Section 1: Introduction

The Southern Association of Student Financial Aid Administrators (SASFAA) Policy and Procedure Manual (Manual) supplements the Articles of Incorporation and the Association bylaws by providing specific policy guidance and procedures that are required to be used by the members of the Board of Directors hereinafter referred to as the Manual and committee chairs. It provides an overview of the Association's structure, describes the responsibilities of members who hold leadership positions, and provides guidance and reference to be used in the conduct of Association activities.

1.1 Purpose and Scope

The Manual is designed to provide the Board with easy access to essential information about the policies and procedures that govern SASFAA. These policies and procedures are intended to further the mission of the Association, ensure fiscal integrity and support the continued viability of the Association.

A number of additional benefits are expected from the use of the Manual, including a greater understanding of Association responsibilities among members, a consistency of interpretation and processes, and a means of familiarizing those members serving in a leadership position for the first time with their individual responsibilities as well as the overall role of SASFAA.

The Manual is not intended to include a description of every function of the Association nor of every activity conducted by the Association. The Manual is intended to be a living document that will change as necessary to fit the Association's needs.

1.2 How to Use the Manual

All members of the Board and committee chairs are responsible for using the Manual to perform their duties.

The Manual is organized into sections that should assist the user in locating information easily. The Table of Contents lists these sections. In addition, Appendix A and B includes attachments pertaining to items referenced throughout the Manual. Most standard forms are retained on record with the secretary for officer and committee use, as needed. Appendix B contains references to other applicable policies and procedures for SASFAA.

A numerical outline is used as the format, as listed in the Table of Contents. Chapter 1, for example, contains three subsections: 1.1, 1.2, and 1.3.

The Secretary maintains the Manual. The Association has adopted a standard software program (Word), format (Numerical Outline) and type style (Times New Roman) to be used throughout the Manual. All future changes to the Manual must adhere to these standards.

1.3 Updating the Manual

All officers and committee chairs are responsible for identifying areas in need of new or revised policy guidance or procedural change and for recommending appropriate changes. The Board must approve all new policies, procedures, and changes. Upon approval, the Secretary incorporates the changes.

The *SASFAA Policy and Procedure Manual* shall be reviewed by the Board annually to ensure that it continues to further the mission of the Association and its financial integrity. All proposed changes to the Manual must be approved by a majority vote of members present at a meeting of the Board.

After every five years a thorough review of the Manual shall be undertaken to identify areas needing changes. The last full review was in 2019-20, the next full review will take place in 2024-25.

1.4 Compliance

All Board members and representatives to the Board (committee chairs, liaisons, etc.) are responsible for following established policies and procedures.

5.1.1 Legal Duties of Board Members

Southern Association of Student Financial Aid Administrators (SASFAA, the Association) officers and board members must meet certain standards of conduct and attention in carrying out their responsibilities to the association. These standards are the duties of care, loyalty, and obedience. These collective duties apply to the entire board and require the active participation of all of its members. The board reviews these duties annually at the transition meeting

The Duty of Care:

The Duty of Care requires that SASFAA board members and officers be fully informed about the Association's activities, participate in decisions, and do so in good faith. Board members and officers must act in a manner they reasonably believe to be in the best interest of the Association and must use the care and judgment of an ordinarily prudent person when making decision as a steward of the organization. SASFAA board members and officers carry out the Duty of Care through:

- Being aware of SASFAA’s mission, plans and policies, and being sure they indeed serve the needs of the community that the board members represent.
- Fully participating in board meetings, deliberations, and decisions by attending board meetings and arriving fully prepared.
- Reading, evaluating, and ensuring accuracy of all reports, including minutes, financial, and committee reports.
- Ensuring the Association has sufficient resources to fulfill its mission.
- Using independent and best judgment when making decisions.

