sixty people registered for the event, but as a result of technical difficulties only 38 were able to login. It is archived for those who want to view. Bret Lief and Ron Gambill did an outstanding job and provide tremendous insight on what we should expect and on the most effective ways to advocate.

We have had conference calls almost every month. We did miss September as a result of the hurricane that hit Tallahassee.

A survey of interest in legislative visits during SASFAA was conducted and 20 people responded with 19 interested. At the writing of this report final plans are being made for the visits.

A survey of the membership was conducted to determine the areas of concerns and area that were favorable in the Prosper Act. That survey is currently underway at the writing of this report. Once the membership identifies key areas, a white paper will be developed that can be used during legislative visits.

While we haven’t had an alert at this point, we did work with Amy Barrier who provided us with an interest survey from NASFAA. It was provided to the membership. We also posted a very well written article by Mike Bennett.

Each week, when available, we have posted the legislative calendar to keep the membership apprized on activity in DC.

Committee Goals for 2017-2018: The Site Selection Committee is charged with searching for sites to accommodate SASFAA while considering the efforts of the Cost Containment Taskforce. Currently researching sites for 2018 Fall Board Meeting and Management Institute, looking in FL and TN. Also sending out RFP’s for SASFAA 2021 event, looking in FL.

A few other updates: with the slow pick up for the 2018 conference as it relates to rooms and registrations, it’s a good idea to be proactive with outstanding agreements we have and see where we can make adjustments. I’ve reached out to 2019 and 2020 sites to see if a decrease in room block is possible. For the 2021 agreement I will add a clause that we will revisit the room block one year prior to the event.

Objectives/Goals/Task for 2017-2018:

Objectives:

- **Policy Section 1.3: Updating the Policy & Procedure manual:** As we all know it is the responsibility of all officers and committee chairs to identify areas in need of new or revised policy guidance or procedure change. These changes must be approved by the executive board, and upon approval, the secretary incorporates the changes.

- **Policy Section 2.4: Association Goals & Objectives:** The goals and objectives are reviewed annually by the Long-Range Planning Committee:

Task:

- In order to achieve the objectives assigned to our committee this year, I along with the committee members will work closely with each officer and committee chairs and the current secretary to ensure all changes submitted and approved by the board are updated into the Policy & Procedure manual by the end of the year, and posted to the SASFAA website to be available to all members.

Legacy-LRP and Activity to date:

- Immediate Past President, Marian Dill contacted me to see if our committee would consider a task to present suggested Policy & Procedure guidelines to provide guidance on how to handle a situation when an elected officer is not or cannot perform their elected duties. We are excited to take this suggestion on as a current task and will begin meeting this week during the conference. I will provide updates after our meeting to all via email.
Amy Berrier, a Past President is taking the lead on gathering information so that we can tackle this task. Some of the questions we are looking to address are the following:

What options can and should the board take?
What are the steps and things that should be considered?

In addressing these questions we will be cautious not to create a situation where the board could be sued for slander or any other legal liability.

- Submission of the SASFAA State President’s Guide and PowerPoint presentation for possible NASFAA Gold Star Award: The committee members were sent a copy of the revised guide for review and we will meet on February 9, 2018 at 3:30 in meeting Room Burch. There we will go over updates/recommendations/etc. We plan to have this finalized and the NASFAA application completed and ready to submit by noon EST, February 23, 2018.

**Completed Task:**

- Submitted articles for Newsletter as required!

**Policy/Procedure: Changes/Recommendations:**

At the last board meeting our committee was given the task of bringing back to the board recommendations updating our P&P to address assigning voting privileges for elected officers unable to attend board meeting. We have the following to present:

**Current:**

Section 4: Organizational Structure 4.1 Executive Board

The Board shall function as the Board of Directors of the Association and is responsible for the management of the business, property and assets of the Association. The Board shall be vested with all powers possessed by the Association itself. This shall include the power to appoint and remunerate agents and employees, insofar as such delegation of authority is not inconsistent with or repugnant to the laws of the State of Georgia, any other laws, the Articles of Incorporation of the Association and the bylaws. The Board shall consist of the following:

- SASFAA elected officers: president, president-elect, vice president, immediate past president, secretary, treasurer, and treasurer-elect.

