Modules Defined

- 668.22(l)(6)
 - “when a course or courses in program do not span entire length of payment period (term) or period of enrollment”
- Doesn’t matter what modules are called at the institution
 - e.g., mini-terms, J-terms, mini-mesters, mini-sessions, modules....

Modules: Changing Patterns in Education

- Short term and sequential course enrollment
 - courses are often offered in modules, usually 1-8 weeks in length
- Programs with modules may -
 - compose an entire program; or
 - be offered in conjunction with courses that span the full term

Federal Student Aid | PROUD SPONSOR of the AMERICAN MIND™

Modules: Changing Patterns in Education

- Used in Standard Term, Non-Standard Term and Non-Term Settings
- May have two or more modules within a term
- May be sequential or concurrent
- May overlap

Withdrawal Defined

- Student does not complete all days scheduled to complete within the payment period/term (whether official or unofficial withdrawal)
 - If no passing grade in last scheduled course/module, school must demonstrate student completed period

Federal Student Aid

Withdrawal Defined

- An administrative withdrawal initiated by the school is considered an official withdrawal
 - A school may drop a student from a class in a future module because the student failed a prerequisite class in a prior module

Calendar Days - Credit Hour Modules

- Total calendar days include all days in which the student was scheduled to attend
 - Days of attendance in courses count regardless of whether module(s) were completed
 - Exclude scheduled breaks of at least 5 consecutive days when student is not scheduled to attend a module or other course
 - Includes allowable breaks between modules (as long as not attending other courses during the break)
- *When a student who has made schedule changes withdraws, do not count attendance in courses officially dropped prior to ceasing attendance*

R2T4 and Modules

Impact of Enrollment Status Changes

- Adjustments to a student’s enrollment status made after a student has ceased attendance have no bearing on the R2T4 calculations
 - If a student enrolled in 3 modules, completes one, and then drops the remaining two *after ceasing attendance*, all days in all three modules will be included in the R2T4 calculation
 - This can apply to situations where a student drops all future modules during a break between modules

Federal Student Aid | PROUD SPONSOR of the AMERICAN MIND™
AN OFFICE of the U.S. DEPARTMENT of EDUCATION

Impact of Enrollment Status Changes

- If a student drops all future courses on the *same day* they withdraw from a current module it is considered a withdrawal and all days in all modules the student was scheduled to attend must be included in the R2T4 calculation
- *Update: If drop future courses on LAST DAY of module completed, future courses are not factored into R2T4*
- Considered dropped while attending other courses

Written Confirmation Of Return

- Student in a modular program not considered a withdrawal if:
 - Provides written confirmation of intent
 - Must be provided at the time of withdrawal
 - Can be paper or electronic process
 - Registration for future modules does *not* constitute written confirmation
 - Student may change return date in writing
 - Must provide change prior to original return date

R2T4 and Modules

Written Confirmation Of Return

- Nonstandard term and Non-term programs
 - Student considered to be withdrawal if not scheduled to begin another course in period of enrollment for more than 45 calendar days
 - 45 days measured from end of module ceased attending

Federal Student Aid
AN OFFICE OF THE U.S. DEPARTMENT OF EDUCATION
PROUD SPONSOR OF THE AMERICAN MIND™

Written Confirmation Of Return

- Student considered to be withdrawal if does not return as scheduled
- Withdrawal date is retroactive to when written confirmation was originally provided
 - Determine withdrawal date and days of attendance as if written confirmation was never provided
 - The date the student was scheduled to return is the date of the school's determination of withdrawal

Federal Student Aid
AN OFFICE OF THE U.S. DEPARTMENT OF EDUCATION
PROUD SPONSOR OF THE AMERICAN MIND™

Return After Withdrawal

- If returning in the same payment period, the student is treated as if did not cease attendance
 - The school must “undo” the R2T4 calculation
- Restore student’s original amounts with no adjustment for partial attendance of a module
 - Except if a student never began all of their courses
 - Adjustments may need to be made to the original Title IV award amounts, such as Pell Grant recalculations

R2T4 and Pell Grant Recalculation

- Student doesn't begin attendance in all classes in a term
 - If a student does not begin attendance in all of his or her classes, resulting in a change in the student's enrollment status, your school must recalculate the student's award based on the lower enrollment status
 - If a school learns a student did not begin attendance in all courses and an R2T4 calculation is required, FIRST perform the Pell recalculation and then include the adjusted Pell amount in the R2T4 calculation
 - The Pell recalculation is a separate and distinct process from the R2T4 calculation

Examples and Case Studies

R2T4 & Modules

Did the Student Withdraw?

1. Did the student cease to attend before completing, or fail to begin attending, a course scheduled to attend?
 - If yes, go to question 2
 - If no, student is not a withdrawal
2. When ceased to attend or failed to begin attendance in a scheduled course, was the student attending other courses?
 - If yes, student is not a withdrawal
 - If no, go to question 3
3. Did the student confirm attendance in a later module in the payment/enrollment period (45 day rule, if applicable)?
 - If no, student is a withdrawal
 - If not a withdrawal, Pell recalculations may apply

Summer Module Example

- *Fall and Spring*: standard terms
 - All courses last for full 15 weeks and are not considered to be offered in modules
- *Summer*: three 5-week sessions (combined to be a standard term offered in modules)
 - Students can enroll in any one, two or all three summer sessions
 - Students in the 5-week summer sessions are considered enrolled in a program offered in modules since none of the sessions span the entire length of the 15-week term

Federal Student Aid | PROUD SPONSOR of the AMERICAN MIND™

Summer Module Example

Session 1 5 weeks	Session 2 5 weeks	Session 3 5 weeks
----------------------	----------------------	----------------------

33 days 2 days 33 days 2 days 33 days

Student enrolls in all three summer sessions. Completes session 1, begins session 2, and stops attending on day 10. No notification of withdrawal provided, or confirmation of return.

- R2T4 calculation required, after recalculating Pell Grant
- Withdrawal date: day 10 of session 2 (if required to take attendance); 50% point of enrollment period or last known date of attendance (if not required to take attendance)
- Number of days in period = 103 days