The Duty of Loyalty:

The Duty of Loyalty is a standard for faithfulness and requires all SASFAA board members and officers to give undivided allegiance when making decisions affecting the Association. This means that board members must act in the interest of the Association and not in their own interest or the interest of another entity, particularly one in which they have a formal relationship. SASFAA board members and officers carry out the Duty of Loyalty through:

- Recognizing and notifying the president and other board members of any conflict of interest, either formal or informal that may affect independent thought.
- Disclosing by a board member to the rest of the board any information about him/herself that could have an impact on his/her decision making and oversight function.
- Never using information obtained as a board member for personal gain and always acting in the best interests of the organization.
- Completing a Conflict of Interest Form annually.
- Always thinking about and focusing on the priorities of the association and not that of yourself or another organization.

The Duty of Obedience:

The Duty of Obedience requires SASFAA board members and officers to comply with all applicable federal, state, and local laws and to adhere to the Association’s Bylaws. Board members exercise their own reasonable judgment concerning how the Association should best meet its mission, and they may not act or speak publicly in a way that is inconsistent with the

mission and goals of the association. SASFAA board members and officers carry out the Duty of Obedience through:

- Thorough knowledge of the Association's regulatory and reporting requirements and documents governing the association and its operations (such as By-Laws and Board Policies and Procedures Manual).
- Representing the association in a favorable light.
- Speaking "with one voice" after a decision has been made, even if the individual board member is in disagreement with the decision.

5.2 President

The President serves as the chief executive officer of the association and presides at all Board and business meetings. In this capacity the president:

- (1) provides leadership and direction to all activities of the Association, the Board and all standing and ad hoc committees;
- (2) represents SASFAA as an observer in the Board meetings of the National Association of Student Financial Aid Administrators, Inc. (NASFAA), serves as an alternate voting member in the absence of the SASFAA Past President if approved by the NASFAA Chair, provides reports of NASFAA activities to the SASFAA Board and publishes reports in the SASFAA Nine News or on the website as appropriate;
- (3) selects all committee chair and liaisons. Works with committee chairs on finalizing committee members;
- (4) serves as ex-officio member of all committees except Nominations & Elections.

Washington, DC 20559-6000

8.2.2 Music Usage Policy

Copyright laws require music users to get permission from songwriters and composers who can charge a fee before their music is played publicly. This fee allows the artists and others to continue to create music. Public performance and the playing of recorded, copyrighted music requires permission from copyright owners or their licensing agent(s) to prevent

SASFAA from infringing on anyone's rights—risking lawsuit. This even includes the singing of 'Happy Birthday' that may occur from time to time—as that song is copyrighted

To legally cover the Association from copyright infringements and liabilities for the use of live or recorded music, the Treasurer, on behalf of the Association, will submit event/attendee reports and fees as required by the American Society of Composers, Authors, and Publishers (ASCAP) and Broadcast Music, Inc. (BMI). The coverage from both companies is required as each company represents different copyright holders (song writers, artists, producers, etc.).

Fees and Forms:

ASCAP: If the Association's events reach no more than 1,500 attendees (duplicated), the annual fee is around \$125. Should the number reach 1,501, the fee increases to over \$400.

BMI: The report for all events in the prior calendar year is filed in January. After receiving the report, BMI will issue an invoice for all events in the prior calendar year. BMI's fee is a minimum of \$155.00. The cost increases on a 'per attendee' basis. In total, it's generally around \$200.00 annually.

More specific information and/or verbiage from agreements from ASCAP or BMI can be obtained by using the contact information below.

Failure to adhere to this standard of conduct may result in loss of access to the Listserv or more severe action, depending on the circumstances.

An individual may register with the SASFAA Nine News to receive an email notification following the posting of an item to the SASFAA Nine News.

SASFAA Executive Board members should submit timely articles or reports that coincide with the work of their committee/office. Following such a format would require each board member to write only one or two SASFAA Nine News entries a year. However, any SASFAA Executive Board member may submit an article or report at any time.

The SASFAA Nine News should allow for a regular, steady stream of news coming from the SASFAA leadership subject to the diligent adherence by the SASFAA Executive Board members to provide reports. Each SASFAA board

member should submit a sufficient number of reports to keep the SASFAA membership informed of the ongoing work of their committee or activities in their respective state.