- State presidents: the president, or the designated representatives, of the following state financial aid associations – Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee, and Virginia.

SASFAA elected officers and state presidents must be active members of the Association.

Both the elected officers and state presidents have voting privileges at Board meetings.
The chief executive of a state association may designate a substitute-voting member for Board meetings. The name of the substitute-voting member must be communicated to the SASFAA president who must announce the substitute at the beginning of the meeting.

**Recommendation:**

The chief executive of a state association may designate a substitute-voting member for Board meetings. The name of the substitute-voting member must be communicated to the SASFAA president who must announce the substitute at the beginning of the meeting. **Elected officers cannot appoint or request proxies voting privileges in their absence during a board meeting.**

Enjoy the conference!

6. Continue to bring attention to the available resources for DACA students.
7. Propose or seek members to propose at least 3 diversity related sessions for the conference.
**LRP and GAP Goal Activity to date:**

**LRP – Goal I:** Committees should represent the mosaic abilities of the membership.

- Ensure that committees, unless otherwise specified in the By-Laws or by policy, function with the fewest number of members sufficient to accomplish the goals of that committee.

**Update:** Members were submitted for approval at the board meeting in July.

**LRP Goal IV:** Be fiscally prudent - Pursue alternatives to on-site meetings whenever possible to keep costs at the most reasonable level. Such alternatives include conference calls, electronic mail, and arranging committee meetings in conjunction with other meetings where some committee members would normally be in attendance.

Overall, I am very impressed with the level of work being done by the board members to carry out the business of the association. The board members and conference committee members have worked well together and are planning a very informative and action filled conference. It has been an honor to be part of this group and I look forward to a successful conference.

The Spring FASFAA Board Meeting is tentatively scheduled for 3/22 and 3/23 in Central Florida. At that board meeting we will vote on our slate of candidates for elected offices, we will also approve nominees for 2018 FASFAA Awards.

Thomas Vo has officially resigned as President as of 1/19/2018. David Alexander has assumed his roles and responsibilities.

The Executive Board has voted to hold a special election for an interim President-Elect, up until June 30, 2018.

The conference committee has met at the conference location, Naples Grande, to review the layout and plan accordingly. The Naples Grande location did have some damage caused by the
hurricane(s) in 2017, but it is now re-open to the general public. Conference registration is scheduled to be opened on 2/5/2018.

Program planning is being finalized to ensure we capture the most requested, relevant, and desired topics. The program agenda is scheduled to be uploaded to the FASFAA site by 2/9/2018.

The Leadership Program has been revised to include a preconference workshop.

President David Alexander will be attending the NASFAA Leadership Symposium in February 2018 and currently has 2 confirmed meetings for the Hill Visit.

Currently we have 14 Vendor/Sponsors who have committed support to our 2018 conference.

Our “Cruise Ship” themed annual conference will include informative workshops and sessions, fun nightly events, networking opportunities, and more.

The regional training events during the fall was well attended. Planning is currently in advance stages for our spring regional workshops.

The 2018 KASFAA Spring Conference Committee met on Thursday, December 7th at the Crowne Plaza Louisville Airport Expo Center to continue planning and preparation for the 2018 KASFAA Spring Conference—Defying Gravity.

The 2017-2018 KASFAA Board met on Friday, December 8th, at the same hotel mentioned above, and continued working toward its many goals and LRP items. From a fiscal perspective, the board is on track to meet, and potentially exceed income goals while holding down expenses. Plans are underway to initiate regional trainings in one or two regionally isolated areas of the state. A long-term funding proposal was approved by the board. Research is being conducted on the development of a scholarship account new logo submissions are being solicited.

Major changes to state funding models for education and state scholarship programs are being discussed in Frankfort and creating anxiety for many in the area of education.

Summary of State Activities:

KASFAA hosted its annual Financial Aid Call-In Show on our publically assisted statewide television channel, KET. The event was hosted on September 11th with 4 on-air panelists including Michael Birchett (KASFAA President), Bryan Erslan (SASFAA President-Elect), Kate Ware (KHEAA), and Victoria Owen (Simmons College).

An email was sent to all state presidents on August 30th, 2017 to request suggestions for updating the SASFAA “Getting Involved” presentation. To date, I have received 1 response. A reminder was sent out on October 9th, 2017.

