Transition Meeting

Board orientation for new members was conducted during SASFAA's transition meeting held on June 11-13, 2018 at the Westin hotel in Fort Lauderdale, FL. All new members were present for the transition meeting with the exception of the Electronic Services Chair. It was a time for all board members to begin to become a new board. President Elect Erslan reviewed the SASFAA Bylaws as well and history and current Long Range Plan so that board members gained an understanding of what work needed to be done this year. At the end of the day President Elect Erslan shared his goals for the 2018-19 year, which can be found as a part of this report for the July board meeting.

NASFAA Conference

Attending the NASFAA conference afforded President Elect Erslan an opportunity to attend the regional and state presidents' luncheon as well as the NASFAA Board Meeting prior to the conference. The sessions and presenters throughout the conference were tremendous and although it was extremely warm in Austin, the conference was huge success! A great way to begin work with NASFAA and President Erslan looks forward to representing SASFAA these next two years on the NASFAA Board, this year as an observer and the following year as a voting member along with Immediate Past President Oliver!

SASFAA Volunteers

A list of volunteers was disseminated to the entire board in late June to encourage committee chairs to select desired members as a part of their board reports for the July board meeting. Every volunteer will be asked to serve in some capacity during 2018-19. Committee members who are unassigned will be vetted with committee chairs and assigned to a committee during the first board meeting. President Erslan and Electronic Services Chair Chad Sartini will be preparing that list of volunteers prior to the July Board meeting.

Budget Preparation

President Erslan, Budget/Finance Chair Nancy Tate, Treasurer Jenelle Handcox, and Immediate Past President Oliver began this discussion back in May with the first meeting held on June 3, 2018. Of course, thank you to all of

you for getting Nancy your budget projections for 2018-19. The budget will be presented during the July board meeting. A huge thank you to these three women, SASFAA is very fortunate to have them and please thank them for their commitment to serving this association!

A number of guest presenters have already been secured, including David Bartnicki (FSA), Justin Draeger (NASFAA), and Robert Weinerman (Iron Bridge Resources). Jasmine Payne from the Atlanta Community Food Bank will conduct a workshop called “The Community Food Experience,” which will address the issue of food insecurity. This

Legislative Updates:

On the evening of July 11, 2018, the House Appropriations Committee passed its version of the Fiscal Year 2019 Labor, Health and Human Services, Education and Related Appropriations Act. The bill provides almost \$71 billion for programs under the U.S. Department of Education, which is \$43 million above the FY2018 enacted level. The legislation sets the maximum PELL Grant award at \$6,095; includes \$1.06 billion for TRIO Programs and \$360 million for GEAR UP.

There were two education related amendments offered that were approved by the committee. One was to require Secretary DeVos to set new criteria for how FSA employees become eligible for bonuses; the criteria would have to be approved by Congress. The second would allow a borrower of a student loan who is undergoing cancer treatment to defer payment on the loan.

Education Secretary DeVos promoted Diane Jones to the position of Acting Under Secretary, as well as delegated the role of Assistant Secondary of Postsecondary Education at USDE.

CFPB Acting Director Mick Mulvaney promoted Brian Johnson to serve as the new Deputy Director following the resignation of Leandra English.

The PROSPER Act is not expected to be moved to the floor for a vote as there are not enough votes to pass the bill as yet.

The House will be out most of August but the Senate is expected to be in session most of August.

Executive Board Report-July, 21 2018

Committee Members/State Executive Board:

The KASFAA Executive Board and committee chairs for 2017-18 held their last board meeting for the fiscal year in conjunction with the transition meeting for the new 2018-19 Executive Board and committee chairs on June 7-8 at General Butler State Park. The transition meeting focused on the responsibilities and expectations of the various roles within KASFAA, as well as a review of the KASFAA Policies and Procedures and Long Range Plan. Time for getting to know each other and transition was set aside. Goals for the upcoming year include increasing our membership and conference attendance, as well as offering effective training. We also have plans for a membership survey. The first 2018-19 Executive Board meeting and fall conference/program planning meeting will take place on August 2-3, in Florence, KY. We also hope to utilize our social media presence, as well as other cost-effective avenues, to communicate with and keep our membership informed and excited about the upcoming training opportunities KASFAA has to offer. The fall 2018 conference will take place on October 10-12 at the Hilton Cincinnati Airport. The KASFAA executive board and committee chairs are working hard to ensure a focus on KASFAA's mission, vision, and the goals of the long range plan is in compliance with the bylaws and policies and procedures.