In order to recognize the work and service of the President, SASFAA shall award a scholarship to be given to the Past-President's institution. The funds should be used to award a scholarship to a student with need. The amount should be determined by the Budget and Finance committee based upon the current financial environment. The amount shall be approved by the Executive Board when the annual budget is approved. This award can be paid any time during the Past-President year. The Past-President shall report the name of the recipient to the Executive Board.

Section 10: Financial

Maintaining the financial stability of the Association is paramount to ensuring its continued viability and service to its membership. The following Section establishes basic parameters for financial controls. The SASFAA Guide to Financial Management, referenced in Appendix C, provides operational information specific to the treasurer. The guide also provides guidance to the Board in its fiduciary responsibilities for the Association's funds.

10.1 Membership Dues

The Budget and Finance Chair should make a recommendation regarding the cost of annual membership dues at the first Board meeting of each fiscal year, and as needed thereafter. The Board reviews all recommendations to determine if a change to the cost of annual membership dues is justified. Any alteration approved by the Board that results in a potential increase in the cost of annual membership dues should move forward for consideration by the members of the Association as prescribed by the Bylaws.

Membership dues are non-refundable.

10.2 Conference, Events and Workshop Fees

The Budget and Finance Chair should make recommendations regarding the costs and fees associated with the annual conference, professional development events (e.g., conferences, symposiums, seminars, and/or workshops), and other special events at the first Board meeting of each fiscal year, and as needed thereafter. The Board reviews all recommendations to determine if the proposed costs and fees are justified.

10.2.1 Annual Conference Fees

The Budget and Finance Chair will consult with the Conference Committee to propose the annual conference budget. The annual conference budget will consider the annual conference fee, anticipated participant and sponsorship revenues, hotel and event contractual obligations, and other related income and expense items.

10.2.2 Professional Development Event Fees

The Budget and Finance Chair will consult with the Professional Advancement Committee to propose the budgets for all professional advancement events within the operative fiscal year. The professional advancement events' budgets will consider the event fee(s), anticipated participant and sponsor revenues, hotel and event contractual obligations, and other related income and expense items.

10.2.3 Special Event Fees

The Association periodically conducts special events to address the interests or needs of the membership. The Budget and Finance Chair will consult with the committee(s) responsible for organizing the event(s) to propose a budget(s) for all special events within the respective fiscal year. The special event budget(s) will consider the event fee, anticipated participant and sponsor revenues, hotel and event contractual obligations, and other related income and expense items.

10.2.4 Late Fees

Late fees will be automatically charged for registrations occurring fewer than 30 days prior to the event. All registration fees are fully refundable provided the requests for refunds are received by the Treasurer more than 30 days prior to the event. The President has the authority to waive late fees or provide refunds for unusual circumstances on a case-by-case basis. Authorized refunds will be credited to the payer via the method of payment used (e.g., check payments will be refunded by checks, credit card payments will be issued a credit return, etc.). This information must be included on all registration forms.

10.3 Waived Expenses

In certain occasions, it is appropriate to waive expenses of members or guests of the Association. Following are specific instances in which expenses may be waived:

- (1) membership dues for honorary members of the Association based on current policy governing honorary membership.

- (2) membership dues or registration fees to individuals who serve as invited guests of the Association. Examples of this include, but may not be limited to, guest speakers at conferences and/or workshops.

Any waiver of expenses should be documented in writing explaining the expenses being waived and the reason for granting the waiver. The responsible committee chairperson and the President should approve all waivers.

10.4 Insurance

Insurance policies are secured for financial protection of the Association. Insurance shall be in the form of a general bond that covers specified members of the Board or other Association members, as determined necessary by the Board. In addition, the Association maintains business liability coverage to protect the Association from suits in the event of personal injury.

10.4.1 Fidelity Bonding

Any individual having direct access to the Association's funds shall be bonded at SASFAA's expense. The Board establishes the amount of the bond coverage. The Board shall include the cost of the fidelity bond when constructing the operating budget each year.