The 2017 KASFAA Fall Conference, Pure Imagination, was held October 11-13, 2017 at The Campbell House Lexington in Lexington, KY. The conference co-chairs were Sandra Neel and Bob Fultz. Guests included David Bartnicki (Federal Trainer with the Department of Education), Tiina Rodrigue (PTAC), Kate Miller (Kentucky ACLU), and Dr. Sharon Oliver (SASFAA). The conference hosted a New Aid Officers Workshop as well as two NASFAA U pre-con sessions and two NASFAA U post-con sessions. This conference reintroduced an evening meal on Thursday that had been previously removed for almost 10 years. This was the first conference where KASFAA supplied and operated its own A/V equipment.

The conference was preceded by our fall business meeting on October 10th, 2017. KASFAA is currently restructuring itself both fiscally and organizationally in an effort to ensure the association is most operationally suited to address current and future needs. We have eliminated some positions and created others. We have obtained new income sources and expanded others by reaching out to new sponsors and charging for NASFAA U credentialing opportunities. The conference was extremely well-received and the subject of very positive feedback.

Summary of State Activities
MASFAA members have teamed up with our local Get2College center and offered their time to volunteer with FAFSA completion days over the state. We have had overwhelming increase in our numbers of FAFSA completion this year as a result.

FA 101 will be offered in the spring. Plans for this event have been finalized and registration window has now opened. We are excited to bring this event back to our members, as it will be the first in the last 4 years.

I meet with our Planning committee and we spent the day together gathering recommendations that will be brought to the board for needed changes to our P and P. The changes ranged from formatting issues to things that were just obsolete due to the current technology changes, such as mail outs and printed newsletters. We also created an application for our new Jane Lee Memorial Scholarship Fund that is to be used to assist in funding Professional Development. Our plan is to pay conference registration dues for professionals to attend the annual conference for schools who lack the resources to send deserving staff members.
Plans for our Annual Conference are well on the way. The theme for the 2018 MASFAA Conference is Uplifting Others. The chosen charity is known as the MS MACE (Metro Area Community Empowerment). This organization was created to assist individuals with Spinal cord injuries (SCI) and provide youth character building through mentorship, community involvement, and goal formation. They help people with SCI reach their maximum level of physical, mental, emotional, and spiritual function through fitness and sports. Antonio Wright, the CEO and Founder of MACE, will be a speaker at opening session at our Annual Conference in June at the beautiful Pearl River Resort, in Philadelphia, MS. We are planning a wheelchair basketball game where the board will start off playing against members of the MS MACE Basketball team. This will be one of the fundraising events offered to raise money for the charity.

Past President

Motion/Action Item(s):

In accordance with P&P 9.2.2 the following individuals are submitted as nominees for honorary membership. Lisa Turner - After several decades of working in financial aid, Lisa Turner retired in July 2017 from James Madison University. At the time of her retirement, she was the Financial Aid Director at James Madison University. Lisa never sought the spotlight, but that didn’t stop her from being heavily involved in the financial aid profession. She has served as VASFAA President, on the NASFAA Board, and on multiple association committees at all levels, including Conference Chair for SASFAA. Not only was she a tireless “behind the scenes” worker for the associations, but she was a master at empowering others and helping them to reach their full potential. Here are a few comments the JMU office staff had to offer about Lisa:

- “You make me feel valued as an employee because you listen to me when I’m speaking, you take the time for small talk, and you acknowledge me outside of the office. Thanks for that!!!”
- “Thanks for taking a chance with me. You’ve continually encouraged my growth, even when I didn’t necessarily earn it.”
- “Thank you for believing in me. Your ability to see the best in us, to let us shine, and to stand behind us is what makes you an amazing person. Thank you.”
- “You are a special kind of leader. While your expectations are high, you never seem to forget that we have value even when we fall short. Thank you!”
- “Such a remarkable role model to me. Supports my ideas/plans and encourages the best out of people.”

Lisa, and her contributions, will be missed, but we wish her the best on her well-deserved retirement.