Steven Taranto/MASFAA President

Executive Board Report/July 2018

Committee Members/State Executive Board:

MASFAA held its annual conference from June 13-15 at Pearl River Resort in Philadelphia, MS (108 attendees). We raised \$965 for our Jan Lee Memorial Scholarship for Professional Development and \$1500 for a charitable contribution to MACE (Metro Area Community Empowerment). The distinguished Jack Woodward Award was granted to Laura Diven-Brown (University of Mississippi), and our Honorary Lifetime Membership Award to Jane McNaughton.

MASFAA's transition/planning meeting is scheduled for July 25-26. Our theme for 2018-19 is "Believing and achieving in all we do." All board positions are filled, except Diversity Chair and Audit/Finance Chair.

A State Aid Redesign Task Force was recently established and is headed by MS Sen. Briggs Hopson. Growing demand for state grants has caused funding shortfalls in recent years, triggering the need to assess and modify the current programs to ensure future stability, given budgetary constraints. The Task Force includes three state senators, three state representatives, Higher Education Commissioner Al Rankins, Mississippi Community College Board Executive Director Andrea Mayfield, Postsecondary Board Chairman Dr. Jim Turcotte, five college presidents, and representatives from workforce and college access. Unfortunately, the Task Force will not include anyone from the financial aid community. Instead, the Task Force will hold public hearings, and MASFAA representatives will be allowed to provide testimony. To prepare for this opportunity, MASFAA's financial aid directors gathered in Jackson on Thursday, July 12, to discuss needs and concerns, as well as ideas for redesigning the programs. The meeting was facilitated by MASFAA's State Aid Liaison (and the Director of the Mississippi Office of Financial Aid) Jennifer Rogers. The group is gathering information for the Task Force that will be reflective of all state sectors, while recognizing that there are differences across student populations at the various institution types. Successful grant programs in other states are also being examined. We look forward to working with the Task Force and MS State Legislature to assist in this important endeavor.

State Activity to date - North Carolina had their transition meeting for the 2017-18 and 2018-19 Boards on June 14. It was a great meeting where many members brought forth ideas for the 2018-19 year and how to make those ideas become successful.

The theme for NCASFAA for 2018-19 will be “Fulfilling Dreams. Embodying Compassion. Empowering Our Community.” It is serendipitous that North Carolina’s theme ties into President Erslan’s theme for the year for SASFAA. North Carolina’s focus will predominantly be on “empowering our community” by willing to sponsor a few members participation in training and leadership events offered via SASFAA member states, SASFAA, and NASFAA and by ensuring both the fall and spring conferences will deliver a great array of interesting and helpful breakout sessions.

North Carolina will hold a conference call on July 18 to settle on their budget for 2018-19 and have their first full Board meeting on September 14, 2019 at Rowan-Cabarrus Community College in Salisbury, NC, right outside the Charlotte metro area.

Executive Board Report/July 2018

State Executive Board: VASFAA President's Report

VASFAA Activity for 2018-2019: The VASFAA theme for 2018-2019 is *“Be the light...and the voice!”* Outgoing 2017-2018 and incoming 2018-2019 Board members and select committee chairs met June 3-5 for a wonderful transition retreat held at the historic Carter Hall Conference Center in Millwood, Virginia. Following the 2017-2018 final Board meeting, retreat participants engaged in group activities that helped us define our values, arrive at an updated mission statement, and reach preliminary consensus on goals for a new strategic plan. The Board approved our new mission statement:

The mission of the Virginia Association of Student Financial Aid Administrators (VASFAA) is to provide a safe and open environment for financial aid professionals from all sectors to interact, learn, and exchange ideas. With the highest level of integrity, VASFAA provides training and support and advocates for the profession so students and families seeking to afford post-secondary education in the Commonwealth are well-served.

A concentric circle exercise was followed by small group work to “image” a better VASFAA. Each small group approached the exercise in a slightly different way but arrived at very similar conclusions as to what we wanted VASFAA to be. As President, I am compiling their work into a proposed strategic plan with specific “To Do List” items.

A balanced budget was presented thanks to the Budget & Finance Committee, who held a planning meeting two weeks before the retreat and presented a well-constructed, tentative budget. Prior to the retreat, committee chairs were charged with preparing tentative goals, which they shared during the retreat. All who completed volunteer forms will be contacted for specific committees.
