

*Southern Association of
Student Financial Aid Administrators, Inc.
Since 1963*

Mission Statement:

The Southern Association of Student Financial Aid Administrators (SASFAA) is a regional organization of individuals from our nine member states that provide an avenue for a support and resource network; offers professional training opportunities that enable and enhance the ethical and effective delivery of educational resources to students; seeks to cultivate personal and professional leadership development; advocates for public policies that support financial aid programs; and, commits to the recognition of the diverse needs in our profession and all of the constituents we serve.

Vision Statement:

The Southern Association of Student Financial Aid Administrators aspires to create an environment of mutual respect and support which encourages questions, discussion and the shaping of ideas in order to promote opportunities, equity and access in and to higher education.

Diversity Statement

As part of its mission, SASFAA seeks, accepts, and practices the inclusion and involvement of all members in all association activities regardless of age, race, ethnicity, gender, religion, sexual orientation, disability, appearance, professional level, institutional type, or other uniquely defined characteristics.