Additional information pertaining to bond coverage is contained in Section 5.3 of the SASFAA Guide to Financial Management.

10.4.2 Liability Insurance

Liability insurance shall be obtained to cover directors/officers and general liability. In some instances, hotels and other meeting facilities require the cost of liability coverage to be borne by the contracting organization. The Board should consider this possibility when constructing the operating budget each year.

Additional information concerning liability insurance is contained in Section 5.4 of the SASFAA Guide to Financial Management.

10.5 Investments

Developing and maintaining sound investment strategies is a critical component to ensuring the Association's continued financial stability. Information specific to the Board's responsibilities regarding investments is outlined in Section 3 of the SASFAA Guide to Financial Management.

10.6 Travel Reimbursement Policy

Travel reimbursement is made available to members and some invited SASFAA guests for official SASFAA business. Policies may differ depending on the scope of those duties or the nature and location of the work being performed. A travel reimbursement form must be completed and submitted to the treasurer within thirty (30) days after travel has been completed. The committee chair must first approve reimbursement for committee members traveling on behalf of SASFAA. Refer to GFM 7.7 for acceptable signatures.

The President may approve payment of claims that were not submitted within thirty (30) days of the date the expense was incurred. The President, or Treasurer in the absence of the President, has the ability to make exceptions on a case-by-case basis when additional travel costs are necessary due to circumstances that may occur beyond the traveler's control.

10.6.1 General Travel

The Association shall reimburse members and invited guests for travel expenses incurred while performing required duties on behalf of the Association.

Reimbursements cover, but may not be limited to, the following items:

a. Mileage

Mileage rate shall not exceed the IRS business rate in effect on July 1st of each fiscal year. The limit is 500 miles each way on a trip.

Documentation of mileage (e.g. MapQuest, Google Maps, etc.) shall be provided with the expense reimbursement form. Normally, this reimbursement should not exceed the cost of lowest price, coach air fare. In circumstances when use of a car is preferred for personal reasons, reimbursement for mileage will be limited to the above.

b. Airfare

Volunteers make their own flight arrangements, and are asked to do so as soon as meeting dates are confirmed to obtain lower fares. All air travel should be purchased at lowest cost – coach class or equivalent. Travelers using a fare at a greater rate (such as first class) shall be reimbursed only for the applicable coach/coach equivalent rate for the flight. A copy of the ticket receipt must accompany the travel reimbursement request. In instances where a higher-class rate is used,

information to verify the coach/coach equivalent rate at the time of the reservation must be provided by the traveler.

An airline may use different terminology for classes other than basic and economy. See below for an example.

Example: Southwest Airlines has three class fares – Business Select (like first class), Anytime, and Wanna Get Away. The main difference between Anytime and Wanna Get Away is that Anytime is completely refundable and more expensive. Therefore, SASFAA would cover travel expenses on Southwest Airlines for the Wanna Get Away class fare.

SASFAA may cover seat upgrades for extenuating or medical circumstances. Documentation should be submitted with the request prior to purchase. These upgrades must be approved prior to purchase by an Authorized Approval Authority (President, Treasurer, or Budget & Finance Chair) other than themselves.

If a meeting is canceled or an emergency occurs, SASFAA will cover any cancellation, change, or other fees incurred as a result.

Checked bag fees are reimbursed at the rate of one checked bag per flight. If more than one bag is checked for SASFAA business, approval should be obtained prior to the flight. Approval may be granted by an Authorizing Approval Authority (President, Treasurer or Budget & Finance Chair) other than themselves.