Shelley Park – worked at Eastern Kentucky University for 36 years in the offices of Admissions, Scholarships, Financial Assistance and finally Retention and Graduation. For many of those years Shelley served Eastern Kentucky University as Director of Student Financial Assistance from 2001 -2015. Shelley has always been an active member of KASFAA, SASFAA and NASFAA. With regards to her work in SASFAA, Shelley has served on the SASFAA Board as the Kentucky (KASFAA) State President and one year as the SASFAA Conference Chair. She has served on numerous SASFAA Committees throughout the years and for several years she served on both SASFAA Legislative and Conference committees. For those of us who know Shelley, she is a wonderful person and is always finding ways to help someone in need. Thank you Shelley for your dedicated service to EKU, their students, KASFAA, SASFAA and NASFAA!

Special Awards-There are some special award nominations which will be considered in executive session.

Policy & Procedure: Changes/Recommendations:

Item 1: As requested in the October board meeting, the following suggested update is being presented to the board for consideration.

Section 5.1 - General Expectations of Board Members
This section does not currently address critical documents that should be signed at the beginning of a new fiscal year. It is for this reason the following addition to the existing language is suggested.

Existing Language
It is expected that Board members will:
a. Attend all Board meetings and stay until the end of the meeting. All Board members unable to attend should notify the president as soon as possible;
b. Serve as leaders in the financial aid profession and set an example for other members of the Association and for external constituencies;
c. Recognize and uphold all fiduciary responsibility vested in the Board.
d. Provide a report at each Board meeting outlining the activities and/or issues of each Board member’s area of responsibility. An electronic copy of the report should be provided to the SASFAA Secretary for inclusion in the written minutes.
e. Adhere to the policies and procedures adopted by the Association and provide suggestions for change when appropriate.
f. Be an active participant in decisions made by the Board on behalf of the members.

**Proposed Additional Language**

Section 5.1
g. Sign and comply with all critical board documents. Critical board documents are listed below and contained in Appendix D of the P&P manual:
   - Confidentially Acknowledgement
   - Conflict of Interest Form
   - Standing Rules of Engagement & Protocols

The purpose of these documents is to alert Board members of their duties, responsibilities and expectations associated with their service on the board.

The documents are provided as an addendum to this report.

**Item 2: Nominations and Election P&P Section 6.13**

During the 2017 transition meeting, extensive changes of section 6.13 were presented by the then Past-President, Amy Berrier. These updates were tabled at that time with the understanding that the 17-18 board would consider the presented changes. Because nominations and elections are important to the integrity of the organization, we want to ensure these have been properly vetted and considered. Also, the 2018 election will be in progress during the February meeting. It is for these reasons that the suggested changes will be presented to the board at a later date. My goal is to send the proposed changes shortly after the 2018 conference to provide adequate time for proper vetting. Then the proposed changes can be considered for vote during the June board meeting.

**Item 3: Record Retention**

Also held over from the 2016-17 year was the enhancement and clarification of critical organization documents and the associated retention time frames. In collaboration with the Budget & Finance Chairperson, a proposed guidance will be provided to the board with adequate time for proper vetting. Then the proposed changes can be presented for vote during the June board meeting.

**Vice President:**

**Motion/Action Item(s):**

1. I move that Nathan Basford be approved to serve a third year as New Aid Officer Instructor.

**Secretary:**

Motions:

1) Motion to accept the October Board Report submitted to Tarik Boyd who was the acting secretary at the October Board meeting

2) Motion to Accept the E-meeting minutes from the 11-17 e-meeting NOAW retreat site selection.
**Budget & Finance Chair**

**Policy & Procedure: Changes/Recommendations:**

- Policy Language Recommendations in attached document.

**Sponsorship Chair**

**Policy & Procedure: Changes/Recommendations:**

* P&P needs to be updated to reflect the 2017-2018 Sponsorship Options under section 6.16.1 Sponsorship of SASFAA Conferences.

**Long Range Planning:**

**Policy/Procedure: Changes/Recommendations:**

At the last board meeting our committee was given the task of bringing back to the board recommendations updating our P&P to address assigning voting privileges for elected officers unable to attend board meeting. We have the following to present:

**Current:**

Section 4: Organizational Structure 4.1 Executive Board

The Board shall function as the Board of Directors of the Association and is responsible for the management of the business, property and assets of the Association. The Board shall be vested with all powers possessed by the Association itself. This shall include the power to appoint and remunerate agents and employees, insofar as such delegation of authority is not inconsistent with or repugnant to the laws of the State of Georgia, any other laws, the Articles of Incorporation of the Association and the bylaws. The Board shall consist of the following:

- SASFAA elected officers: president, president-elect, vice president, immediate past president, secretary, treasurer, and treasurer-elect.