Several budget airlines (Southwest, Spirit, Frontier, Jet Blue Allegiant, etc.) have early check-in, boarding position, and choice of seat options. Early check-in fees \$35.00 and under will be automatically approved. Any change to your boarding position or seat selection (coach/basic/economy) \$50 and less will be automatically approved. Any costs for these options over the stated amounts require prior approval by an Authorized Approval Authority (President, Treasurer, or Budget & Finance Chair) other than themselves.

c. Rental Vehicles

On an exception basis, the use of rental vehicles may be necessary to conduct SASFAA business. Prior approval of the President or Treasurer

is required, taking into consideration the cost effectiveness of the rental and ensuring that it is beneficial to SASFAA.

d. Taxis and Airport Shuttle/Limo Service and Parking

Such transportation shall be reimbursed at actual cost, including tip, if appropriate. Receipts are required with the travel reimbursement request.

e. Lodging

Reimbursement is for the actual cost of lodging, not to exceed the minimum pre-approved room rate at the hotel of the meeting event. Attendees to Board and Committee meetings are encouraged to share a room to help control expenses whenever possible as determined in advance by the President or Committee Chair. Receipts must accompany the claimant's request for reimbursement.

f. Meals

Meal expenses are not to exceed the daily rate of \$50.00. Members are encouraged to keep meal costs within the following parameters for each meal (Breakfast - \$10; Lunch - \$15; Dinner - \$25). These parameters are only guidelines to be used when making meal purchases, still keeping within the \$50 daily rate. In cases where meals are provided to members as a group or a partial allowance due to travel, the daily allowance will be reduced by the suggested amounts listed above.

Meal expenses are reimbursable at a rate established by the Board, except in cases where meals are provided to members as a group. In the event group meals are provided by SASFAA, the daily allowance will be reduced by the suggested amount for the meal provided. The exception is a "continental breakfast" will not be counted as a provided meal. For example, if dinner is provided, then the maximum reimbursable limit for that day is \$25.00.

All meal receipts must show the detail of the items purchased. Receipts that do not include the itemized detail will not be accepted for reimbursement without the President's approval.

Whenever possible, meal receipts submitted for reimbursement

should only include SASFAA reimbursable items. For example, if members are traveling with family, whenever possible the family member's meal should not be on the same receipt that the member submits for reimbursement or is paid for with a SASFAA credit card.

g. Tips

Tips, other than for meals or beverages, are reimbursable. (Tips for meals or beverages are included in the total for meals. See 10.6.1 (f). Receipts for tips exceeding \$10 must be provided. Exceptions to the \$10 maximum may be approved by the Treasurer or President.

h. Other Charges

Other charges related to travel and not itemized on the travel expense form must be approved by the President. As a general rule, receipts are required unless otherwise specified in the travel expense guidelines. Charges itemized on the travel expense form include meals, lodging, airfare, baggage, rental vehicle, taxi/limo/shuttle, tips, parking/tolls, and mileage.

10.6.2 President's Travel to State Meetings

Expenses for the president (or the president's designee) to attend state meetings of each of the nine member states shall be borne by SASFAA, except in the instance where the president is attending the state meeting in the president's home state. The hosting state association shall provide a complimentary registration. If available, the hosting state association shall provide complimentary lodging; otherwise, the cost shall be borne by SASFAA.

The Budget and Finance Chair along with the Treasurer may approve expenses of the President to attend his or her own state meeting on a case by-case basis.

10.6.3 Travel to NASFAA

a. Annual Conference

SASFAA shall cover all expenses for the outgoing past president, outgoing current president, and the outgoing president-elect to attend the annual conference. All travel expenses for the NASFAA board

meeting and NASFAA Conference (travel, conference registration, lodging, and meals) are paid by SASFAA.

Depending on the time of the NASFAA conference (i.e. conference prior to or after July 1st) the cost of the conference will be assigned to the budget year that the actual conference occurs.

b. NASFAA Board Meeting Prior to NASFAA Annual Conference

Summer (generally June or July) – For the **Outgoing Past-President** (rotates off the SASFAA Board in July), NASFAA does not cover travel expenses for the board meeting associated with the annual conference. NASFAA does pay for lodging and meals associated with the board meeting. Therefore, SASFAA will cover travel for the outgoing Past President (who serves as a voting member on the NASFAA board).

Summer (generally June or July) – For the **Outgoing President** (becomes SASFAA Past-President in July), NASFAA does not cover travel expenses or lodging for the board meeting associated with the annual conference. NASFAA does pay for meals associated with the board meeting. Therefore, SASFAA will cover travel and lodging for the outgoing President.

Summer (generally June or July) – For the **Outgoing President-Elect** (becomes SASFAA President in July), NASFAA does not cover travel, lodging, or meals for the board meeting associated with the annual conference. Therefore, SASFAA will cover travel, lodging, and meal expenses for the board meeting. The outgoing President-Elect is allowed to attend the board meeting in conjunction with the annual conference but begins official service as the SASFAA observer on the NASFAA board at the fall NASFAA Board Meeting.

Depending on the time of the NASFAA conference (i.e. meeting prior to or after July 1st) the cost of the board meeting will be assigned to the budget year in which the conference occurs.

10.6.4 Annual Conference/Preceding Board Meeting

Guidelines cover allowable reimbursable expenses incurred related to attending the annual conference and preceding board meeting. The following expenses shall be paid by SASFAA and charged against that officer's or committee chair's budget. State Presidents' expenses are charged to Executive Board, and Local Arrangements is charged to the conference/annual meeting.

Other expenses recommended by the Conference Chair and approved by the President and Treasurer may be covered.

- Registration fee (comped)

- For Federal Government Employees, contract with hotel should allow for government per-diem rate which is self-pay (SASFAA cannot pay or comp).

e. Speakers, Presenters, and Invited Guests Not Affiliated with or members of SASFAA

Each year the Conference Chair should review the conference/annual meeting budget and decide what should be provided to speakers, presenters and guests who are not SASFAA members. The President must approve any offer. Traditionally comped rooms, if available, have been allocated as a way of compensating guests who are only attending to assist with the meeting, present session(s), or perform other duties and require an overnight stay. Generally, guests are not registered through Wild Apricot but are maintained on a list to create a name tag and be in a count for meal functions. If the guest is at the meeting during a meal function, that meal is covered by SASFAA.

f. Complimentary Rooms

If complimentary rooms are available based on the current contract with the conference hotel, the rooms should be assigned by the Conference Chair in cooperation with the President and Treasurer in the following order:

- NASFAA and Invited Guests (President, Trainer, Inter Regional visitors)

The following expenses shall be paid by SASFAA and charged against that officer's budget or to the Professional Development Workshop. Other expenses approved by the President and Treasurer may be covered.

10.6.8 State Presidential Exchange (Travel to State Conferences)

The Association shall sponsor each traveling state president-elect (or presidential designee in the event the president-elect cannot travel) up to \$500 travel expenses. Travel expenses must be in accordance with the Travel Reimbursement Policy 10.6.1 and shall not exceed \$500. Expense forms will be submitted to the Treasurer for approval within the timeframe stated in the Travel Reimbursement Policy 10.6. The intended purpose of this sponsorship is to cover allowable travel expenses (travel and meals in route). In the event travel expenses exceed \$500, the visiting state shall cover any remaining expenses.

It is the responsibility of the states (host and visiting) to coordinate other expenses such as conference fees, room cost, etc. A suggestion based on historical practice would be for the host state to waive conference registration and comp hotel room costs. The guest state would cover other expenses as necessary (e.g., meals not included in conference, travel expenses beyond \$500).

10.7 Credit Card Use

Credit cards are secured for elected officers and the conference chair to cover reimbursable expenses associated with performing their duties. SASFAA has established guidelines for the acquisition and use of credit cards.

- (1) The Treasurer shall secure credit cards for official SASFAA business use by elected officers and the Conference Chair.
- (2) The credit line of the President and Vice President shall be no more than \$5,000. The credit line of all other cards shall be no more than \$3,500.
- (3) The Treasurer shall provide written guidance to each cardholder explaining appropriate card use and reporting requirements.
- (4) All expenses charged to a credit card must be reported by the user to the treasurer within ten (10) days of receiving his/her credit card statement. All itemized charges on the statement must correspond to a valid receipt. All expenses charged to a credit card by the treasurer must be reported to the

Budget and Finance Chair within ten (10) days of receiving his/her credit card statement. All itemized charges on the statement must correspond to a valid receipt.