- State presidents: the president, or the designated representatives, of the following state financial aid associations – Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee, and Virginia.

SASFAA elected officers and state presidents must be active members of the Association.

Both the elected officers and state presidents have voting privileges at Board meetings.

The chief executive of a state association may designate a substitute-voting member for Board meetings. The name of the substitute-voting member must be communicated to the SASFAA president who must announce the substitute at the beginning of the meeting.

In collaboration with Site Selection Chair, Vice President, and President Oliver, the GAP committee meeting will be held at the Embassy Suites – Lake Buena Vista on May 17 and 18. Motion/Action Item(s):
In accordance with P&P 9.2.2 the following individuals are submitted as nominees for honorary membership.

Lisa Turner - After several decades of working in financial aid, Lisa Turner retired in July 2017 from James Madison University. At the time of her retirement, she was the Financial Aid Director at James Madison University. Lisa never sought the spotlight, but that didn’t stop her from being heavily involved in the financial aid profession. She has served as VASFAA President, on the NASFAA Board, and on multiple association committees at all levels, including Conference Chair for SASFAA. Not only was she a tireless “behind the scenes” worker for the associations, but she was a master at empowering others and helping them to reach their full potential. Here are a few comments the JMU office staff had to offer about Lisa:

- “You make me feel valued as an employee because you listen to me when I’m speaking, you take the time for small talk, and you acknowledge me outside of the office. Thanks for that!!!”
- “Thanks for taking a chance with me. You’ve continually encouraged my growth, even when I didn’t necessarily earn it.”
- “Thank you for believing in me. Your ability to see the best in us, to let us shine, and to stand behind us is what makes you an amazing person. Thank you.”
- “You are a special kind of leader. While your expectations are high, you never seem to forget that we have value even when we fall short. Thank you!”
- “Such a remarkable role model to me. Supports my ideas/plans and encourages the best out of people.”

Lisa, and her contributions, will be missed, but we wish her the best on her well-deserved retirement.

Shelley Park – worked at Eastern Kentucky University for 36 years in the offices of Admissions, Scholarships, Financial Assistance and finally Retention and Graduation. For many of those years Shelley served Eastern Kentucky University as Director of Student Financial Assistance from 2001 -2015. Shelley has always been an active member of KASFAA, SASFAA and NASFAA. With regards to her work in SASFAA, Shelley has served on the SASFAA Board as the Kentucky (KASFAA) State President and one year as the SASFAA Conference Chair. She has served on numerous SASFAA Committees throughout the years and for several years she served on both SASFAA Legislative and Conference committees. For those of us who know Shelley, she is a wonderful person and is always finding ways to help someone in need. Thank you Shelley for your dedicated service to EKU, their students, KASFAA, SASFAA and NASFAA!

Automatic Honorary Membership –

Don Rainer – for his service as SASFAA President in 1990-91. He retired from The University of West Alabama on 1/1/2018.

Nathan Basford - Honorary Membership with Special Honor
To say that Nathan Basford exceeds the expectations of the FAFSA & SASFAA membership would be an understatement. As a three-time state President, Nathan has performed well beyond expectation. During his third term of FASFAA president, he showed what he means by the term “Servant Leader.” Due to unforeseen circumstances, the president elect stepped down. Left without leadership at a time of transition, Nathan quickly jumped in when asked by the association and helped make that year one of the most successful yet.

During his years of service, FASFAA instituted some wonderfully successful programs such as our three day clock hour specific mini-conference, a full review and update of all association by-laws, policies & procedures, and taken back over the administration of College Goal Sunday. During his time with FASFAA, he has served as President three times, Vice President of Training, Conference Chair, and committees too numerous to name. On top of that, he has served as State President to SASFAA three times, New Aid Officer Trainer, and many committees.

**Special Awards**

- **Katie Harrison** - Ms. Harrison obtained her Bachelor’s degree from Oglethorpe University, a private liberal arts institution in Atlanta, Georgia. She holds a Master’s degree in Higher Education Administration from the University of South Carolina. Katie has extensive experience and expertise in Tuition Grants administration, having worked as the Commission’s Deputy Director since 2009. Prior to joining the Tuition Grants Commission, she worked in the student financial aid field for 11 years, holding positions at Abraham Baldwin Agricultural College, Lander University, the University of South Carolina, and South Carolina Student Loan Corporation. In 2007, the National Resource Center for the First-Year Experience and Students in Transition published Ms. Harrison’s featured article entitled “Financial Literacy Initiatives on Today’s Campuses: Strategies for Student Success” in their newsletter, *E-Source for College Transitions*.

  Ms. Harrison was recently hired as the fifth Executive Director of The South Carolina Higher Education Tuition Grants Commission and is the agency’s first female to hold the position.

- **Jenelle Handcox** - Mrs. Handcox obtained her Bachelor’s degree from the University of Georgia, a public research institution in Athens. She holds a Master’s degree in Public Administration from Valdosta State University. Prior to joining the University of North Carolina at Pembroke, she worked as the Director of Financial Aid in the student financial aid field for over 18 years at Abraham Baldwin Agricultural College and South Georgia College.

  Jenelle goes above and beyond the call of duty in every position she holds with the associations she volunteer’s with. She has stood out within SASFAA as being the go to person for her duties as Treasurer, with exceptional service to the association. She has assisted the current sitting Treasurer and continues to be the person whom will assist with anything needed to ensure the association runs smoothly. Jenelle was displaced from her home and worked tirelessly to ensure SASFAA business was taken care of because she is a truly diligent, hardworking and caring individual.

- **Michael Bennett** – Michael’s recent writings for NASFAA’s *Voices From the Aid Office* have been both humorous and spot on. He effectively conveys key concerns from the FA perspective and clearly has a global understanding regarding the impact on students and their potential for success.

**Policy & Procedure: Changes/ Recommendations:**

Item 1: As requested in the October board meeting, the following suggested update is being presented to the board for consideration.
Section 5.1 - General Expectations of Board Members
This section does not currently address critical documents that should be signed at the beginning of a new fiscal year. It is for this reason the following addition to the existing language is suggested.

Existing Language
It is expected that Board members will:

a. Attend all Board meetings and stay until the end of the meeting. All Board members unable to attend should notify the president as soon as possible;
b. serve as leaders in the financial aid profession and set an example for other members of the Association and for external constituencies;
c. Recognize and uphold all fiduciary responsibility vested in the Board.
d. Provide a report at each Board meeting outlining the activities and/or issues of each Board member’s area of responsibility. An electronic copy of the report should be provided to the SASFAA Secretary for inclusion in the written minutes.
e. Adhere to the policies and procedures adopted by the Association and provide suggestions for change when appropriate.
f. Be an active participant in decisions made by the Board on behalf of the members.

Proposed Additional Language
Section 5.1

g. Sign and comply with all critical board documents. Critical board documents are listed below and contained in Appendix D of the P&P manual:

- Confidentially Acknowledgement
- Conflict of Interest Form
- Standing Rules of Engagement & Protocols

The purpose of these documents is to alert Board members of their duties, responsibilities and expectations associated with their service on the board.

The documents are provided as an addendum to this report.

Item 2: Nominations and Election P&P Section 6.13
During the 2017 transition meeting, extensive changes of section 6.13 were presented by the then Past-President, Amy Berrier. These updates were tabled at that time with the understanding that the 17-18 board would consider the presented changes. Because nominations and elections are important to the integrity of the organization, we want to ensure these have been properly vetted and considered. Also, the 2018 election will be in progress during the February meeting. It is for these reasons that the suggested changes will be presented to the board at a later date. My goal is to send the proposed changes shortly after the 2018 conference to provide adequate time for proper vetting. Then the proposed changes can be considered for vote during the June board meeting.

Item 3: Record Retention
Also held over from the 2016-17 year was the enhancement and clarification of critical organization documents and the associated retention time frames. In collaboration with the Budget & Finance Chairperson, a proposed guidance will be provided to the board with adequate time for proper vetting. Then the proposed changes can be presented for vote during the June board meeting.

New Ideas/Suggestions/ Personal Thoughts and Recommendations:
Thank you for the opportunity to serve. I consider it a pleasure and am grateful for the privilege.