- (5) Cardholders shall surrender their cards to the treasurer within ten (10) days of the expiration of their term of office, or at the direction of the president. In the case of the out-going Past-President, the card shall be surrendered to the treasurer within ten (10) days after the conclusion of the NASFAA Annual Conference if SASFAA is covering any expenses under other policies for the out-going Past- President to attend any part of the NASFAA Conference and/or Board meeting.
- (6) Charging personal expenses to the Association credit card is prohibited. Any violations of this policy will require immediate repayment to SASFAA. The treasurer must report to the Board at the next board meeting. If repayment is not submitted within 30 days the credit card will be revoked.
- (7) Violations of card use policies may result in cancellation of credit card privileges.
- (8) Prior to issuing a SASFAA credit card, the treasurer will obtain from each credit card user a signed Agreement of Understanding. This agreement outlines the obligations of the user and an understanding about potential liabilities. (see Attachment B of the Guide to Financial Management)
- (9) Credit card information shall not be shared to an entity via email or fax. This information will be given via telephone or by overnight tracked delivery only
- (10) In situations where the SASFAA credit card is used by board members conducting NASFAA business as a result of their SASFAA position, the following documents must be submitted to the Treasurer to justify and explain the charges on the SASFAA credit card:
 - a. Reimbursement form submitted to NASFAA for reimbursable charges on the SASFAA credit card.
 - b. Receipts submitted to NASFAA that match the reimbursable charges on the SASFAA credit card.
 - c. Documentation of mileage (e.g. MapQuest, Google Maps, etc.) shall be provided regarding mileage in situations where reimbursement is being sought for this expense.

10.8 Reserve Fund

Maintaining liquidity of funds helps ensure that the Association will be able to cover its

To help support SASFAA activities, the Association solicits financial support from entities associated with the delivery of student financial aid. Business Partner wishing to participate in SASFAA conferences and workshops should contact the Business Partner Chair. (See Section 6.16 for specific information pertaining to sponsorship policies.)

11.1.3 Coordination of Sponsored Activities and Schedules

All sponsored activities shall be coordinated through the Business Partner Chair. All sponsored activities must be approved by SASFAA. Sponsored activities shall in no way conflict with other scheduled events or activities conducted by SASFAA.

The Sponsor area shall be closed during general sessions.

Business Partner Chairs who wish to hold separate events in conjunction with the Annual Conference will be asked to follow these guidelines:

- The Business Partner Chair will need to handle all of the coordination for this event, including any room reservations, contracts, and other planning. Since these are not sanctioned SASFAA events, SASFAA

will not work with the hotel to try and afford the Sponsorship Chair any of the cost “breaks” that the Association receives for the conference expenditures. The Business Partner Chair will need to negotiate their own cost structure with the hotel.

- The hotel will not display any advertising for these events in any of the areas under contract by SASFAA, nor provide the Business Partner Chair with any hotel sleeping room information for SASFAA registrants, which includes, but is not limited to, assistance in advertising this program to each of the SASFAA registrants by means of flyers in their room, notification of the event upon check-in, or any other method.
- SASFAA will not include any promotional materials for the event in any other conference related items, including the SASFAA website, conference bags, etc.
- The SASFAA listserv may not be used to advertise these events.

11.1.4 Ex-Officio Members

Ex-officio members to the conference committee are the treasurer, Business Partner Chair, and membership chair.

11.2 Training Events

Training activities may be offered to out-of-region individuals at the discretion of the Board; however, fees for all SASFAA training programs will include the equivalent for membership if the participant is not a current member.

11.3 Summer Workshop

Every effort shall be made to avoid scheduling the summer workshop for the same period as the NASFAA national conference, or other significant activities. Specific guidelines for planning and conducting the summer workshop are referenced in Appendix B of this manual.

11.4 Alcohol Use

With a concern for our shared professionalism and a sense of both social responsibility and fiscal constraint, the SASFAA Board authorizes the purchase of alcohol for SASFAA events. The SASFAA Board is expected to exercise good judgment in the amount of SASFAA funds spent on alcoholic beverages at these functions.

11.4.1 Alcohol Reimbursement Policy

SASFAA will not pay for or reimburse members' expenses for alcoholic beverages at committee or Board meal functions. SASFAA committee chairs are responsible for their committee's compliance to this policy.

11.5 Music Copyright Policy

See Section 8.2, Copyright Policy.

11.6 Honoraria

The Association shall make available to presenters, speakers, contributors, faculty, and others remuneration for services rendered. The amount of honoraria should not exceed the IRS threshold requiring the completion of a 1099 by SASFAA, which is currently \$600. Individual recipients have a responsibility to report the income on their personal tax return. The following policies shall serve as guidance.

11.6.1 Annual Conference

Honoraria shall be paid by SASFAA and charged to the annual meeting account for speakers and presenters, upon recommendation of the conference chair and approved by the president and treasurer.

11.6.2 Summer Workshops

The following honoraria shall apply to summer workshops:

- a. New Aid Officer's Workshop – Site Coordinator (\$599); Curriculum Director (\$599); Faculty (\$500)
- b. Mid-Level Workshop – Faculty (\$200)

If the amount of the honoraria proposes a financial hardship to the Association, the amount may be lowered at the discretion of the Executive Board.

SASFAA shall develop and provide a written contract for faculty in the summer workshop. As a part of the contract all staff would sign this statement: *I have read and understand my responsibilities and know what is expected of me. I agree to abide by the conduct set forth in this contract. If I violate this contract and/or code of conduct my honorarium may be revoked. I understand that contract and/or code of conduct valuations may be reported to the institution where I work.*

12.7 Association History – Record Maintenance and Retention Standards

The organization's staff, volunteers, members of the board of directors, committee members, and outsiders (independent contractors via agreements with them) are required to honor the following rules:

Permanently Retained Documents: (These records should be maintained by the Secretary)

- Articles of Incorporation
- Bylaws

- Audit Reports
- Corporate Resolutions
- Determination Letter from the IRS, and any response
- Year-End Financial Statements
- Minutes of Board Meetings
- Minutes of Annual Meeting of Members
- Tax Returns and worksheets
- Correspondence (legal and critical matters)
- Insurance Records, current accident reports, claims, and any active policies

Temporarily Retained Documents:

1. Treasurer Records - Certain fiscal records and documentation of the Treasurer are to be retained. To minimize the cost associated with transferring hard copies of records as well as the possible destruction of hard copies due to natural disasters (fire, tornado, flooding, etc.), it is strongly encouraged that the following financial records are maintained in an electronic/imaged format. In the event imaged format is not possible, the following documents must be maintained in hard copy format. The treasurer is to maintain the following financial records and should make these records available for financial review upon request:

- Bank statements
- Cancelled and voided checks
- Deposit slips
- Credit Card Statements & Usage Agreements
- Expense reports and supporting documentation
- Invoices
- Certificate of deposits and other investment papers
- Credit card payment receipts

2. Budget & Finance Records – Imaging should occur as soon as possible but must precede the transfer of records between B&F Chairs at the end of the fiscal year

- Financial review or financial review reports
- BOD - Conflict of Interest Agreements
- BOD – Rules of Engagement

General records that do not support specific financial transactions may be destroyed at the end of the second fiscal year after the financial review (based on the discretion of the B&F Committee).

3. Membership and conference registration forms will be retained in the membership database no less than 5 years but as long as reasonably possible based on electronic storage

Document Destruction

- All other organizational and business records (non-permanent, non-financial and non-membership) electronic documents can be deleted from all individual computers, data bases, networks, and backup storage after three years (three historical years and one active year)
- No paper or electronic documents will be destroyed or deleted if pertinent to any ongoing or anticipated government investigation or proceeding or private litigation (check with legal counsel or the human resources department for any current or foreseen litigation if employees have not been notified); and
- No paper or electronic documents will be destroyed or deleted as required to comply with government auditing standards (Single Audit Act).
